### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Operation Game Thief is Texas' wildlife Crime-stoppers program, offering rewards of up to \$1,000.00 for information leading to the arrest and conviction for a wildlife crime. The program was established in 1981 as a result of laws passed by the 67th Legislature to help curtail poaching. The program, a function of the law enforcement division of the Texas Parks and Wildlife Department, is highly successful.

The program is privately funded and dependent on financial support from the public through the purchase of OGT memberships and merchandise, donations, sponsorships, and gifts.

S.B. 384 allows those applying for a hunting or fishing license to voluntarily contribute money to the Operation Game Thief fund, to assist in obtaining information leading to the arrest and conviction of poachers.

As proposed, S.B. 384 amends current law relating to making a donation to the operation game thief fund when applying for a hunting or fishing license.
