### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

This legislation seeks to offer better support for our visiting allied military service members by ensuring their children do not suffer education delays as a result of the differences in Texas school enrollment age and the age of enrollment in the service member's home country. Enrollment would only be accomplished with the approval and support of the local school district.

H.B. 2757 amends current law relating to a public school policy for establishing age for purposes of admission into the school for certain children of foreign military members.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

SECTION 2. Provides that this Act applies beginning with the 2025–2026 school year.
