H.C.R. No. 118

CONCURRENT RESOLUTION

1 WHEREAS, Despite increased threats to national security, the  
2 United States' fleet of warships is shrinking and aging; and

3 WHEREAS, President Donald Trump has called for the expansion  
4 of the nation's shipbuilding capabilities; promoting the warship  
5 manufacturing industry in Texas would result in the creation of  
6 numerous jobs and have a significant impact on the state's economy;  
7 and

8 WHEREAS, Texas should begin taking necessary steps,  
9 including developing the workforce, expanding ports, and building  
10 new facilities, to advance the warship manufacturing industry; now,  
11 therefore, be it

12 RESOLVED, That the 89th Legislature of the State of Texas  
13 hereby express support for expanding the warship manufacturing  
14 industry in Texas.
