### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

The Texas Legislature established the Lower Neches Valley Authority (LNVA) in 1933 to manage storm and floodwaters of the Neches River. Following the discovery of oil at Spindletop, LNVA was tasked with addressing the growing water needs of the Beaumont-Port Arthur area. LNVA has the authority to build and operate water infrastructure, store water for hydroelectric power, acquire land through eminent domain, maintain canals, and promote economic development through community programs. Its jurisdiction covers all of Hardin, Jefferson, and Tyler counties, as well as parts of Chambers and Liberty counties. LNVA is governed by a nine-member board of directors appointed by the governor with senate approval.

In 2024, the Sunset Advisory Commission conducted a review of LNVA and recommended several governance improvements. These included requiring the governor to appoint the presiding officer, setting clear grounds and processes for board member removal, and implementing mandatory training on the authority's operations, laws, and ethics. The commission also recommended separating board and staff duties, ensuring public testimony at meetings, and creating a complaints system with accessible procedures and regular updates.

S.B. 2407 implements governance reforms for the LNVA, including a 12-year review cycle under the Sunset Act, with the next review starting in 2037. It establishes a governor-appointed board president, requires clear separation of policymaking and management roles, and sets specific grounds for the removal of board members, such as failure to meet qualifications or excessive absences. New board members must complete mandatory training by December 1, 2025, covering authority operations, ethics, and legal requirements. The bill also requires public testimony opportunities and a system for efficiently handling and tracking complaints.

S.B. 2407 amends current law relating to the Lower Neches Valley Authority, following recommendations of the Sunset Advisory Commission, and specifies term length grounds for the removal of a member of the board of directors.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

### **SECTION BY SECTION ANALYSIS**

SECTION 1. Amends Section 8504.0021(a), Special District Local Laws Code, to require that a review under the Texas Sunset Act be conducted under Section 325.025 (River Authorities Subject to Review), Government Code, as if the authority were a state agency scheduled to be abolished September 1, 2037, rather than September 1, 2025, and every 12th year after that year.

SECTION 2. Amends Section 8504.052, Special District Local Laws Code, to provide that directors of the Lower Neches Valley Authority (LNVA) hold office for staggered terms of four, rather than six, years.

SECTION 3. Amends Subchapter B, Chapter 8504, Special District Local Laws Code, by adding Sections 8504.0555, 8504.058, 8504.059, 8504.060, 8504.061, and 8504.062, as follows:

(b) Provides that the validity of an action of the board is not affected by the fact that it is taken when a ground for removal of a director exists.

(c) Requires the general manager, if the general manager has knowledge that a potential ground for removal exists, to notify the board president of the potential ground. Requires the board president to then notify the governor and the attorney general that a potential ground for removal exists. complaint, a summary of the results of the review or investigation of the complaint, and its disposition.

(b) Requires LNVA to make information available describing its procedures for complaint investigation and resolution.

(c) Requires LNVA to periodically notify the complaint parties of the status of the complaint until final disposition, unless the notice would jeopardize an investigation.

SECTION 4. Provides that, except as provided by Subsection (b) of this section, Section 8504.060, Special District Local Laws Code, as added by this Act, applies to a member of the board appointed before, on, or after the effective date of this Act.
