### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

The Woodlawn Water Supply Corporation (corporation), located in Angelina County, believes that it is the best interest of the WSC and its members to dissolve and transfer all of its property and assets to the Angelina and Neches River Authority (authority). The authority has a water certificate of convenience and necessity (CCN), a sewer CCN, and all of the technical capacity needed to serve the corporation's members and customers. The authority has consented to the corporation's desire for the authority to take over the WSC's operations.

As proposed, S.B. 2476 amends current law relating to transfer of the ownership rights of the Woodlawn Water Supply Corporation to the Angelina and Neches River Authority.

### **RULEMAKING AUTHORITY**
