### **ANALYSIS**

H.B. 5656 amends the Special District Local Laws Code to create the Fort Bend County Municipal Utility District No. 263, subject to applicable municipal consent and voter approval at a confirmation election. The bill, among other provisions, grants the district the power to undertake certain road projects and provides for the district's division. The bill authorizes the district, subject to certain requirements, to issue obligations and impose property, operation and maintenance, and contract taxes. The bill expressly prohibits the district from exercising the power of eminent domain if the bill does not receive a two-thirds vote of all the members elected to each house and establishes that this provision is not intended to be an expression of a legislative interpretation of the requirements of Section 17(c), Article I, Texas Constitution.

H.B. 5656 establishes that all applicable requirements relating to the following have been fulfilled and accomplished with respect to the bill:

- the legal notice of intention to introduce;
- governor action;
- Texas Commission on Environmental Quality recommendations; and
- the state constitution and laws and legislative rules and procedures.

### **EFFECTIVE DATE**
