AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Texas State Technical College (TSTC) historically has been underfunded, with no consistently adequate capital funding to allow for strategic growth in current or new campuses. With the record growth of employment rates in Texas, the skilled-labor shortage also continues to grow. TSTC has a long history of proven performance in training highly skilled workers. This is why a large group of associations and businesses have been pushing for the expansion of TSTC into the fastest growing regions of Texas for access to training facilities that produce the skilled workforce needed. S.J.R. 59 creates a reliable source of capital funding for TSTC to expand technical training in order to meet the growing skills gap in Texas and place more Texans in great-paying jobs.

S.J.R. 59 establishes a constitutionally dedicated, permanent endowment to fund the capital infrastructure needs of career and technical education programs offered by TSTC.

S.J.R. 59 proposes a constitutional amendment providing for the creation of funds to support the capital needs of educational programs offered by the Texas State Technical College System and repealing the limitation on the allocation to that system and its campuses of the annual appropriation of certain constitutionally dedicated funding for public institutions of higher education.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

SECTION BY SECTION ANALYSIS

SECTION 1. Amends Article VII, Texas Constitution, by adding Section 21, as follows:

Sec. 21. (a) Defines "available fund" and "permanent fund."

(b) Provides that the permanent technical institution infrastructure fund (permanent fund) and the available workforce education fund (available fund) are established as special funds in the state treasury outside the general revenue fund to be administered as provided by this section without further appropriation for the purpose of providing a dedicated source of funding for capital projects and equipment purchases related to educational programs offered by the Texas State Technical College System (system).

(c) Provides that the permanent fund consists of certain monies.

(d) Provides that the available fund consists of certain monies.

(e) Authorizes the Comptroller of Public Accounts of the State of Texas (comptroller) or the board of regents of the system (board) to establish accounts in the available fund as necessary to administer the fund or pay for projects authorized under this section.

(f) Requires the comptroller to hold, manage, and invest the permanent fund. Authorizes the comptroller, in managing the assets of the fund, to acquire, exchange, sell, supervise, manage, or retain any kind of investment that a prudent investor, exercising reasonable care, skill, and caution, would acquire or retain in light of the purposes, terms, distribution needs, and other circumstances of the fund, taking into consideration the investment of all the assets of the fund rather than a single investment. Requires that the expenses of managing the investments of the fund be paid from the fund.

(g) Prohibits money from being appropriated or transferred from the permanent fund or the available fund except as provided by this section.

(h) Requires the comptroller to determine the amount available for distribution from the permanent fund to the available fund for each fiscal year. Provides that the amount available for distribution:

(1) is required to be determined in a manner intended to provide the available fund with a stable and predictable stream of annual distributions and preserve over a rolling 10-year period the purchasing power of the permanent fund; and

(2) is prohibited from exceeding 5.5 percent of the fair market value of the investment assets of the permanent fund, as determined by the comptroller.

(i) Requires the comptroller, for each state fiscal year, on request of the board, to distribute an amount that does not exceed the amount determined under Subsection (h) of this section from the permanent fund to the available fund for purposes of this section.

(j) Provides that the amount distributed from the permanent fund to the available fund under Subsection (i) of this section is appropriated to the board for certain purposes.

(k) Prohibits money appropriated from the available fund under this section, notwithstanding any other provision of this section, from being used for the purpose of constructing, equipping, repairing, or rehabilitating buildings or other permanent improvements that are to be used for intercollegiate athletics or auxiliary enterprises.

(l) Prohibits an institution, other than a component institution of the system, that is entitled to participate in dedicated funding provided by Section 17 (Funding to Support Agencies and Institutions of Higher Education Not Supported by Available University Fund) or 18 (Funding to Support Texas A&M University System and University of Texas System; Available University Fund) of Article VII (Education) from being entitled to participate in the funding provided by this section.

(m) Provides that this section does not impair any obligation created by the issuance of bonds or notes in accordance with prior law, including bonds or notes issued under Section 17 of this article, and all outstanding bonds and notes are required to be paid in full, both principal and interest, in accordance with their terms. Provides that, if this section conflicts with any other provision of this constitution, this section prevails.

(n) Provides that money appropriated under Subsection (j) of this section that is not spent during the state fiscal year for which the appropriation is made is retained by the system and is authorized to be spent in a subsequent state fiscal year for a purpose for which the appropriation was made.

(n-1) Provides that, on January 1, 2026, the amount of \$850 million is appropriated from the general revenue fund to the comptroller for the purpose of immediate deposit to the credit of the permanent fund. Provides that this subsection expires December 31, 2026.

SECTION 2. Amends Section 17(j), Article VII, Texas Constitution, as follows:

(j) Prohibits the state systems and institutions of higher education designated in this section from receiving any additional funds from the general revenue of the state, other than money appropriated under Section 21 of this article, for acquiring land with or without permanent improvements, for constructing or equipping buildings or other permanent improvements, or for major repair and rehabilitation of buildings or other permanent improvements except in certain cases.

SECTION 3. Amends Section 18(c), Article VII, Texas Constitution, to prohibit an institution that is entitled to participate in dedicated funding provided by Section 17 or 21 of this article from being entitled to participate in the funding provided by this section and to make nonsubstantive changes.

SECTION 4. Repealer: Section 17(d-1) (relating to prohibiting the allocation of the annual appropriation to the system and its campuses from exceeding 2.2 percent of the total appropriation each fiscal year), Article VII (Education), Texas Constitution.

SECTION 5. Requires that the proposed constitutional amendment be submitted to the voters at an election to be held November 4, 2025. Sets forth the required language of the ballot.
