AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Current Texas law lacks a specific initiative promoting digital well-being through disconnecting from electronic devices. This bill creates a dedicated annual day to encourage physical activity, creativity, and community engagement in parks and recreational spaces. It serves as a call to action for Texans to prioritize these activities and reduce screen time.

Ultimately, "Unplug Texas Day" aims to foster healthier, more connected communities by highlighting the value of unplugging and being present.

S.B. 2232 amends current law relating to designating October 21 as Unplug Texas Day.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
