5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

6 SECTION 1. Section [28.0211](#), Education Code, is amended by
7 adding Subsections (a-15) and (a-16) to read as follows:

8 (a-15) The agency shall approve high impact tutoring
9 providers for purposes of providing accelerated or supplemental
10 instruction under this section. In approving a provider, the
11 agency shall consider:

12 (1) whether the provider provides personalized
13 instruction to each student;

14 (2) the frequency and consistency of the provider's
15 instruction;

16 (3) whether the provider employs qualified and

18 (4) whether the provider provides instruction to
19 students individually or in groups of no more than four students per
20 tutor; and

21 (5) whether the provider uses data-driven and
22 research-based best practices.

23 (a-16) In contracting with a high impact tutoring provider

2 post on the agency's Internet website a template that districts may
3 use in contracting with a provider under this subsection. The
4 template must:

6 provider's payment to be contingent on the achievement of specific,
7 measurable student outcomes;

8 (2) allow the district to prioritize certain student
9 outcomes;

10 (3) align the incentives for the district and the
11 provider;

12 (4) minimize financial risk for the district;

13 (5) ensure that the provider is held accountable for
14 delivering the specific, measurable student outcomes outlined in
15 the contract; and

16 (6) establish a framework for shared accountability
17 between the district and the provider.

18 SECTION 2. Section 28.0211(a-16), Education Code, as added
19 by this Act, applies only to a contract entered into on or after the
20 effective date of this Act.

21 SECTION 3. This Act takes effect September 1, 2025.
