AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

On July 4, 2026, the United States will celebrate the semiquincentennial anniversary of American Independence Day. Current statute only permits Texans to purchase fireworks from June 24 until 11:59 p.m. on July 4. Because July 4, 2026, falls on a Saturday, Texans would only be able to purchase fireworks for half of the weekend in accordance with state law.

S.B. 996 amends this by allowing the purchasing of fireworks to be extended until 11:59 p.m. on July 5, 2026, so that Texans may be able to celebrate 250 years of American independence for the entire weekend. This addition to the Occupations Code is only applicable for the year 2026, and would not affect the sale of fireworks on American Independence Day at any other time.

S.B. 996 amends current law relating to fireworks sales to the public by retail fireworks permit holders on certain dates.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
