person, performing an action that did not occur in reality.

(3) "Visual depiction" means a photograph, motion  
picture film, videotape, digital image or video, or other visual  
recording.

SECTION 5. Section [21.165](#), Penal Code, is amended by  
amending Subsections (b) and (c) and adding Subsections (b-1),  
(c-1), and (c-2) to read as follows:

(b) A person commits an offense if, without the effective

(2) engaging in sexual conduct in which the person did  
not engage ~~[with the person's intimate parts exposed or engaged in~~

(2) indicates, through a label or otherwise, that the depiction is not authentic.

(c-2) It is an affirmative defense to prosecution under this section that the production or distribution of the deep fake media occurs in the course of:

(1) lawful and common practices of law enforcement or medical treatment;

(2) reporting unlawful activity; or

(3) a legal proceeding, if the production or distribution is permitted or required by law.

1           SECTION 6. The changes in law made by this Act to Section  
2   21.165, Penal Code, apply only to an offense committed on or after  
3   the effective date of this Act. An offense committed before the  
4   effective date of this Act is governed by the law in effect on the  
5   date the offense was committed, and the former law is continued in  
6   effect for that purpose. For purposes of this section, an offense  
7   was committed before the effective date of this Act if any element
