7 is amended to read as follows:

8 Sec. 26.011. COMPLAINTS; CIVIL REMEDY.

9 SECTION 2. Section 26.011, Education Code, is amended by
10 adding Subsections (c), (d), and (e) to read as follows:

11 (c) A grievance procedure adopted under this section must
12 require that, not later than the 30th day after receipt of a
13 complaint described by Subsection (a), the school district:

14 (1) resolve the issue that gave rise to the complaint;

15 or

16 (2) provide to the parent who submitted the complaint
17 a written explanation of the district's reason for not resolving
18 the issue.

19 (d) If a school district does not resolve an issue described
20 by Subsection (c)(1), the parent may bring a civil action against
21 the district to obtain appropriate injunctive and declaratory
22 relief. A court may award damages and shall award reasonable
23 attorney's fees and court costs to a prevailing parent. Remedies
24 provided by this subsection are not exclusive. Governmental

1 immunity of a school district to suit and from liability is waived
2 to the extent of liability created by this subsection.

3 (e) The board of trustees of each school district shall
4 adopt a policy for notifying parents of students enrolled in the
5 district regarding the grievance procedure adopted by the district
6 under this section.

7 SECTION 3. Chapter 26, Education Code, is amended by adding
8 Sections 26.0083, 26.0084, and 26.016 to read as follows:

9 Sec. 26.0083. RIGHT TO INFORMATION REGARDING MENTAL,
10 EMOTIONAL, AND PHYSICAL HEALTH AND HEALTH-RELATED SERVICES. (a)
11 Each school district shall adopt a procedure for notifying the
12 parent of a student enrolled in the district regarding any change
13 in:

14 (1) services provided to or monitoring of the student
15 related to the student's mental, emotional, or physical health or
16 well-being; or

17 (2) the district's ability to provide a safe and
18 supportive learning environment for the student.

19 (b) A procedure adopted under Subsection (a) must reinforce
20 the fundamental right of a parent to make decisions regarding the
21 upbringing and education of the parent's child by requiring school
22 district personnel to:

23 (1) encourage a student to discuss issues relating to
24 the student's well-being with the student's parent; or

25 (2) facilitate a discussion described under
26 Subdivision (1).

27 (c) A school district may not adopt a procedure or a student

1 support form, including a student well-being questionnaire or

3 (1) prohibits a district employee from notifying the
4 parent of a student regarding:

5 (A) information about the student's mental,
6 emotional, or physical health or well-being; or

7 (B) a change in services provided to or
8 monitoring of the student related to the student's mental,
9 emotional, or physical health or well-being; or

10 (2) encourages or has the effect of encouraging a
11 student to withhold from the student's parent information described
12 by Subdivision (1)(A).

13 (d) A school district employee may not discourage or
14 prohibit parental knowledge of or involvement in critical decisions
15 affecting a student's mental, emotional, or physical health or
16 well-being.

17 (e) Before the first instructional day of each school year,
18 a school district shall provide to the parent of each student
19 enrolled in the district written notice of each health-related
20 service offered at the district campus the student attends. The
21 notice must include a statement of the parent's right to withhold
22 consent for or decline a health-related service. A parent's
23 consent to a health-related service does not waive a requirement of
24 Subsection (a), (c), or (d).

25 (f) Before administering a student support form to a
26 student, a school district must provide a copy of the form to the
27 student's parent and obtain the parent's consent to administer the

1 form.

2 (g) Not later than June 30, 2026, the agency, the State
3 Board of Education, and the State Board for Educator Certification,
4 as appropriate, shall review and revise as necessary the following
5 to ensure compliance with this section:

6 (1) school counseling frameworks and standards;

7 (2) educator practices and professional conduct
8 principles; and

9 (3) any other student services personnel guidelines,

11 (h) Subsection (g) and this subsection expire September 1,
12 2027.

14 PERCEPTION OF BIOLOGICAL SEX. A school district employee or
15 independent contractor of a district, including a third-party
16 instructor, guest speaker, or subcontractor, may not withhold from
17 a student's parent information related to the student's perception
18 of the student's biological sex if that perception is inconsistent
19 with the student's biological sex as determined by the student's sex
20 organs, chromosomes, and endogenous hormone profiles.

21 Sec. 26.016. CONSENT REQUIRED FOR PARTICIPATION IN CERTAIN
22 STUDENT CLUBS. (a) In this section, "student club" means any
23 student organization sponsored or sanctioned by a school district.

24 (b) A school district shall require written parental
25 consent as a condition of a student's participation in a student
26 club that promotes themes of sexuality, gender, or gender identity.

27 (c) A school district shall seek parental consent under this

1 section by providing a written form to a parent that includes the
2 foundational documents of the student club described by Subsection
3 (b) in which the student wishes to participate, including:
4 (1) the name of the club;
5 (2) the mission statement or purpose of the club; and
6 (3) any additional information determined appropriate
7 by the school district.
