A BILL TO BE ENTITLED

AN ACT

relating to the Polytechnic College at Sam Houston State University, including the college's eligibility to participate in certain programs.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 96.63, Education Code, is amended to read as follows:

Sec. 96.63. POLYTECHNIC COLLEGE [~~JOSEY SCHOOL OF VOCATIONAL EDUCATION~~]. (a) The Polytechnic College [~~Josey School of Vocational Education~~] is a division of Sam Houston State University and is under the direction and control of the board of regents of the Texas State University System [~~Board of Regents, State Senior Colleges~~].

(b) The administration of the college [~~school~~] is under the direction of the president of Sam Houston State University.

(c) The college [~~school~~] shall provide career and technical education [~~vocational training~~] for individuals [~~over the age of 18 who cannot qualify scholastically for college entrance and for other persons~~] who desire to avail themselves of short intensive courses in career and technical education [~~vocational education in the following fields: agriculture, home management, distributive education, photography, plumbing, sheet metal work, machine shop, auto mechanics, furniture, electrical appliances, air conditioning and refrigeration, printing, radio, garment making, interior~~]

~~decorating, light construction contracting, photoengraving, watchmaking, and other trades of like nature]. The education [training in these subjects] shall be designed to lead to career and technical education certificates, as defined by the Texas Higher Education Coordinating Board [organized so that the courses may be completed in from 9 to 24 months. Courses may also be offered in English and mathematics and other subjects which will contribute to the vocational training of the student. Vocational courses in government, designed to prepare workers in various county, city, and state offices, may also be offered].~~

(d) Notwithstanding any other law, the college shall be funded in the same manner as a public state college, as defined by Section 61.003 ~~[The rate of tuition charged students shall be the actual cost of teaching service, not to exceed \$500 per scholastic year of nine months. Scholarships may be awarded by the board to worthy indigent students who might greatly benefit from the training offered. The amount of the scholarships may vary according to the needs of the individuals, but in no case may it reduce the tuition payment by the student to a point less than the tuition fee regularly charged students at the state senior colleges].~~

SECTION 2. Section 56.401(2), Education Code, is amended to read as follows:

(2) "Eligible institution" means:

(A) a public junior college;

(B) a public technical institute; ~~[or]~~
