AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The Texas Department of Licensing and Regulation (TDLR) ceased offering new provisional dietitian licenses in 2017, yet references to provisional licensed dietitians persist in current law. What's more, TDLR's enabling statute was changed by the 2021 Sunset legislation to remove ambiguous language requiring TDLR to determine if a licensure applicant "lacks the honesty, trustworthiness, and integrity to hold a license issued by the department." Current law, however, still has a reference to TDLR determining the fitness of dietitian license applicants.

S.B. 627 would cure these defects by removing obsolete language and bringing the law into alignment with current TDLR dietitian licensure practices.

S.B. 627 amends current law relating to the licensing and regulation of dietitians.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

SECTION BY SECTION ANALYSIS

SECTION 1. Amends Section 701.151(b), Occupations Code, as follows:

(b) Deletes existing text requiring the Texas Commission of Licensing and Regulation (TCLR) or the Texas Department of Licensing and Regulation (TDLR), as appropriate, to establish the fitness of applicants for licenses, including renewed and reciprocal licenses.
