AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Every Texas Legislature for more than two decades has passed a bill to consolidate funds by specifying which general revenue-dedicated accounts are available to use for budget certification and which are exempt. The legislature has recently worked to reduce the state's reliance on dedicated accounts for budget certification by appropriating funds from those accounts for lawful purposes and exempting others from certification. H.B. 4488 seeks to achieve this goal and enable the fund consolidation process.

H.B. 4488 amends current law relating to the creation and re-creation of funds and accounts, the dedication and rededication of revenue and allocation of accrued interest on dedicated revenue, and the exemption of unappropriated money from use for general governmental purposes.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
