3 16. SPECIAL RULE 213

4 STATEMENT OF AUTHORIZATION AND PRECEDENCE

5 Pursuant to and under the authority of Section 11, Article

6 III, Texas Constitution, and notwithstanding any provision of

7 statute, the House of Representatives adopts the following rules to

8 govern its operations and procedures. The provisions of these

9 rules shall be deemed the only requirements binding on the House of

10 Representatives under Section 11, Article III, Texas Constitution,

11 notwithstanding any other requirements expressed in statute.

12 RULE 1. DUTIES AND RIGHTS OF THE SPEAKER

13 CHAPTER A. DUTIES AS PRESIDING OFFICER

14 Sec. 1. ENFORCEMENT OF THE RULES. The speaker shall

15 enforce, apply, and interpret the rules of the house in all

16 deliberations of the house and shall enforce the legislative rules

17 prescribed by the statutes and the Constitution of Texas.

18 Sec. 2. CALL TO ORDER. The speaker shall take the chair on

19 each calendar day precisely at the hour to which the house adjourned

20 or recessed at its last sitting and shall immediately call the

21 members to order.

22 Sec. 3. LAYING BUSINESS BEFORE THE HOUSE. The speaker

23 shall lay before the house its business in the order indicated by

24 the rules and shall receive propositions made by members and put

25 them to the house.

26 Sec. 4. REFERRAL OF PROPOSED LEGISLATION TO COMMITTEE. All

27 proposed legislation shall be referred by the speaker to an

1 appropriate standing committee, permanent standing subcommittee,
2 or select committee with jurisdiction, subject to correction by a
3 majority vote of the house. A bill or resolution may not be
4 referred simultaneously to more than one committee or subcommittee.

5 Sec. 5. PRESERVATION OF ORDER AND DECORUM. The speaker
6 shall preserve order and decorum. In case of disturbance or
7 disorderly conduct in the galleries or in the lobby, the speaker may
8 order that these areas be cleared. No signs, placards, or other
9 objects of similar nature shall be permitted in the rooms, lobby,
10 gallery, and hall of the house. The speaker shall see that the
11 members of the house conduct themselves in a civil manner in
12 accordance with accepted standards of parliamentary conduct and
13 may, when necessary, order the sergeant-at-arms to clear the aisles
14 and seat the members of the house so that business may be conducted
15 in an orderly manner.

16 Sec. 6. RECOGNITION OF GALLERY VISITORS. On written
17 request of a member, the speaker may recognize persons in the
18 gallery. The speaker shall afford that recognition at a convenient
19 place in the order of business, considering the need for order and
20 decorum and the need for continuity of debate. The request must be
21 made on a form prescribed by the Committee on House Administration.
22 The speaker may recognize, at a time he or she considers appropriate
23 during floor proceedings, the person serving as physician of the
24 day.

25 Sec. 7. STATING AND VOTING ON QUESTIONS. The speaker shall
26 rise to put a question but may state it sitting. The question shall
27 be put substantially in this form: "The question occurs on

1 _____" (here state the question or proposition under
2 consideration). "All in favor say 'Aye,'" and after the affirmative
3 vote is expressed, "All opposed say 'No.'" If the speaker is in
4 doubt as to the result, or if a division is called for, the house
5 shall divide: those voting in the affirmative on the question
6 shall register "Aye" on the voting machine, and those voting in the
7 negative on the question shall register "No." The decision of the
8 house on the question shall be printed in the journal and shall
9 include the yeas and nays if a record of the yeas and nays is ordered
10 in accordance with the rules.

11 Sec. 8. VOTING RIGHTS OF THE PRESIDING OFFICER. The
12 speaker shall have the same right as other members to vote. If the
13 speaker, or a member temporarily presiding, has not voted, he or she
14 may cast the deciding vote at the time such opportunity becomes
15 official, whether to make or break a tie. If a verification of the
16 vote is called for and granted, the decision of the speaker, or a
17 member temporarily presiding, to cast the deciding vote need not be
18 made until the verification has been completed. In case of error in
19 a vote, if the correction leaves decisive effect to the vote of the
20 speaker, or a member temporarily presiding, the deciding vote may
21 be cast even though the result has been announced.

22 Sec. 9. QUESTIONS OF ORDER. (a) The speaker shall decide
23 on all questions of order; however, such decisions are subject to an
24 appeal to the house made by any 10 members. Pending an appeal, the
25 speaker shall call a member to the chair, who shall not have the
26 authority to entertain or decide any other matter or proposition
27 until the appeal has first been determined by the house. The

1 question on appeal is, "Shall the chair be sustained?"

2 (b) No member shall speak more than once on an appeal unless
3 given leave by a majority of the house. No motion shall be in order,
4 pending an appeal, except a motion to adjourn, a motion to lay on
5 the table, a motion for the previous question, or a motion for a
6 call of the house. Responses to parliamentary inquiries and
7 decisions of recognition made by the chair may not be appealed,
8 except as provided by Rule 5, Section 24.

9 (c) Further consideration of the matter or proposition that
10 is the subject of a question of order is prohibited until the
11 speaker decides the question of order and any appeal of that
12 decision has been determined by the house. Consideration of any
13 other matter or proposition is also prohibited while a question of
14 order is pending, unless the question of order is temporarily
15 withdrawn and the matter or proposition that is the subject of the
16 question of order is postponed. Withdrawal of the question of order
17 does not prevent any member from raising that question of order when
18 the matter or proposition is again before the house.

19 (d) A point of order raised as to a violation of a section of
20 the rules governing committee reports, committee minutes, or
21 accompanying documentation may be overruled if the purpose of that
22 section of the rules has been substantially fulfilled and the
23 violation does not deceive or mislead.

24 (e) When a question of order is pending before the house,
25 only the member who raised the question of order, and one other
26 member designated by that member, and the primary proponent of the
27 matter or proposition to which the question of order applies, and

1 one other member designated by the proponent, may present arguments
2 to the speaker or parliamentarian regarding the question of order.
3 This subsection does not limit any remarks that a member may make
4 before the full house if the member is recognized for that purpose.

5 Sec. 10. APPOINTMENT OF SPEAKER PRO TEMPORE AND TEMPORARY
6 CHAIR. (a) If the house is in session, the [The] speaker shall have
7 the right to name any member to perform the duties of the chair
8 related to presiding over the deliberations of the house. If the
9 house is not in session, the speaker may name a member who shall
10 call the house to order and preside during the speaker's absence
11 ~~[and may name a member to serve as speaker pro tempore]~~ by
12 delivering a written order to the chief clerk and a copy to the
13 journal clerk.

14 (b) The speaker may name a member to serve as permanent
15 speaker pro tempore by delivering a written order to the chief clerk
16 and a copy to the journal clerk.

17 (c) In [A permanent speaker pro tempore shall, in] the
18 absence or inability of the speaker, the member designated in the
19 speaker's written order under Subsection (a) of this section or the
20 permanent speaker pro tempore, in the absence of such a written
21 order, shall call the house to order and perform all other duties of
22 the chair in presiding over the deliberations of the house and
23 perform other duties and exercise other responsibilities related to
24 presiding over the deliberations of the house as may be assigned in
25 writing by the speaker. [If the house is not in session, and a
26 ~~permanent speaker pro tempore has not been named, or if the speaker~~
27 ~~pro tempore is not available or for any reason is not able to~~

1 ~~function, the speaker may deliver a written order to the chief~~
2 ~~clerk, with a copy to the journal clerk, naming the member who shall~~
3 ~~call the house to order and preside during the speaker's absence.]~~

4 (d) The speaker pro tempore shall serve at the pleasure of
5 the speaker. In the event of a vacancy in the office of speaker,
6 neither the member designated in the speaker's written order under
7 Subsection (a) of this section nor the speaker pro tempore [~~does~~
8 ~~not~~] assume the office of speaker. The authority of the member
9 designated in the speaker's written order under Subsection (a) of
10 this section and the speaker pro tempore to perform the duties and
11 exercise the responsibilities of the speaker is limited as provided
12 by this section.

13 Sec. 11. EMERGENCY ADJOURNMENT. In the event of an
14 emergency of such compelling nature that the speaker must adjourn
15 the house without fixing a date and hour of reconvening, the speaker
16 shall have authority to determine the date and hour of reconvening
17 and to notify the members of the house by any means the speaker
18 considers adequate. Should the speaker be disabled or otherwise
19 unable to exercise these emergency powers, the permanent speaker
20 pro tempore, if one has been named, shall have authority to act. If
21 there is no permanent speaker pro tempore, or if that officer is
22 unable to act, authority shall be exercised by the chair of the
23 Committee on State Affairs, who shall preside until the house can
24 proceed to the selection of a temporary presiding officer to
25 function until the speaker or the speaker pro tempore is again able
26 to exercise the duties and responsibilities of the office.

27 Sec. 12. POSTPONEMENT OF RECONVENING. When the house is

1 not in session, if the speaker determines that it would be a hazard
2 to the safety of the members, officers, employees, and others
3 attending the legislature to reconvene at the time determined by
4 the house at its last sitting, the speaker may clear the area of the
5 capitol under the control of the house and postpone the reconvening
6 of the house for a period of not more than 12 hours. On making that
7 determination, the speaker shall order the sergeant-at-arms to post
8 an assistant at each first floor entrance to the capitol and other
9 places and advise all persons entering of the determination and the
10 time set for the house to reconvene. The speaker shall also notify
11 the journal clerk and the news media of the action, and the action
12 shall be entered in the house journal.

13 Sec. 13. SIGNING BILLS AND RESOLUTIONS. All bills, joint
14 resolutions, and concurrent resolutions shall be signed by the
15 speaker in the presence of the house, as required by the
16 constitution; and all writs, warrants, and subpoenas issued by
17 order of the house shall be signed by the speaker and attested by
18 the chief clerk, or the person acting as chief clerk.

19 CHAPTER B. ADMINISTRATIVE DUTIES

20 Sec. 14. CONTROL OVER HALL OF THE HOUSE. The speaker shall
21 have general control, except as otherwise provided by law, of the
22 hall of the house, its lobbies, galleries, corridors, and passages,
23 and other rooms in those parts of the capitol assigned to the use of
24 the house; except that the hall of the house shall not be used for
25 any meeting other than legislative meetings during any regular or
26 special session of the legislature unless specifically authorized
27 by resolution.

1 Sec. 15. STANDING COMMITTEE APPOINTMENTS. (a) The
2 speaker shall designate the chair and vice-chair of each standing
3 substantive committee and shall also appoint membership of the
4 committee, subject to the provisions of Rule 4, Section 2.

5 (b) If members of equal seniority request the same
6 committee, the speaker shall decide which among them shall be
7 assigned to that committee.

8 (c) In announcing the membership of the standing
9 substantive committees, the speaker shall designate which are
10 appointees and which acquire membership by seniority.

11 (d) The speaker shall appoint the chair and vice-chair of
12 each standing procedural committee and permanent standing
13 subcommittee and the remaining membership of each such [~~the~~

15 (e) If a new speaker is elected to fill a vacancy in the
16 office after the appointment of standing committees, the new

19 (1) vacate the new speaker's membership on any
20 committee;

21 (2) make committee appointments for the member who was
22 removed as speaker;

23 (3) designate a different member of a standing

27 COMMITTEES. (a) The speaker shall appoint all conference

1 committees. The speaker shall name the chair of each conference
2 committee, and may also name the vice-chair thereof.

3 (b) The speaker may at any time by proclamation create a
4 select committee. The speaker shall name the chair and vice-chair
5 thereof. A select committee has the jurisdiction, authority, and
6 duties and exists for the period of time specified in the
7 proclamation. A select committee has the powers granted by these
8 rules to a standing committee except as limited by the
9 proclamation. A copy of each proclamation creating a select
10 committee shall be filed with the chief clerk.

11 Sec. 17. INTERIM STUDIES. When the legislature is not in
12 session, the speaker shall have the authority to direct committees
13 to make interim studies for such purposes as the speaker may
14 designate, and the committees shall meet as often as necessary to
15 transact effectively the business assigned to them. The speaker
16 shall provide to the chief clerk a copy of interim charges made to a
17 standing or select committee.

18 CHAPTER C. CAMPAIGNS FOR SPEAKER

19 Sec. 18. PLEDGES FOR SPEAKER PROHIBITED DURING REGULAR

1 RULE 4. ORGANIZATION, POWERS, AND DUTIES OF COMMITTEES

2 CHAPTER A. ORGANIZATION

3 Sec. 1. COMMITTEES, MEMBERSHIP, AND JURISDICTION. Standing
4 committees of the house, and the number of members and general
5 jurisdiction of each, shall be as enumerated in Rule 3.

6 Sec. 2. DETERMINATION OF MEMBERSHIP. (a) Membership on
7 the standing committees shall be determined at the beginning of
8 each regular session in the following manner:

9 (1) For each standing substantive committee, a maximum
10 of one-half of the membership, exclusive of the chair and
11 vice-chair, shall be determined by seniority. The remaining
12 membership of the committee shall be appointed by the speaker.

13 (2) Each member of the house, in order of seniority,
14 may designate three committees on which he or she desires to serve,
15 listed in order of preference. The member is entitled to become a
16 member of the committee of his or her highest preference on which
17 there remains a vacant seniority position.

18 (3) If members of equal seniority request the same
19 committee, the speaker shall appoint the member from among those
20 requesting that committee. Seniority, as the term is used in this
21 subsection, shall mean years of cumulative service as a member of
22 the house of representatives.

23 (4) After each member of the house has selected one
24 committee on the basis of seniority, the remaining membership on
25 each standing committee shall be filled by appointment of the
26 speaker, subject to the limitations imposed in this chapter.

27 (5) Seniority shall not apply to a procedural

1 committee or permanent standing subcommittee. For purposes of
2 these rules, the permanent standing subcommittees are those
3 designated by Rule 3 and the procedural committees are the
4 Committee on Calendars, the Committee on Local and Consent
5 Calendars, [~~the Committee on Resolutions Calendars,~~] the General
6 Investigating Committee, the Committee on House Administration,
7 and the Committee on Redistricting. The entire membership of these
8 committees shall be appointed by the speaker.

9 (6) In announcing the membership of committees, the
10 speaker shall designate those appointed by the speaker and those
11 acquiring membership by seniority.

12 (7) The speaker shall designate the chair and
13 vice-chair from the total membership of the committee, subject to
14 the membership restrictions contained in this rule.

15 (b) In the event of a vacancy in a representative district
16 that has not been filled at the time of the determination of the
17 membership of standing committees, the representative of the
18 district who fills that vacancy shall not be entitled to select a
19 committee on the basis of seniority. Committee appointments on
20 behalf of that district shall be designated by the district number.

21 (c) In the event that a member-elect of the current
22 legislature has not taken the oath of office by the end of the ninth
23 day of the regular session, the representative of that district
24 shall not be entitled to select a committee on the basis of
25 seniority. If the member-elect has not taken the oath of office by
26 the time committee appointments are announced, committee
27 appointments on behalf of that district shall be designated by

1 district number.

2 Sec. 3. RANKING OF COMMITTEE MEMBERS. Except for the chair
3 and vice-chair, members of a standing committee shall rank
4 according to their seniority.

5 Sec. 4. MEMBERSHIP RESTRICTIONS. (a) No member shall serve
6 concurrently on more than two standing substantive committees.

7 (b) A member serving as chair of the Committee on
8 Appropriations, the Committee on State Affairs, or the Committee on
9 Ways and Means may not serve on any other substantive committee.

10 ~~[(c) A permanent speaker pro tempore appointed under Rule 1,
11 Section 10, may not serve on more than one substantive committee or
12 as chair of a standing committee.]~~

13 Sec. 4A. ADDITIONAL RESTRICTIONS. If, at the time the
14 speaker announces the membership of standing committees, the
15 members of the house of one political party constitute a majority of
16 the membership of the house, the speaker shall designate a member of
17 that party to serve as chair of each standing committee. The
18 speaker shall not designate a member of that party to serve as
19 vice-chair of a standing committee.

20 Sec. 5. VACANCIES ON COMMITTEES. Should a vacancy occur on
21 a standing, select, or interim committee subsequent to its
22 organization, the speaker shall appoint an eligible member to fill
23 the vacancy.

24 Sec. 6. DUTIES OF THE CHAIR. The chair of each committee
25 shall:

26 (1) be responsible for the effective conduct of the
27 business of the committee;

1 (2) appoint all subcommittees, other than a permanent
2 standing subcommittee, and determine the number of members to serve
3 on each subcommittee, other than a permanent standing subcommittee;

4 (3) in consultation with members of the committee,
5 schedule the work of the committee and determine the order in which
6 the committee shall consider and act on bills, resolutions, and
7 other matters referred to the committee;

8 (4) have authority to employ and discharge the staff
9 and employees authorized for the committee and have supervision and
10 control over all the staff and employees;

11 (5) direct the preparation of all committee reports.
12 No committee report shall be official until signed by the chair of
13 the committee, or by the person acting as chair, or by a majority of
14 the membership of the committee;

15 (6) determine the necessity for public hearings,
16 schedule hearings, and be responsible for directing the posting of
17 notice of hearings as required by the rules;

18 (7) preside at all meetings of the committee and
19 control its deliberations and activities in accordance with
20 acceptable parliamentary procedure; and

21 (8) have authority to direct the sergeant-at-arms to
22 assist, where necessary, in enforcing the will of the committee.

23 Sec. 6A. ADDITIONAL DUTIES OF THE CHAIR; RESPONSIBILITIES
24 OF THE VICE-CHAIR. (a) The chair of each committee shall schedule
25 the work of the committee and determine the order of consideration
26 of measures and matters referred to the committee in direct
27 consultation with the vice-chair of the committee. The chair shall

1 arrange to ensure that:

2 (1) witnesses designated by the vice-chair are invited
3 to testify at a public hearing, including in the manner described by
4 Section 20(g) of this rule; and

5 (2) measures or matters designated by the vice-chair
6 are promptly scheduled for a public hearing under this rule.

7 (b) The vice-chair of a committee may direct the preparation
8 of an impact statement on any measure in the same manner in which a
9 chair directs the preparation of those statements under Section 34
10 of this rule.

11 Sec. 7. BILL ANALYSES. Except for the general
12 appropriations bill, for each bill or joint resolution referred to
13 the committee, the staff of the committee shall be responsible for
14 distributing a copy of a bill analysis to each member of the
15 committee and the author of a house measure at the earliest possible
16 opportunity but not later than the first time the measure is laid
17 out in a committee meeting.

18 CHAPTER B. PROCEDURE

19 Sec. 8. MEETINGS. (a) As soon as practicable after
20 standing committees are constituted and organized, the committee
21 coordinator, under the direction of the Committee on House
22 Administration, shall prepare a schedule for regular meetings of
23 all standing committees and permanent standing subcommittees. This
24 schedule shall be published in the house journal and posted in a
25 convenient and conspicuous place near the entrance to the house and
26 on other posting boards for committee meeting notices, as
27 determined necessary by the Committee on House Administration. To

1 the extent practicable during each regular session, standing
2 committees and permanent standing subcommittees shall conduct
3 regular committee meetings in accordance with the schedule of
4 meetings prepared by the committee coordinator under the
5 supervision of the Committee on House Administration.

6 (b) Standing committees shall meet at other times as may be
7 determined by the committee, or as may be called by the chair.
8 Permanent standing subcommittees shall meet at other times as may
9 be determined by the subcommittee, or as may be called by the
10 subcommittee chair. Other subcommittees [~~Subcommittees~~] of
11 standing committees shall [~~likewise~~] meet at other times as may be
12 determined by the committee, or as may be called by the chair of the
13 committee or subcommittee.

14 (c) Committees and permanent standing subcommittees shall
15 also meet in such places and at such times as the speaker may
16 designate.

17 Sec. 9. MEETING WHILE HOUSE IN SESSION. No standing
18 committee or subcommittee shall meet during the time the house is in
19 session without permission being given by a majority vote of the
20 house. No standing committee or subcommittee shall conduct its
21 meeting on the floor of the house or in the house chamber while the
22 house is in session, but shall, if given permission to meet while
23 the house is in session, retire to a designated committee room for
24 the conduct of its meeting.

25 Sec. 10. PURPOSES FOR MEETING. A committee or a
26 subcommittee may be assembled for:

27 (1) a public hearing where testimony is to be heard,

1 and where official action may be taken, on bills, resolutions, or
2 other matters;

3 (2) a formal meeting where the committee may discuss
4 and take official action on bills, resolutions, or other matters
5 without testimony; and

6 (3) a work session where the committee may discuss
7 bills, resolutions, or other matters but take no formal action.

8 Sec. 11. POSTING NOTICE. (a) No committee or
9 subcommittee, including a calendars committee, shall assemble for
10 the purpose of a public hearing during a regular session unless
11 notice of the hearing has been posted in accordance with the rules
12 at least five calendar days in advance of the hearing. No committee
13 or subcommittee, including a calendars committee, shall assemble
14 for the purpose of a public hearing during a special session unless
15 notice of the hearing has been posted in accordance with the rules
16 at least 24 hours in advance of the hearing. The committee minutes
17 shall reflect the date of each posting of notice. Notice shall not
18 be required for a public hearing or a formal meeting on a senate
19 bill which is substantially the same as a house bill that has
20 previously been the subject of a duly posted public hearing by the
21 committee.

22 (b) No committee or subcommittee, including a calendars
23 committee, shall assemble for the purpose of a formal meeting or
24 work session during a regular or special session unless written
25 notice has been posted and transmitted to each member of the
26 committee two hours in advance of the meeting or an announcement has
27 been filed with the journal clerk and read by the reading clerk

1 while the house is in session.

2 (c) All committees meeting during the interim for the
3 purpose of a formal meeting, work session, or public hearing shall
4 post notice in accordance with the rules and notify members of the
5 committee at least five calendar days in advance of the meeting.

6 Sec. 12. MEETINGS OPEN TO THE PUBLIC. All meetings of a
7 committee or subcommittee, including a calendars committee, shall
8 be open to other members, the press, and the public unless
9 specifically provided otherwise by resolution adopted by the house.
10 However, the General Investigating Committee or a committee
11 considering an impeachment, an address, the punishment of a member
12 of the house, or any other matter of a quasi-judicial nature may
13 meet in executive session for the limited purpose of examining a
14 witness or deliberating, considering, or debating a decision, but
15 no decision may be made or voted on except in a meeting that is open
16 to the public and otherwise in compliance with the rules of the
17 house.

18 Sec. 13. RULES GOVERNING OPERATIONS. (a) The Rules of
19 Procedure of the House of Representatives, and to the extent
20 applicable, the rules of evidence and procedure in the civil courts
21 of Texas, shall govern the hearings and operations of each
22 committee, including a calendars committee. Subject to the
23 foregoing, and to the extent necessary for orderly transaction of
24 business, each committee may promulgate and adopt additional rules
25 and procedures by which it will function. A copy of the rules and
26 procedures adopted by a committee must be filed with the chief
27 clerk. If the house is convened in a regular or special session, a

1 copy of the rules and procedures shall also be delivered to the
2 journal clerk and printed in the journal.

3 (b) No standing committee, including a calendars committee,
4 or any subcommittee, shall adopt any rule of procedure, including
5 but not limited to an automatic subcommittee rule, which will have
6 the effect of thwarting the will of the majority of the committee or
7 subcommittee or denying the committee or subcommittee the right to
8 ultimately dispose of any pending matter by action of a majority of
9 the committee or subcommittee. A bill or resolution may not be laid
10 on the table subject to call in committee without a majority vote of
11 the committee.

12 (c) Each committee of the house shall have authority to
13 determine whether or not to permit television, radio, or Internet
14 broadcasts, other than official house broadcasts, of any of its
15 proceedings.

16 Sec. 14. APPEALS FROM RULINGS OF THE CHAIR. Appeals from
17 rulings of the chair of a committee shall be in order if seconded by
18 three members of the committee, which may include the member making
19 the appeal. Procedure in committee following an appeal which has
20 been seconded shall be the same as the procedure followed in the
21 house in a similar situation.

22 Sec. 15. PREVIOUS QUESTION. Before the previous question
23 can be ordered in a committee, the motion therefor must be seconded
24 by not less than 4 members of a committee consisting of 21 or more
25 members, 3 members of a committee consisting of less than 21 members
26 and more than 10 members, or 2 members of a committee consisting of
27 10 members or less. If the motion is properly seconded and ordered

1 by a majority vote of the committee, further debate on the
2 proposition under consideration shall be terminated, and the
3 proposition shall be immediately put to a vote of the committee for
4 its action.

5 Sec. 16. QUORUM. A majority of a committee shall
6 constitute a quorum. No action or recommendation of a committee
7 shall be valid unless taken at a meeting of the committee with a
8 quorum actually present, and the committee minutes shall reflect
9 the names of those members of the committee who were actually
10 present. No committee report shall be made to the house nor shall
11 bills or resolutions be placed on a calendar unless ordered by a
12 majority of the membership of the committee, except as otherwise
13 provided in the rules, and a quorum of the committee must be present
14 when the vote is taken on reporting a bill or resolution, on placing
15 bills or resolutions on a calendar, or on taking any other formal
16 action within the authority of the committee. No committee report
17 shall be made nor shall bills or resolutions be placed on a calendar
18 except by record vote of the members of the committee, with the yeas
19 and nays to be recorded in the minutes of the committee. Proxies
20 cannot be used in committees.

21 Sec. 17. MOVING A CALL OF A COMMITTEE. (a) It shall be in
22 order to move a call of a committee at any time to secure and
23 maintain a quorum for any one or more of the following purposes:

24 (1) for the consideration of a specific bill,
25 resolution, or other matter;

26 (2) for a definite period of time; or

27 (3) for the consideration of any designated class of

1 bills or other matters.

2 (b) When a call of a committee is moved for one or more of
3 the foregoing purposes and seconded by two members, one of whom may
4 be the chair, and is ordered by a majority of the members present,
5 no member shall thereafter be permitted to leave the committee
6 meeting without written permission from the chair. After the call
7 is ordered, and in the absence of a quorum, the chair shall have the
8 authority to authorize the sergeant-at-arms to locate absent
9 members of the committee and to compel their attendance for the
10 duration of the call.

11 Sec. 18. MINUTES OF PROCEEDINGS. (a) For each committee,
12 including a calendars committee, the chair, or the member acting as
13 chair, shall keep complete minutes of the proceedings in committee,
14 which shall include:

15 (1) the time and place of each meeting of the
16 committee;

17 (2) a roll call to determine the members present at
18 each meeting of the committee, whether that meeting follows an
19 adjournment or a recess from a previous committee meeting;

20 (3) an accurate record of all votes taken, including a
21 listing of the yeas and nays cast on a record vote;

22 (4) the date of posting of notice of the meeting; and

23 (5) other information that the chair shall determine.

24 (b) The minutes for each public hearing of a committee shall
25 also include an attachment listing the names of the persons, other
26 than members of the legislature, and the persons or entities
27 represented by those persons, who were recognized by the chair to

1 address the committee. The attachment shall also list the name of
2 each person, other than a member of the legislature, who submitted
3 to the committee a sworn statement indicating that the person was
4 present in favor of, in opposition to, or without taking a position
5 on the measure or other matter, but who because of the person's
6 departure or other reason was not recognized by the chair to address
7 the committee; provided that the omission of the name of such a
8 person is not subject to a point of order.

9 (c) Committee minutes shall be corrected only at the
10 direction of the chair as authorized by a majority vote of the
11 committee. Duplicate originals of committee minutes shall be
12 maintained, one to remain with the committee chair and the other to
13 be filed with the committee coordinator. The committee minutes of a
14 meeting of the Appropriations Committee on the general
15 appropriations bill must be filed with the committee coordinator
16 within five days of the committee meeting. All other committee
17 minutes must be filed with the committee coordinator within three
18 days of the committee meeting for a substantive committee or the
19 Committee on Redistricting, and within one day of the committee
20 meeting for a procedural committee other than the Committee on
21 Redistricting. If the date on which the committee minutes are due
22 occurs on a Saturday, Sunday, or holiday on which the house is not
23 in session, the committee minutes shall be filed on the following
24 working day. The time at which the minutes are filed shall be
25 time-stamped on the duplicate originals of the minutes that are
26 filed with the committee coordinator. The duplicate originals
27 shall be available at all reasonable business hours for inspection

1 by members or the public.

2 (d) The committee coordinator shall maintain the minutes
3 and records safe from loss, destruction, and alteration at all
4 times, and may, at any time, turn them, or any portion, over to the
5 Committee on House Administration.

6 Sec. 18A. INTERNET ACCESS TO COMMITTEE DOCUMENTS. (a) The
7 committee coordinator shall establish procedures for making
8 available to the public on the Internet documents relating to the
9 proceedings of substantive committees.

10 (b) A substantive committee shall make available to the
11 public on the Internet:

12 (1) any committee substitute or amendment laid before
13 the committee; and

14 (2) any nonconfidential written testimony submitted
15 by a state agency for consideration by the committee that relates to
16 a measure referred to the committee.

17 (c) A committee's failure to comply with this section is not
18 subject to a point of order.

19 Sec. 19. RECORDING OF TESTIMONY. All testimony before
20 committees and subcommittees shall be electronically recorded
21 under the direction of the Committee on House Administration.
22 Copies of the testimony may be released under guidelines
23 promulgated by the Committee on House Administration.

24 Sec. 19A. RECORDING OF APPROPRIATIONS MEETINGS. (a) The
25 Committee on House Administration shall ensure that an audio and
26 video recording of any public hearing, formal meeting, or work
27 session of the Committee on Appropriations or a subcommittee of the

1 Committee on Appropriations is made available to the public on the
2 Internet in a timely manner.

3 (b) To the extent that current technological capabilities
4 prohibit immediate implementation of this section, the Committee on
5 House Administration shall use the committee's best efforts to
6 conform to the requirements of this section as soon as practicable.

7 Sec. 20. SWORN STATEMENT OF WITNESSES. (a) The committee
8 coordinator, under the direction of the Committee on House
9 Administration, shall prescribe the form of a sworn statement,
10 which may be in electronic or paper format, to be executed by all
11 persons, other than members, who wish to be recognized by the chair
12 to address the committee. The statement shall provide for showing
13 at least:

14 (1) the committee or subcommittee;

15 (2) the name, address, and telephone number of the
16 person appearing;

17 (3) the person, firm, corporation, class, or group
18 represented;

19 (4) the type of business, profession, or occupation in
20 which the person is engaged, if the person is representing himself
21 or herself; and

22 (5) the matter before the committee on which the
23 person wishes to be recognized to address the committee and whether
24 for, against, or neutral on the matter.

25 (b) No person shall be recognized by the chair to address
26 the committee in favor of, in opposition to, or without taking a
27 position on a matter until the sworn statement has been filed with

1 the chair of the committee. The chair of the committee shall
2 indicate whether the person completing the statement was recognized
3 to address the committee.

4 (c) Sworn statements submitted in paper format for those
5 persons recognized by the chair to address the committee shall
6 accompany the copy of the minutes of the meeting filed with the
7 committee coordinator.

8 (d) All persons, other than members, recognized by the chair
9 to address the committee shall give their testimony under oath, and
10 each committee may avail itself of additional powers and
11 prerogatives authorized by law.

12 (e) The committee shall ensure that an individual who is
13 blind receives any necessary assistance in executing the sworn
14 statement.

15 (f) The committee shall inform a witness who is blind which
16 members of the committee are present when the witness begins to
17 testify and shall inform the witness during the testimony of the
18 departure and arrival of committee members.

19 (g) The chair may recognize a witness who has been invited
20 by the committee to attend the meeting but is not present in the
21 same physical location as the committee to testify before the
22 committee through an Internet or other videoconferencing system if:

23 (1) the witness has executed a sworn statement, in
24 electronic or paper format, under this section;

25 (2) the witness has filed the statement or a copy of
26 the statement with the chair before testifying; and

27 (3) two-way communication has been enabled to allow

1 the witness to be clearly visible and audible to the committee
2 members and the committee members to be clearly visible and audible
3 to the witness.

4 (h) A person who serves as a translator, including an
5 interpreter, for a witness before a committee must execute a form
6 prescribed by the committee coordinator, under the direction of the
7 Committee on House Administration. The form must at least include
8 the name of the translator and the name of the witness whom the
9 translator is serving.

10 Sec. 21. POWER TO ISSUE PROCESS AND SUMMON WITNESSES. (a)
11 By a record vote of not less than two-thirds of those present and
12 voting, a quorum being present, each standing committee shall have
13 the power and authority to issue process to witnesses at any place
14 in the State of Texas, to compel their attendance, and to compel the
15 production of all books, records, and instruments. If necessary to
16 obtain compliance with subpoenas or other process, the committee
17 shall have the power to issue writs of attachment. All process
18 issued by the committee may be addressed to and served by an agent
19 of the committee or a sergeant-at-arms appointed by the committee
20 or by any peace officer of the State of Texas. The committee shall
21 also have the power to cite and have prosecuted for contempt, in the
22 manner provided by law, anyone disobeying the subpoenas or other
23 process lawfully issued by the committee. The chair of the
24 committee shall issue, in the name of the committee, the subpoenas
25 and other process as the committee may direct.

26 (b) The chair may summon the governing board or other
27 representatives of a state agency to appear and testify before the

1 committee without issuing process under Subsection (a) of this
2 section. The summons may be communicated in writing, orally, or
3 electronically. If the persons summoned fail or refuse to appear,
4 the committee may issue process under Subsection (a) of this
5 section.

6 Sec. 22. MILEAGE AND PER DIEM FOR WITNESSES. Subject to
7 prior approval by the Committee on House Administration, witnesses
8 attending proceedings of any committee under process of the
9 committee shall be allowed the same mileage and per diem as are
10 allowed members of the committee when in a travel status, to be paid
11 out of the contingent expense fund of the house of representatives
12 on vouchers approved by the chair of the committee, the chair of the
13 Committee on House Administration, and the speaker of the house.

14 Sec. 23. POWER TO REQUEST ASSISTANCE OF STATE AGENCIES.
15 Each committee is authorized to request the assistance, when
16 needed, of all state departments, agencies, and offices, and it
17 shall be the duty of the departments, agencies, and offices to
18 assist the committee when requested to do so. Each committee shall
19 have the power and authority to inspect the records, documents, and
20 files of every state department, agency, and office, to the extent
21 necessary to the discharge of its duties within the area of its
22 jurisdiction.

23 Sec. 23A. ASSISTANCE OF OTHER MEMBERS OF LEGISLATURE. At a
24 meeting of a committee, the chair may recognize a member of the
25 house who is not a member of the committee to provide information to
26 the committee, and may recognize a member of the senate for that
27 purpose. Recognition is solely within the discretion of the chair

1 and is not subject to appeal by that member.

2 CHAPTER C. COMMITTEE FUNCTIONS

3 Sec. 24. INTERIM STUDIES AND HEARINGS. (a) Standing
4 committees, en banc or by subcommittees, and permanent standing
5 subcommittees are hereby authorized to conduct studies that are
6 authorized by the speaker pursuant to Rule 1, Section 17. Studies
7 may not be authorized by resolution. The speaker may appoint public
8 citizens and officials of state and local governments to standing
9 committees to augment the membership for the purpose of interim
10 studies and shall provide a list of such appointments to the chief
11 clerk. The chair of the standing committee shall have authority to
12 name the subcommittees necessary and desirable for the conduct of
13 the interim studies authorized to be conducted by the committee and
14 shall also prepare a budget for interim studies for approval by the
15 Committee on House Administration.

16 (b) The Committee on Appropriations shall hold one or more
17 public hearings to examine the requests for legislative
18 appropriations submitted by each major state agency and institution
19 of higher education under Section 322.007, Government Code, and any
20 other law, to the Legislative Budget Board following sine die
21 adjournment of the regular session. The committee may require the
22 head or any employee of an agency or institution submitting a
23 request to appear at a public hearing and present information about
24 the request. A subcommittee may perform the committee's duties
25 under this subsection as determined by the chair of the committee.
26 As used in this subsection, "major state agency" means an agency for
27 which the most recent general appropriations act made an

1 appropriation in the amount of \$40 million or more.

2 Sec. 25. MOTION PREVENTING REPORTING OR PLACEMENT ON A
3 CALENDAR. No motion is in order in a committee considering a bill,
4 resolution, or other matter that would prevent the committee from
5 reporting it back to the house or placing it on a calendar in
6 accordance with the Rules of the House.

7 Sec. 26. FINAL ACTION IN FORM OF REPORT. No action by a
8 committee on bills or resolutions referred to it shall be
9 considered as final unless it is in the form of a favorable report,
10 an unfavorable report, or a report of inability to recommend a
11 course of action.

12 Sec. 27. VOTE ON MOTION TO REPORT. Motions made in
13 committee to report favorably or unfavorably must receive
14 affirmative majority votes, majority negative votes to either
15 motion being insufficient to report. If a committee is unable to
16 agree on a recommendation for action, as in the case of a tie vote,
17 it should submit a statement of this fact as its report, and the
18 house shall decide, by a majority vote, the disposition of the
19 matter by one of the following alternatives:

20 (1) leave the bill in the committee for further
21 consideration;

22 (2) refer the bill to some other committee; or

23 (3) order the bill printed, in which case the bill
24 shall go to the Committee on Calendars for placement on a calendar
25 and for proposal of an appropriate rule for house consideration.

26 Sec. 28. MINORITY REPORTS. The report of a minority of a
27 committee shall be made in the same general form as a majority

1 report. No minority report shall be recognized by the house unless
2 it has been signed by not less than 4 members of a committee
3 consisting of 21 or more members, 3 members of a committee
4 consisting of less than 21 members and more than 10 members, or 2
5 members of a committee consisting of 10 or less members. Only
6 members who were present when the vote was taken on the bill,
7 resolution, or other matter being reported, and who voted on the
8 losing side, may sign a minority report. Notice of intention to
9 file a minority report shall be given to the assembled committee
10 after the vote on the bill, resolution, or other matter, and before
11 the recess or adjournment of the committee, provided ample
12 opportunity is afforded for the giving of notice; otherwise, notice
13 may be given in writing to the chief clerk within 24 hours after the
14 recess or adjournment of the committee.

15 Sec. 29. ACTION ON BILLS REPORTED UNFAVORABLY. If the
16 majority report on a bill is unfavorable, and a favorable minority
17 report is not signed in accordance with Section 28 of this rule and
18 filed with the chief clerk within two calendar days, exclusive of
19 Sunday and the date of committee action, the chief clerk shall file
20 the bill away as dead; except during the last 15 calendar days of a
21 regular session, or the last 7 calendar days of a special session,
22 when the chief clerk shall hold a bill only one calendar day,
23 exclusive of Sunday and the date of committee action, awaiting the
24 filing of a minority report before the bill is filed away as dead.
25 If the favorable minority report is properly signed and filed, the
26 chief clerk shall hold the bill for five legislative days,
27 exclusive of the legislative day in which the minority report was

1 filed, awaiting adoption by the house of a motion to print the bill
2 on minority report. If the motion to print is carried, the bill
3 shall be printed as if it had been reported favorably, and shall
4 then be immediately forwarded to the Committee on Calendars for
5 placement on a calendar and for proposal of an appropriate rule for
6 house consideration. If a motion to print a bill on minority report
7 is not made within the five legislative days authorized above, the
8 chief clerk shall file the bill away as dead. It shall not be in
9 order to move to recommit a bill adversely reported with no minority
10 report, except as provided in Section 30 of this rule. A two-thirds
11 vote of the house shall be required to print on minority report a
12 joint resolution proposing an amendment to the Constitution of
13 Texas.

14 Sec. 30. MAKING ADVERSE REPORTS WITHOUT HEARING THE
15 AUTHOR. No adverse report shall be made on any bill or resolution
16 by any committee without first giving the author or sponsor of the
17 bill an opportunity to be heard. If it becomes evident to the house
18 that a bill has been reported adversely without the author or
19 sponsor having had an opportunity to be heard as provided in this
20 section, the house may, by a majority vote, order the bill
21 recommitted even though no minority report was filed in the manner
22 prescribed by the rules. This provision shall have precedence over
23 Rule 7, Section 20.

24 Sec. 31. ADVERSE REPORTS ON LOCAL BILLS. If a local bill is
25 reported adversely, it shall be subject to the same rules that
26 govern other bills reported adversely.

27 Sec. 32. FORM OF REPORTS. (a) Reports of standing

1 committees on bills and resolutions shall be made in duplicate,
2 with one copy to be filed with the journal clerk for printing in the
3 journal and the other to accompany the original bill.

4 (b) All committee reports must be in writing and shall:

5 (1) be signed by the chair, or the member acting as
6 chair, or a majority of the membership of the committee;

7 (2) be addressed to the speaker;

8 (3) contain a statement of the recommendations of the
9 committee with reference to the matter which is the subject of the
10 report;

11 (4) contain the date the committee made its
12 recommendation;

13 (5) indicate whether a copy of a bill or resolution was
14 forwarded to the Legislative Budget Board for preparation of a
15 fiscal note or other impact statement, if applicable;

16 (6) contain the record vote by which the report was
17 adopted, including the vote of each member of the committee;

18 (7) contain the recommendation that the bill or
19 resolution be sent to the Committee on Local and Consent Calendars
20 for placement on the local, consent, and resolutions calendar if
21 applicable;

22 (8) state the name of the primary house sponsor of all
23 senate bills and resolutions and indicate the names of all joint
24 sponsors or cosponsors;

25 (9) include a summary of the committee hearing on the
26 bill or resolution;

27 (10) include a list of the names of the persons, other

1 than members of the legislature, and persons or entities
2 represented by those persons, who submitted to the committee sworn
3 statements indicating that the persons were present in favor of, in
4 opposition to, or without taking a position on the bill or
5 resolution. The omission from the list of the name of a person who
6 submitted a sworn statement regarding a bill or resolution but who
7 was not recognized by the chair to address the committee is not
8 subject to a point of order;

9 (11) for a joint resolution proposing a constitutional
10 amendment, include the bill number of any enabling legislation for
11 the constitutional amendment designated as such by the author or
12 sponsor of the joint resolution;

13 (12) for a bill that is designated by the author or
14 sponsor of the bill as enabling legislation for a constitutional
15 amendment proposed by a joint resolution, include the number of the
16 joint resolution; and

17 (13) contain a copy of each form executed by a
18 translator for a witness as required by Section 20(h) of this rule.

19 (c) Except for the general appropriations bill, each
20 committee report on a bill or joint resolution, including a
21 complete committee substitute, and, to the extent considered
22 necessary by the committee, a committee report on any other
23 resolution, must include in summary or section-by-section form a
24 detailed analysis of the subject matter of the bill or resolution,
25 specifically including:

26 (1) background information on the proposal and
27 information on what the bill or resolution proposes to do;

1 (2) an analysis of the content of the bill or
2 resolution, including a separate statement that lists each statute
3 or constitutional provision that is expressly repealed by the bill
4 or resolution;

5 (3) a statement indicating whether or not any
6 rulemaking authority is expressly delegated to a state officer,
7 department, agency, or institution, and, if so, identifying the
8 sections of the measure in which that rulemaking authority is
9 delegated;

10 (4) a statement indicating whether or not the bill or
11 resolution expressly creates a criminal offense, expressly
12 increases the punishment for an existing criminal offense or
13 category of offenses, or expressly changes the eligibility of a
14 person for community supervision, parole, or mandatory
15 supervision;

16 (5) a statement of substantial differences between a
17 complete committee substitute and the original bill; and

18 (6) a brief explanation of each amendment adopted by
19 the committee.

20 (d) The committee to which the bill or resolution is
21 referred may request the Texas Legislative Council to prepare the
22 analysis required by Subsection (c) of this section.

23 (e) A committee chair shall provide to the author of a house
24 measure a copy of the analysis required by Subsection (c) of this
25 section as soon as the analysis is complete.

26 (f) The author of a bill or resolution may request that an
27 analysis prepared for purposes of this section include a statement

1 written by the author that includes any additional information that
2 the author considers appropriate.

3 (g) It shall be the duty of the committee chair, on all
4 matters reported by the committee, to see that all provisions of
5 Rule 12 are satisfied. The chair shall strictly construe this
6 provision to achieve the desired purposes.

7 Sec. 33. FISCAL NOTES. (a) If the chair of a standing
8 committee determines that a bill or joint resolution, other than
9 the general appropriations bill, authorizes or requires the
10 expenditure or diversion of state funds for any purpose, the chair
11 shall send a copy of the measure to the Legislative Budget Board for
12 the preparation of a fiscal note outlining the fiscal implications
13 and probable cost of the measure.

14 (b) If the chair of a standing committee determines that a
15 bill or joint resolution has statewide impact on units of local
16 government of the same type or class and authorizes or requires the
17 expenditure or diversion of local funds, or creates or impacts a
18 local tax, fee, license charge, or penalty, the chair shall send a
19 copy of the measure to the Legislative Budget Board for the
20 preparation of a fiscal note outlining the fiscal implications and
21 probable cost of the measure.

22 (c) In preparing a fiscal note, the director of the
23 Legislative Budget Board may utilize information or data supplied
24 by any person, agency, organization, or governmental unit that the
25 director deems reliable. If the director determines that the fiscal
26 implications of the measure cannot be ascertained, the director
27 shall so state in the fiscal note, shall when reasonably

1 ascertainable provide an estimated range of the fiscal
2 implications, and shall include in the note a statement of the
3 reasons the director is unable to ascertain the fiscal implications
4 of the measure, in which case the fiscal note shall be in full
5 compliance with the rules. If the director of the Legislative
6 Budget Board is unable to acquire or develop sufficient information
7 to prepare the fiscal note within 15 days of receiving the measure
8 from the chair of a committee, the director shall so state in the
9 fiscal note, shall when reasonably ascertainable provide an
10 estimated range of the fiscal implications, and shall include in
11 the note a statement of the reasons the director is unable to
12 acquire or develop sufficient information, in which case the note
13 shall be in full compliance with the rules.

14 (d) If the chair determines that a fiscal note is required,
15 copies of the fiscal note must be distributed to the members of the
16 committee not later than the first time the measure is laid out in a
17 committee meeting. The fiscal note shall be attached to the measure
18 on first printing. If the measure is amended by the committee so as
19 to alter its fiscal implications, the chair shall obtain an updated
20 fiscal note, which shall also be attached to the measure on first
21 printing.

22 (e) All fiscal notes shall remain with the measure
23 throughout the entire legislative process, including submission to
24 the governor.

25 (f) All fiscal notes must include in the summary box on the
26 first page of the fiscal note a statement that indicates whether the
27 bill or joint resolution will have fiscal implications or probable

1 costs in any year.

2 Sec. 34. OTHER IMPACT STATEMENTS. (a) It is the intent of
3 this section that all members of the house are timely informed as to
4 the impact of proposed legislation on the state or other unit of
5 government.

6 (a-1) The chair of the appropriations committee shall send a
7 copy of the general appropriations bill to the Legislative Budget
8 Board for the preparation of a dynamic economic impact statement,
9 specifically including the number of state employees to be affected
10 and the estimated impact on employment by the private sector and
11 local governments in Texas as a result of any change in state
12 expenditures made by the bill as compared to the biennium preceding
13 the biennium to which the bill applies.

14 (b) If the chair of a standing committee determines that a
15 bill or joint resolution:

16 (1) authorizes or requires a change in the sanctions
17 applicable to adults convicted of felony crimes, the chair shall
18 send a copy of the measure to the Legislative Budget Board for the
19 preparation of a criminal justice policy impact statement;

20 (2) authorizes or requires a change in the public
21 school finance system, the chair shall send a copy of the measure to
22 the Legislative Budget Board for the preparation of an equalized
23 education funding impact statement;

24 (3) proposes to change benefits or participation in
25 benefits of a public retirement system or change the financial
26 obligations of a public retirement system, the chair shall send a
27 copy of the measure to the Legislative Budget Board for the

1 preparation of an actuarial impact statement in cooperation with
2 the State Pension Review Board;

3 (4) proposes to create a water district under the
4 authority of Article XVI, Section 59, of the Texas Constitution,
5 the chair shall send a copy of the measure to the Legislative Budget
6 Board for the preparation of a water development policy impact
7 statement; or

8 (5) creates or impacts a state tax or fee, the chair
9 shall send a copy of the measure to the Legislative Budget Board for
10 the preparation of a tax equity note that estimates the general
11 effects of the proposal on the distribution of tax and fee burdens
12 among individuals and businesses.

13 (c) In preparing an impact statement, the director of the
14 Legislative Budget Board may utilize information or data supplied
15 by any person, agency, organization, or governmental unit that the
16 director deems reliable. If the director determines that the
17 particular implications of the measure cannot be ascertained, the
18 director shall so state in the impact statement, in which case the
19 impact statement shall be in full compliance with the rules.

20 (d) An impact statement is not required to be present before
21 a measure is laid out in a committee meeting. If timely received,
22 the impact statement shall be attached to the measure on first
23 printing. If the measure is amended by the committee so as to alter
24 its particular implications, the chair shall obtain an updated
25 impact statement. If timely received, the updated impact statement
26 shall also be attached to the measure on first printing.

27 (e) An impact statement that is received after the first

1 printing of a measure has been distributed to the members shall be
2 forwarded by the chair of the committee to the committee
3 coordinator. The committee coordinator shall have the impact
4 statement printed and distributed to the members.

5 (f) All impact statements received shall remain with the
6 measure throughout the entire legislative process, including
7 submission to the governor.

8 Sec. 35. REPORTS ON HOUSE AND CONCURRENT
9 RESOLUTIONS. Committee reports on house and concurrent
10 resolutions shall be made in the same manner and shall follow the
11 same procedure as provided for bills, subject to any differences
12 otherwise authorized or directed by the rules.

13 Sec. 36. ACTION BY HOUSE ON REPORTS NOT REQUIRED. No
14 action by the house is necessary on the report of a standing
15 committee. The bill, resolution, or proposition recommended or
16 reported by the committee shall automatically be before the house
17 for its consideration after the bill or resolution has been
18 referred to the appropriate calendars committee for placement on a
19 calendar and for proposal of an appropriate rule for house
20 consideration.

21 Sec. 37. REFERRAL OF REPORTS TO COMMITTEE COORDINATOR. All
22 committee reports on bills or resolutions shall be immediately
23 referred to the committee coordinator. The chair of the committee
24 shall be responsible for delivery of the report to the committee
25 coordinator.

26 Sec. 38. DELIVERY OF REPORTS TO CALENDARS
27 COMMITTEES. After printing, the chief clerk shall be responsible

1 for delivery of a certified copy of the committee report to the
2 appropriate calendars committee, which committee shall immediately
3 accept the bill or resolution for placement on a calendar and for
4 the proposal of an appropriate rule for house consideration.

5 Sec. 38A. NOTIFICATION OF SUNSET BILLS. The chief clerk
6 shall provide notice to each member at the member's designated
7 Capitol e-mail address when a committee report under Section 38 of
8 this rule on a bill extending an agency, commission, or advisory
9 committee under the Texas Sunset Act has been printed or posted and
10 is available to be distributed to the appropriate calendars
11 committee.

12 Sec. 39. COMMITTEE AMENDMENTS. No committee shall have the
13 power to amend, delete, or change in any way the nature, purpose, or
14 content of any bill or resolution referred to it, but may draft and
15 recommend amendments to it, which shall become effective only if
16 adopted by a majority vote of the house.

17 Sec. 40. SUBSTITUTES. The committee may adopt and report a
18 complete germane committee substitute containing the title,
19 enacting clause, and text of the bill in lieu of an original bill,
20 in which event the complete substitute bill on committee report
21 shall be laid before the house and shall be the matter then before
22 the house for its consideration, instead of the original bill. If
23 the substitute bill is defeated at any legislative stage, the bill
24 is considered not passed.

25 Sec. 41. GERMANENESS OF SUBSTITUTE. If a point of order is
26 raised that a complete committee substitute is not germane, in
27 whole or in part, and the point of order is sustained, the committee

1 substitute shall be returned to the Committee on Calendars, which
2 may have the original bill printed and distributed and placed on a
3 calendar in lieu of the substitute or may return the original bill
4 to the committee from which it was reported for further action.

5 Sec. 42. AUTHOR'S RIGHT TO OFFER AMENDMENTS TO
6 REPORT. Should the author or sponsor of the bill, resolution, or
7 other proposal not be satisfied with the final recommendation or
8 form of the committee report, the member shall have the privilege of
9 offering on the floor of the house such amendments or changes as he
10 or she considers necessary and desirable, and those amendments or
11 changes shall be given priority during the periods of time when
12 original amendments are in order under the provisions of Rule 11,
13 Section 7.

14 CHAPTER D. SUBCOMMITTEES

15 Sec. 43. JURISDICTION. Each committee is authorized to
16 conduct its activities and perform its work through the use of
17 subcommittees as shall be appointed by the speaker under these
18 rules or as determined by the chair of the committee. Subcommittees
19 appointed by the chair of the committee shall be created,
20 organized, and operated in such a way that the subject matter and
21 work area of each subcommittee shall be homogeneous and shall
22 pertain to related governmental activities. The size and
23 jurisdiction of each subcommittee, other than a permanent standing
24 subcommittee, shall be determined by the chair of the committee.

25 Sec. 44. MEMBERSHIP. The chair of each standing committee
26 shall appoint from the membership of the committee the members who
27 are to serve on each subcommittee, other than a permanent standing

1 subcommittee. Any vacancy on a subcommittee shall be filled by
2 appointment of the appointing authority [~~chair of the standing~~
3 ~~committee~~]. The chair and vice-chair of each subcommittee, other
4 than a permanent standing subcommittee, shall be named by the chair
5 of the committee.

6 Sec. 45. RULES GOVERNING OPERATIONS. The Rules of
7 Procedure of the House of Representatives, to the extent
8 applicable, shall govern the hearings and operations of each
9 subcommittee. Subject to the foregoing, and to the extent
10 necessary for orderly transaction of business, each subcommittee
11 may promulgate and adopt additional rules and procedures by which
12 it will function.

13 Sec. 46. QUORUM. A majority of a subcommittee shall
14 constitute a quorum, and no action or recommendation of a
15 subcommittee shall be valid unless taken at a meeting with a quorum
16 actually present. All reports of a subcommittee must be approved by
17 record vote by a majority of the membership of the subcommittee.
18 Minutes of the subcommittee shall be maintained in a manner similar
19 to that required by the rules for standing committees. Proxies
20 cannot be used in subcommittees.

21 Sec. 47. POWER AND AUTHORITY. Each subcommittee, within
22 the area of its jurisdiction, shall have all of the power,
23 authority, and rights granted by the Rules of Procedure of the House
24 of Representatives to the standing committee, except subpoena
25 power, to the extent necessary to discharge the duties and
26 responsibilities of the subcommittee.

27 Sec. 48. REFERRAL OF PROPOSED LEGISLATION TO SUBCOMMITTEE.

1 All bills and resolutions referred directly to a standing committee
2 shall be reviewed by the chair to determine appropriate disposition
3 of the bills and resolutions. All bills and resolutions referred
4 directly to a standing committee shall be considered by the entire
5 standing committee unless the chair of that standing committee
6 determines to refer those [~~the~~] bills and resolutions to a
7 subcommittee. If a bill or resolution is referred by the chair of
8 the standing committee to a subcommittee, it shall be considered by
9 the subcommittee in the same form in which the measure was referred
10 to the standing committee, and any action taken by the standing
11 committee on a proposed amendment or committee substitute before a
12 measure is referred to subcommittee is therefore voided at the time
13 the measure is referred to subcommittee. The subcommittee shall be
14 charged with the duty and responsibility of conducting the hearing,
15 doing research, and performing such other functions as the
16 subcommittee or its parent standing committee may determine. All
17 meetings of the subcommittee shall be scheduled by the subcommittee
18 chair, with appropriate public notice and notification of each
19 member of the subcommittee under the same rules of procedure as
20 govern the conduct of the standing committee.

21 Sec. 49. REPORT BY SUBCOMMITTEE. At the conclusion of its
22 deliberations on a bill, resolution, or other matter referred to
23 it, the subcommittee may prepare a written report, comprehensive
24 in nature, for submission to the full committee. The report shall
25 include background material as well as recommended action and shall
26 be accompanied by a complete draft of the bill, resolution, or other
27 proposal in such form as the subcommittee shall determine.

1 Sec. 50. ACTION ON SUBCOMMITTEE REPORTS. Subcommittee
2 reports shall be directed to the chair of the committee, who shall
3 schedule meetings of the standing committee from time to time as
4 necessary and appropriate for the reception of subcommittee reports
5 and for action on reports by the standing committee. No
6 subcommittee report shall be scheduled for action by the standing
7 committee until at least 24 hours after a copy of the subcommittee
8 report is provided to each member of the standing committee.

9 CHAPTER E. COMMITTEES OF THE WHOLE HOUSE

10 Sec. 51. RESOLUTION INTO A COMMITTEE OF THE WHOLE
11 HOUSE. The house may resolve itself into a committee of the whole
12 house to consider any matter referred to it by the house. In
13 forming a committee of the whole house, the speaker shall vacate the
14 chair and shall appoint a chair to preside in committee.

15 Sec. 52. RULES GOVERNING OPERATIONS. The rules governing
16 the proceedings of the house and those governing committees shall
17 be observed in committees of the whole, to the extent that they are
18 applicable.

19 Sec. 53. MOTION FOR A CALL OF THE COMMITTEE OF THE
20 WHOLE. (a) It shall be in order to move a call of the committee of
21 the whole at any time to secure and maintain a quorum for the
22 following purposes:

23 (1) for the consideration of a certain or specific
24 matter; or

25 (2) for a definite period of time; or

26 (3) for the consideration of any designated class of
27 bills.

1 (b) When a call of the committee of the whole is moved and
2 seconded by 10 members, of whom the chair may be one, and is ordered
3 by majority vote, the main entrance of the hall and all other doors
4 leading out of the hall shall be locked, and no member shall be
5 permitted to leave the hall without written permission. Other
6 proceedings under a call of the committee shall be the same as under
7 a call of the house.

8 Sec. 54. HANDLING OF A BILL. A bill committed to a
9 committee of the whole house shall be handled in the same manner as
10 in any other committee. The body of the bill shall not be defaced or
11 interlined, but all amendments shall be duly endorsed by the chief
12 clerk as they are adopted by the committee, and so reported to the
13 house. When a bill is reported by the committee of the whole house
14 it shall be referred immediately to the appropriate calendars
15 committee for placement on the appropriate calendar and shall
16 follow the same procedure as any other bill on committee report.

17 Sec. 55. FAILURE TO COMPLETE WORK AT ANY SITTING. In the
18 event that the committee of the whole, at any sitting, fails to
19 complete its work on any bill or resolution under consideration for
20 lack of time, or desires to take any action on that measure that is
21 permitted under the rules for other committees, it may, on a motion
22 made and adopted by majority vote, rise, report progress, and ask
23 leave of the house to sit again generally, or at a time certain.

24 CHAPTER F. SELECT AND INTERIM STUDY COMMITTEES

25 Sec. 56. REPORTS OF SELECT COMMITTEES. Reports of select
26 committees made during a session shall be filed with the chief clerk
27 and printed in the journal, unless otherwise determined by the

1 house.

2 Sec. 57. INTERIM STUDIES. Pursuant to Rule 1, Section 17,
3 the speaker may create interim study committees to conduct studies
4 by issuing a proclamation for each committee, which shall specify
5 the issue to be studied, committee membership, and any additional
6 authority and duties. A copy of each proclamation creating an
7 interim study committee shall be filed with the chief clerk. An
8 interim study committee expires on release of its final report or
9 when the next legislature convenes, whichever is earlier. An
10 interim study committee may not be created by resolution.

11 Sec. 58. APPOINTMENT AND MEMBERSHIP. The speaker shall
12 appoint all members of an interim study committee, which may
13 include public citizens and officials of state and local
14 governments. The speaker shall also designate the chair and
15 vice-chair and may authorize the chair to create subcommittees and
16 appoint citizen advisory committees.

17 Sec. 59. RULES GOVERNING OPERATIONS. The rules governing
18 the proceedings of the house and those governing standing
19 committees shall be observed by an interim study committee, to the
20 extent that they are applicable. An interim study committee shall
21 have the power to issue process and to request assistance of state
22 agencies as provided for a standing committee in Sections 21, 22,
23 and 23 of this rule.

24 Sec. 60. FUNDING AND STAFF. An interim study committee
25 shall use existing staff resources of its members, standing
26 committees, house offices, and legislative service agencies. The
27 chair of an interim study committee shall prepare a detailed budget

1 for approval by the speaker and the Committee on House
2 Administration. An interim study committee may accept gifts,
3 grants, and donations for the purpose of funding its activities as
4 provided by Sections 301.032(b) and (c), Government Code.

5 Sec. 61. STUDY REPORTS. (a) The final report or
6 recommendations of an interim study committee shall be approved by
7 a majority of the committee membership. Dissenting members may
8 attach statements to the final report.

9 (b) An interim study committee shall submit the committee's
10 final report to the committee coordinator in the manner prescribed
11 by the committee coordinator. The committee coordinator shall:

12 (1) distribute copies of the final report to the
13 speaker, the Legislative Reference Library, and other appropriate
14 agencies; and

15 (2) make a copy of the final report available on the
16 house's Internet website.

17 (c) This section shall also apply to interim study reports
18 of standing committees.

19 Sec. 62. JOINT HOUSE AND SENATE INTERIM
20 STUDIES. Procedures may be established by a concurrent resolution
21 adopted by both houses, by which the speaker may authorize and
22 appoint, jointly with the senate, committees to conduct interim
23 studies. A copy of the authorization for and the appointments to a
24 joint interim study committee shall be filed with the chief clerk.
25 Individual joint interim study committees may not be authorized or
26 created by resolution.

RULE 5. FLOOR PROCEDURE

CHAPTER A. QUORUM AND ATTENDANCE

Sec. 1. QUORUM. Two-thirds of the house shall constitute a quorum to do business.

Sec. 2. ROLL CALLS. On every roll call or registration, the names of the members shall be called or listed, as the case may be, alphabetically by surname, except when two or more have the same surname, in which case the initials of the members shall be added.

Sec. 3. LEAVE OF ABSENCE. (a) No member shall be absent from the sessions of the house without leave, and no member shall be excused on his or her own motion.

(b) A leave of absence may be granted by a majority vote of the house and may be revoked at any time by a similar vote.

(c) Any member granted a leave of absence due to a meeting of a committee or conference committee that has authority to meet while the house is in session shall be so designated on each roll call or registration for which that member is excused.

(d) If a member is absent without leave for the purpose of impeding the action of the house, the member is subject to one or more of the following:

- (1) fines as provided by this section;
- (2) payment of costs incurred by the sergeant-at-arms;
- (3) reprimand;
- (4) censure; or
- (5) expulsion in the manner prescribed by Section 11, Article III, Texas Constitution.

(e) Unless the house excuses the payment by a majority vote,

1 each member who is absent without leave is liable to the house for:

2 (1) a fine in the amount of \$500 for each calendar day
3 of absence; and

4 (2) the member's pro rata share of the costs incurred
5 by the sergeant-at-arms to secure the attendance of absentees.

6 (f) The Committee on House Administration shall notify a
7 member of the total amount of fines and costs for which payment is
8 not excused. A member must pay the amount stated in the committee's
9 notice by making payment of that amount to the House Business
10 Office not later than the third business day of the first calendar
11 month after the date of the committee's notice. A member may not
12 make any payment from funds in the member's operating account or
13 from funds accepted as political contributions under Title 15,
14 Election Code. If a member does not make full payment as required
15 by this subsection, the committee shall direct the House Business
16 Office to reduce the amount of the monthly credit to the member's
17 operating account established under the housekeeping resolution by
18 30 percent in each month that any amount of a fine remains past due
19 and owing. When a member has made full payment as required by this
20 subsection, the committee shall direct the House Business Office
21 to restore the impounded funds to the member's operating account
22 subject to any limitations on the carrying forward of unexpended
23 funds established by the housekeeping resolution.

24 (g) Before a member is expelled under this section, the
25 matter shall be referred to the Committee on House Administration
26 for investigation and report. A report issued under this
27 subsection shall not be considered by the house until a printed copy

1 of the report has been provided to each member of the house at least
2 24 hours before consideration.

3 Sec. 4. FAILURE TO ANSWER ROLL CALL. Any member who is
4 present and fails or refuses to record on a roll call after being
5 requested to do so by the speaker shall be recorded as present by
6 the speaker and shall be counted for the purpose of making a quorum.

7 Sec. 5. POINT OF ORDER OF "NO QUORUM." (a) The point of
8 order of "No Quorum" shall not be accepted by the chair if the last
9 roll call showed the presence of a quorum, provided the last roll
10 call was taken within two hours of the time the point of order is
11 raised.

12 (b) If the last roll call was taken more than two hours
13 before the point of order is raised, it shall be in order for the
14 member who raised the point of order to request a roll call. Such a
15 request must be seconded by 25 members. If the request for a roll
16 call is properly seconded, the chair shall order a roll call.

17 (c) Once a point of order has been made that a quorum is not
18 present, it may not be withdrawn after the absence of a quorum has
19 been ascertained and announced.

20 Sec. 6. MOTIONS IN ORDER WHEN QUORUM NOT PRESENT. If a
21 registration or record vote reveals that a quorum is not present,
22 only a motion to adjourn or a motion for a call of the house and the
23 motions incidental thereto shall be in order.

24 Sec. 7. MOTION FOR CALL OF THE HOUSE. It shall be in order
25 to move a call of the house at any time to secure and maintain a
26 quorum for one of the following purposes:

27 (1) for the consideration of a specific bill,

1 resolution, motion, or other measure;

2 (2) for the consideration of any designated class of
3 bills; or

4 (3) for a definite period of time.

5 Motions for, and incidental to, a call of the house are not
6 debatable.

7 Sec. 8. SECURING A QUORUM. When a call of the house is moved
8 for one of the above purposes and seconded by 15 members (of whom
9 the speaker may be one) and ordered by a majority vote, the main
10 entrance to the hall and all other doors leading out of the hall
11 shall be locked and no member permitted to leave the house without
12 the written permission of the speaker. The names of members present
13 shall be recorded. All absentees for whom no sufficient excuse is
14 made may, by order of a majority of those present, be sent for and
15 arrested, wherever they may be found, by the sergeant-at-arms or an
16 officer appointed by the sergeant-at-arms for that purpose, and
17 their attendance shall be secured and retained. The house shall
18 determine on what conditions they shall be discharged. Members who
19 voluntarily appear shall, unless the house otherwise directs, be
20 immediately admitted to the hall of the house and shall report their
21 names to the clerk to be entered in the journal as present.

22 Until a quorum appears, should the roll call fail to show one
23 present, no business shall be transacted, except to compel the
24 attendance of absent members or to adjourn. It shall not be in
25 order to recess under a call of the house.

26 Sec. 9. FOLLOWING ACHIEVEMENT OF A QUORUM. When a quorum is
27 shown to be present, the house may proceed with the matters on which

1 the call was ordered, or may enforce the call and await the
2 attendance of as many of the absentees as it desires. When the
3 house proceeds to the business on which the call was ordered, it
4 may, by a majority vote, direct the sergeant-at-arms to cease
5 bringing in absent members.

6 Sec. 10. REPEATING A RECORD VOTE. When a record vote
7 reveals the lack of a quorum, and a call is ordered to secure one, a
8 record vote shall again be taken when the house resumes business
9 with a quorum present.

10 CHAPTER B. ADMITTANCE TO HOUSE CHAMBER

11 Sec. 11. PRIVILEGES OF THE HOUSE FLOOR. Only the following
12 persons shall be entitled to the privileges of the floor of the
13 house when the house is in session: members of the house; employees
14 of the house when performing their official duties as determined by
15 the Committee on House Administration; members of the senate;
16 employees of the senate when performing their official duties; the
17 Governor of Texas and the governor's chief of staff and director of
18 legislative affairs; the lieutenant governor; the secretary of
19 state; duly accredited media representatives as permitted by
20 Section 20 of this rule; contestants in election cases pending
21 before the house; and immediate families of the members of the
22 legislature on such special occasions as may be determined by the
23 Committee on House Administration.

24 Sec. 12. ADMITTANCE WITHIN THE RAILING. Only the following
25 persons shall be admitted to the area on the floor of the house
26 enclosed by the railing when the house is in session: members of the
27 house; members of the senate; the governor; the lieutenant

1 governor; officers and employees of the senate and house when those
2 officers and employees are actually engaged in performing their
3 official duties as determined by the Committee on House
4 Administration; spouses of members of the house on such occasions
5 as may be determined by the Committee on House Administration; and,
6 within the area specifically designated for media representatives,
7 duly accredited media representatives as permitted by Section 20 of
8 this rule.

9 Sec. 13. SOLICITORS AND COLLECTORS PROHIBITED. Solicitors
10 and collectors shall not be admitted to the floor of the house while
11 the house is in session.

12 Sec. 14. INVITATION TO ADDRESS THE HOUSE. A motion to
13 invite a person to address the house while it is in session shall be
14 in order only if the person invited is entitled to the privileges of
15 the floor as defined by Section 11 of this rule and if no business is
16 pending before the house.

17 Sec. 15. LOBBYING ON FLOOR. No one, except the governor or
18 a member of the legislature, who is lobbying or working for or
19 against any pending or prospective legislative measure shall be
20 permitted on the floor of the house or in the adjacent rooms while
21 the house is in session.

22 Sec. 16. SUSPENSION OF FLOOR PRIVILEGES. If any person
23 admitted to the floor of the house under the rules, except the
24 governor or a member of the legislature, lobbies or works for or
25 against any pending or prospective legislation or violates any of
26 the other rules of the house, the privileges extended to that person
27 under the rules shall be suspended by a majority vote of the

1 Committee on House Administration. The action of the committee
2 shall be reviewable by the house only if two members of the
3 committee request an appeal from the decision of the committee. The
4 request shall be in the form of a minority report and shall be
5 subject to the same rules that are applicable to minority reports on
6 bills. Suspension shall remain in force until the accused person
7 purges himself or herself and comes within the rules, or until the
8 house, by majority vote, reverses the action of the committee.

9 Sec. 17. MEMBERS' LOUNGE PRIVILEGES. Only the following
10 persons shall be admitted to the members' lounge at any
11 time: members of the house; members of the senate; and former
12 members of the house and senate who are not engaged in any form of
13 employment requiring them to lobby or work for or against any
14 pending or prospective legislative measures.

15 Sec. 18. FLOOR DUTIES OF HOUSE OFFICERS AND EMPLOYEES. It
16 shall be the duty of the Committee on House Administration to
17 determine what duties are to be discharged by officers and
18 employees of the house on the floor of the house, specifically in
19 the area enclosed by the railing, when the house is in session. It
20 shall be the duty of the speaker to see that the officers and
21 employees do not violate the regulations promulgated by the
22 Committee on House Administration.

23 Sec. 19. PROPER DECORUM. No person shall be admitted to,
24 or allowed to remain in, the house chamber while the house is in
25 session unless properly attired, and all gentlemen shall wear a
26 coat and tie. Food or beverage shall not be permitted in the house
27 chamber at any time, and no person carrying food or beverage shall

1 be admitted to the chamber, whether the house is in session or in
2 recess. Reading newspapers shall not be permitted in the house
3 chamber while the house is in session. Smoking is not permitted in
4 the members' lounge or bathrooms. The Committee on House
5 Administration shall designate an area for smoking that is easily
6 accessible to the house chamber.

7 Sec. 20. MEDIA ACCESS TO HOUSE CHAMBER. (a) When the house
8 is in session, no media representative shall be admitted to the
9 floor of the house or allowed its privileges unless the person is:

10 (1) employed by a print, broadcast, or Internet news
11 organization, or by a wire service serving those organizations:

12 (A) whose principal business is the periodic
13 dissemination of original news and opinion of interest to a broad
14 segment of the public;

15 (B) which has published or operated continuously
16 for 18 months:

17 (i) as a for-profit organization that is
18 supported chiefly by advertising or subscription revenue; or

19 (ii) as a nonprofit organization that has
20 qualified as a public charity under Section 501(c)(3), Internal
21 Revenue Code of 1986; and

22 (C) whose publications or operations are
23 editorially independent of any institution, foundation, or
24 interest group that lobbies the government or that is not
25 principally a general news organization; and

26 (2) not engaged in any lobbying or paid advocacy,
27 advertising, publicity, or promotion work for any individual,

1 political party, corporation, organization, or government agency.

2 (b) Any media representative seeking admission to the floor
3 of the house under the provisions of this section must submit to the
4 Committee on House Administration:

5 (1) a notarized application in a form determined by
6 the committee; and

7 (2) a letter from the media representative's employer
8 certifying that:

9 (A) the media representative is engaged
10 primarily in reporting the sessions of the legislature; and

11 (B) no part of the media representative's salary
12 for legislative coverage is paid from a source other than the news
13 organization or wire service that employs the media representative.

14 (c) Regularly accredited media representatives who have
15 duly qualified under the provisions of this section may, when
16 requested to do so, make recommendations through their professional
17 committees to the Committee on House Administration as to the
18 sufficiency or insufficiency of the credentials of any person
19 seeking admission to the floor of the house under this section.

20 (d) If the Committee on House Administration determines
21 that a person's media credentials meet the requirements of this
22 section, the committee shall issue a pass card to the person. The
23 committee may impose a fee to cover the costs of issuing a pass
24 card. This pass card must be presented to the doorkeeper each time
25 the person seeks admission to the floor of the house while the house
26 is in session. Pass cards issued under this section shall not be
27 transferable. The failure of a media representative to maintain the

1 requirements of this section may result in the revocation of the
2 pass card. Persons admitted to the floor of the house pursuant to
3 the provisions of this section shall work in appropriate convenient
4 seats or work stations in the house, which shall be designated for
5 that purpose by the Committee on House Administration.

6 (e) Members of the house shall not engage in interviews and
7 press conferences on the house floor while the house is in session.
8 The Committee on House Administration is authorized to enforce this
9 provision and to prescribe such other regulations as may be
10 necessary and desirable to achieve these purposes.

11 (f) Permission to make recordings in or from the house
12 chamber while the house is in session may be granted only by the
13 Committee on House Administration. The committee shall promulgate
14 rules governing recordings. When recordings from the house chamber
15 are permitted by the Committee on House Administration, the
16 permission shall, if necessary, identify those persons in the
17 technical crews to whom pass cards to the floor of the house and
18 galleries are to be issued. Passes granted under this authority
19 shall be subject to revocation by the Committee on House
20 Administration. As used in this subsection, "recording" means an
21 audio, video, or photographic recording for immediate or delayed
22 transmission by television or radio or through the Internet.

23 (g) The following individuals may submit a written
24 complaint regarding a decision by the Committee on House
25 Administration under this section:

26 (1) an individual who is aggrieved by the committee's
27 failure or refusal to grant privileges under this section; or

1 (2) a member of the house who believes a media
2 representative granted privileges under this section either does
3 not meet the requirements of this section or has abused the
4 privileges granted under this section.

5 (h) The Committee on House Administration shall investigate
6 the complaint and may, if necessary, temporarily suspend the media
7 representative's privileges pending the investigation. The
8 committee shall notify the aggrieved individual or subject of the
9 complaint of the time and place of a hearing on the complaint.
10 Following the hearing, which must be conducted as provided by
11 committee rule, the committee shall determine whether the aggrieved
12 individual meets the requirements of this section and, as
13 applicable:

14 (1) issue a pass card if the committee determines that
15 the individual's media credentials meet the requirements of this
16 section; or

17 (2) revoke the media representative's privileges
18 granted under this section if the committee determines that the
19 allegations contained in the complaint are valid.

20 (i) The final determination by the Committee on House
21 Administration on a complaint:

22 (1) must be entered in the committee minutes and, if
23 the house is convened in a regular or special session, delivered to
24 the journal clerk and printed in the journal; and

25 (2) is not subject to further review except as
26 provided by this section.

27 Sec. 21. PUBLIC ADMISSION TO AND NONLEGISLATIVE USE OF THE

1 HOUSE CHAMBER. When the house is not in session, the floor of the
2 house shall remain open on days and hours determined by the
3 Committee on House Administration. By resolution, the house may
4 open the floor of the house during its sessions for the inauguration
5 of the governor and lieutenant governor and for such other public
6 ceremonies as may be deemed warranted.

7 CHAPTER C. SPEAKING AND DEBATE

8 Sec. 22. ADDRESSING THE HOUSE. When a member desires to
9 speak or deliver any matter to the house, the member shall rise and
10 respectfully address the speaker as "Mr. (or Madam) Speaker" and,
11 on being recognized, may address the house from the microphone at
12 the reading clerk's desk, and shall confine all remarks to the
13 question under debate, avoiding personalities.

14 Sec. 23. WHEN TWO MEMBERS RISE AT ONCE. When two or more
15 members rise at once, the speaker shall name the one who is to speak
16 first. This decision shall be final and not open to debate or
17 appeal.

18 Sec. 24. RECOGNITION. (a) Except as otherwise provided
19 by this section, there shall be no appeal from the speaker's
20 recognition, but the speaker shall be governed by rules and usage in
21 priority of entertaining motions from the floor. When a member
22 seeks recognition, the speaker may ask, "For what purpose does the
23 member rise?" or "For what purpose does the member seek
24 recognition?" and may then decide if recognition is to be granted,
25 except that the speaker shall recognize a member who seeks
26 recognition on a question of privilege.

27 (b) If the speaker denies recognition of a member who seeks

1 recognition on a question of privilege, other than a question of
2 privilege relating to the right of the house to remove the speaker
3 and elect a new speaker, the decision of recognition may be appealed
4 using the procedures provided in Rule 1, Section 9.

5 (c) If the speaker denies recognition of a member who seeks
6 recognition on a question of privilege relating to the right of the
7 house to remove the speaker and elect a new speaker, the member may
8 appeal the speaker's denial of recognition if the member submits to
9 the speaker a written request, signed by at least 76 members of the
10 house, to appeal the decision of recognition. Upon receiving a
11 request for appeal in accordance with this subsection, the speaker
12 shall announce the request to the house. The names of the members
13 who signed the request and the time that the announcement was made
14 shall be entered in the journal. The appeal of a decision of
15 recognition under this subsection is eligible for consideration 24
16 hours after the request for appeal has been announced in accordance
17 with this subsection. The appeal and consideration of the question
18 of privilege, if the appeal is successful, takes precedence over
19 all other questions except motions to adjourn.

20 Sec. 25. INTERRUPTION OF A MEMBER WHO HAS THE FLOOR. A
21 member who has the floor shall not be interrupted by another member
22 for any purpose, unless he or she consents to yield to the other
23 member. A member desiring to interrupt another in debate should
24 first address the speaker for the permission of the member
25 speaking. The speaker shall then ask the member who has the floor
26 if he or she wishes to yield, and then announce the decision of that
27 member. The member who has the floor may exercise personal

1 discretion as to whether or not to yield, and it is entirely within
2 the member's discretion to determine who shall interrupt and when.

3 Sec. 26. YIELDING THE FLOOR. A member who obtains the
4 floor on recognition of the speaker may not be taken off the floor
5 by a motion, even the highly privileged motion to adjourn, but if
6 the member yields to another to make a motion or to offer an
7 amendment, he or she thereby loses the floor.

8 Sec. 27. RIGHT TO OPEN AND CLOSE DEBATE. The mover of any
9 proposition, or the member reporting any measure from a committee,
10 or, in the absence of either of them, any other member designated by
11 such absentee, shall have the right to open and close the debate,
12 and for this purpose may speak each time not more than 20 minutes.

13 Sec. 28. TIME LIMITS ON SPEECHES. All speeches shall be
14 limited to 10 minutes in duration, except as provided in Section 27
15 of this rule, and the speaker shall call the members to order at the
16 expiration of their time. If the house by a majority vote extends
17 the time of any member, the extension shall be for 10 minutes only.
18 A second extension of time shall be granted only by unanimous
19 consent. During the last 10 calendar days of the regular session,
20 and the last 5 calendar days of a special session, Sundays excepted,
21 all speeches shall be limited to 10 minutes and shall not be
22 extended. The time limits established by this rule shall include
23 time consumed in yielding to questions from the floor.

24 Sec. 29. LIMIT ON NUMBER OF TIMES TO SPEAK. No member shall
25 speak more than twice on the same question without leave of the
26 house, nor more than once until every member choosing to speak has
27 spoken, nor shall any member be permitted to consume the time of

1 another member without leave of the house being given by a majority
2 vote.

3 Sec. 30. EFFECT OF ADJOURNMENT ON SPEAKING LIMIT. If a
4 pending question is not disposed of because of an adjournment of the
5 house, a member who has spoken twice on the subject shall not be
6 allowed to speak again without leave of the house.

7 Sec. 31. OBJECTION TO READING A PAPER. When the reading of
8 a paper is called for, and objection is made, the matter shall be
9 determined by a majority vote of the house, without debate.

10 Sec. 32. PASSING BETWEEN MICROPHONES DURING DEBATE. No
11 person shall pass between the front and back microphones during
12 debate or when a member has the floor and is addressing the house.

13 Sec. 33. TRANSGRESSION OF RULES WHILE SPEAKING. If any
14 member, in speaking or otherwise, transgresses the rules of the
15 house, the speaker shall, or any member may, call the member to
16 order, in which case the member so called to order shall immediately
17 be seated; however, that member may move for an appeal to the house,
18 and if appeal is duly seconded by 10 members, the matter shall be
19 submitted to the house for decision by majority vote. In such
20 cases, the speaker shall not be required to relinquish the chair, as
21 is required in cases of appeals from the speaker's decisions. The
22 house shall, if appealed to, decide the matter without debate. If
23 the decision is in favor of the member called to order, the member
24 shall be at liberty to proceed; but if the decision is against the
25 member, he or she shall not be allowed to proceed, and, if the case
26 requires it, shall be liable to the censure of the house, or such
27 other punishment as the house may consider proper.

1 Sec. 34. ELECTRONIC RECORDING OF ALL HOUSE PROCEEDINGS. (a)
2 All proceedings of the house of representatives shall be
3 electronically recorded under the direction of the Committee on
4 House Administration. Copies of the proceedings may be released
5 under guidelines promulgated by the Committee on House
6 Administration.

7 (b) Archived video broadcasts of proceedings in the house
8 chamber that are available through the house's Internet or intranet
9 website may, under the direction of the Committee on House
10 Administration, include a link to the point in time in the video
11 where each measure under consideration by the house is laid out.
12 Such a link shall be provided as soon as the committee determines is
13 practical.

14 CHAPTER D. QUESTIONS OF PRIVILEGE

15 Sec. 35. QUESTIONS OF PRIVILEGE DEFINED. Questions of
16 privilege shall be:

17 (1) those affecting the rights of the house
18 collectively, its safety and dignity, and the integrity of its
19 proceedings, including the right of the house to remove the speaker
20 and elect a new speaker; and

21 (2) those affecting the rights, reputation, and
22 conduct of members individually in their representative capacity
23 only.

24 Sec. 36. PRECEDENCE OF QUESTIONS OF PRIVILEGE. Questions
25 of privilege shall have precedence over all other questions except
26 motions to adjourn. When in order, a member may address the house
27 on a question of privilege, or may at any time print it in the

1 journal, provided it contains no reflection on any member of the
2 house.

3 Sec. 37. WHEN QUESTIONS OF PRIVILEGE NOT IN ORDER. (a) It
4 shall not be in order for a member to address the house on a question
5 of privilege:

6 (1) between the time an undebatable motion is offered
7 and the vote is taken on the motion;

8 (2) between the time the previous question is ordered
9 and the vote is taken on the last proposition included under the
10 previous question; or

11 (3) between the time a motion to table is offered and
12 the vote is taken on the motion.

13 (b) If a question of privilege relating to removal of the
14 speaker and election of a new speaker fails, a subsequent attempt to
15 remove the same speaker can be made only by reconsidering the vote
16 by which the original question of privilege failed. Such
17 reconsideration shall be subject to the rules of the house
18 governing reconsideration.

19 Sec. 38. CONFINING REMARKS TO QUESTION OF PRIVILEGE;
20 INTERRUPTIONS PROHIBITED. (a) When speaking on privilege,
21 members must confine their remarks within the limits of Section 35
22 of this rule, which will be strictly construed to achieve the
23 purposes hereof.

24 (b) When a member is speaking on privilege, the member shall
25 not be interrupted by another member for any purpose. While the
26 member is speaking, another member may submit a question of order to
27 the speaker in writing or by approaching the podium in person. The

1 member submitting the question of order shall not interrupt the
2 member who is speaking. The speaker may interrupt the member who is
3 speaking if the speaker determines it is appropriate to address the
4 question of order at that time.

5 Sec. 39. DISCUSSION OF MERITS OF MOTION FORBIDDEN. Merits
6 of a main or subsidiary motion shall not be discussed or debated
7 under the guise of speaking to a question of privilege.

8 CHAPTER E. VOTING

9 Sec. 40. RECORDING ALL VOTES ON VOTING MACHINE. On all
10 votes, except viva voce votes, members shall record their votes on
11 the voting machine and shall not be recognized by the chair to cast
12 their votes from the floor. If a member attempts to vote from the
13 floor, the speaker shall sustain a point of order directed against
14 the member's so doing. This rule shall not be applicable to the
15 mover or the principal opponent of the proposition being voted on
16 nor to a member whose voting machine is out of order. If a member
17 demands strict enforcement of this section, Section 47 shall not
18 apply to the taking of a vote, and the house may discipline a member
19 in violation of this rule pursuant to its inherent authority.

20 Sec. 41. REGISTRATION EQUIVALENT TO ROLL CALL VOTE. A
21 registration or vote taken on the voting machine of the house shall
22 in all instances be considered the equivalent of a roll call or yea
23 and nay vote, which might be had for the same purpose.

24 Sec. 42. DISCLOSURE OF PERSONAL OR PRIVATE INTEREST. Any
25 member who has a personal or private interest in any measure or bill
26 proposed or pending before the house shall disclose the fact and not
27 vote thereon.

1 Sec. 43. DIVIDING THE QUESTION. By a majority vote of the
2 house, a quorum being present, the question shall be divided, if it
3 includes propositions so distinct in substance that, one being
4 taken away, a substantive proposition remains. A motion for a
5 division vote cannot be made after the previous question has been
6 ordered, after a motion to table has been offered, after the
7 question has been put, nor after the yeas and nays have been
8 ordered. Under this subsection, the speaker may divide the
9 question into groups of propositions that are closely related.

10 Sec. 44. FAILURE OR REFUSAL TO VOTE. Any member who is
11 present and fails or refuses to vote after being requested to do so
12 by the speaker shall be recorded as present but not voting, and
13 shall be counted for the purpose of making a quorum.

14 Sec. 45. PRESENCE IN HOUSE REQUIRED IN ORDER TO VOTE. A
15 member must be on the floor of the house or in an adjacent room or
16 hallway on the same level as the house floor, in order to vote.

17 Sec. 46. LOCKING VOTING MACHINES OF ABSENT MEMBERS. During
18 each calendar day in which the house is in session, it shall be the
19 duty of the journal clerk to lock the voting machine of each member
20 who is excused or who is otherwise known to be absent. Each such
21 machine shall remain locked until the member in person contacts the
22 journal clerk and personally requests the unlocking of the machine.
23 Unless otherwise directed by the speaker, the journal clerk shall
24 not unlock any machine except at the personal request of the member
25 to whom the machine is assigned. Any violation, or any attempt by a
26 member or employee to circumvent the letter or spirit of this
27 section, shall be reported immediately to the speaker for such

1 disciplinary action by the speaker, or by the house, as may be
2 warranted under the circumstances.

3 Sec. 47. VOTING FOR ANOTHER MEMBER. Any member found
4 guilty by the house of knowingly voting for another member on the
5 voting machine without that other member's permission shall be
6 subject to discipline deemed appropriate by the house.

7 Sec. 48. INTERRUPTION OF A ROLL CALL. Once a roll call has
8 begun, it may not be interrupted for any reason. While a yea and nay
9 vote is being taken, or the vote is being counted, no member shall
10 visit the reading clerk's desk or the voting clerk's desk.

11 Sec. 49. EXPLANATION OF VOTE. (a) No member shall be
12 allowed to interrupt the vote or to make any explanation of a vote
13 that the member is about to give after the voting machine has been
14 opened, but may record in the journal the reasons for giving such a
15 vote.

16 (b) A "Reason for Vote" must be in writing and filed with the
17 journal clerk. If timely received, the "Reason for Vote" shall be
18 printed immediately following the results of the vote in the
19 journal. Otherwise, "Reasons for Vote" shall be printed in a
20 separate section at the end of the journal for the day on which the
21 reasons were recorded with the journal clerk. Such "Reason for
22 Vote" shall not deal in personalities or contain any personal
23 reflection on any member of the legislature, the speaker, the
24 lieutenant governor, or the governor, and shall not in any other
25 manner transgress the rules of the house relating to decorum and
26 debate.

27 (c) A member absent when a vote was taken may file with the

1 journal clerk while the house is in session a statement of how the
2 member would have voted if present. If timely received, the
3 statement shall be printed immediately following the results of the
4 vote in the journal. Otherwise, statements shall be printed in a
5 separate section at the end of the journal for the day on which the
6 statements were recorded with the journal clerk.

7 Sec. 50. PAIRS. (a) All pairs must be announced before the
8 vote is declared by the speaker, and a written statement sent to the
9 journal clerk. The statement must be signed by the absent member to
10 the pair, or the member's signature must have been authorized in
11 writing or by telephone, and satisfactory evidence presented to the
12 speaker if deemed necessary. If authorized in writing, the writing
13 shall be delivered to the chief clerk by personal delivery or by
14 commercially acceptable means of delivery, including electronic
15 transmission by PDF or similar secure format that is capable of
16 transmitting an accurate image of the member's signature. If
17 authorized by telephone, the call must be to and confirmed by the
18 chief clerk in advance of the vote to which it applies. Pairs shall
19 be entered in the journal, and the member present shall be counted
20 to make a quorum.

21 (b) The speaker may not refuse to recognize a pair that
22 complies with the requirements of Subsection (a), if both members
23 consent to the pair.

24 Sec. 51. ENTRY OF YEA AND NAY VOTE IN JOURNAL. (a) At the
25 desire of any member present, the yeas and nays of the members of
26 the house on any question shall be taken and entered in the journal.
27 No member or members shall be allowed to call for a yea and nay vote

1 after a vote has been declared by the speaker.

2 (b) A motion to expunge a yea and nay vote from the journal
3 shall not be in order.

4 (c) The yeas and nays of the members of the house on final
5 passage of any bill, any joint resolution proposing or ratifying a
6 constitutional amendment, and any other resolution, other than a
7 resolution of a purely ceremonial or honorary nature, shall be
8 taken and entered in the journal. For purposes of this subsection, a
9 vote on final passage includes a vote on:

10 (1) third reading;

11 (2) second reading if the house suspends or otherwise
12 dispenses with the requirement for three readings;

13 (3) whether to concur in the senate's amendments; or

14 (4) whether to adopt a conference committee report.

15 Sec. 51A. REAL-TIME ACCESS BY PUBLIC TO YEAS AND NAYS. The
16 Committee on House Administration shall ensure that:

17 (1) the recorded yeas and nays are available to the
18 public on the Internet and on any televised broadcast of the house
19 proceedings produced by or under the direction of the house; and

20 (2) members of the public may view the yeas and nays in
21 real time to the extent possible on the Internet and on any
22 televised broadcast of the house proceedings produced by or under
23 the direction of the house.

24 Sec. 52. JOURNAL RECORDING OF VOTES ON ANY QUESTION. On
25 any question where a record of the yeas and nays has not been
26 ordered, members may have their votes recorded in the journal as
27 "yea" or "nay" by filing such information with the journal clerk

1 before adjournment or recess to another calendar day.

2 Sec. 53. CHANGING A VOTE. Before the result of a vote has
3 been finally and conclusively pronounced by the chair, but not
4 thereafter, a member may change his or her vote; however, if a
5 member's vote is erroneous, the member shall be allowed to change
6 that vote at a later time provided:

7 (1) the result of the record vote is not changed
8 thereby;

9 (2) the request is made known to the house by the chair
10 and permission for the change is granted by unanimous consent; and

11 (3) a notation is made in the journal that the member's
12 vote was changed.

13 Sec. 54. TIE VOTE. All matters on which a vote may be taken
14 by the house shall require for adoption a favorable affirmative
15 vote as required by these rules, and in the case of a tie vote, the
16 matter shall be considered lost.

17 Sec. 55. VERIFICATION OF A YEA AND NAY VOTE. When the
18 result of a yea and nay vote is close, the speaker may on the request
19 of any member order a verification vote, or the speaker may order a
20 verification on his or her own initiative. During verification, no
21 member shall change a vote unless it was erroneously recorded, nor
22 may any member not having voted cast a vote; however, when the clerk
23 errs in reporting the yeas and nays, and correction thereof leaves
24 decisive effect to the speaker's vote, the speaker may exercise the
25 right to vote, even though the result has been announced. A
26 verification shall be called for immediately after the vote is
27 announced. The speaker shall not entertain a request for

1 verification after the house has proceeded to the next question, or
2 after a recess or an adjournment. A vote to recess or adjourn, like
3 any other proposition, may be verified. Only one vote verification
4 can be pending at a time. A verification may be dispensed with by a
5 two-thirds vote.

6 Sec. 56. VERIFICATION OF A REGISTRATION. The speaker may
7 allow the verification of a registration (as differentiated from a
8 record vote) if in the speaker's opinion there is serious doubt as
9 to the presence of a quorum.

10 Sec. 57. MOTION FOR A CALL OF THE HOUSE PENDING
11 VERIFICATION. A motion for a call of the house, and all incidental
12 motions relating to it, shall be in order pending the verification
13 of a vote. These motions must be made before the roll call on
14 verification begins, and it shall not be in order to break into the
15 roll call to make them.

16 Sec. 58. ERRONEOUS ANNOUNCEMENT OF THE RESULT OF A
17 VOTE. If, by an error of the voting clerk or reading clerk in
18 reporting the yeas and nays from a registration or verification,
19 the speaker announces a result different from that shown by the
20 registration or verification, the status of the question shall be
21 determined by the vote as actually recorded. If the vote is
22 erroneously announced in such a way as to change the true result,
23 all subsequent proceedings in connection therewith shall fail, and
24 the journal shall be amended accordingly.

1 RULE 6. ORDER OF BUSINESS AND CALENDARS

2 Sec. 1. DAILY ORDER OF BUSINESS. (a) When the house
3 convenes on a new legislative day, the daily order of business shall
4 be as follows:

5 (1) Call to order by speaker.

6 (2) Registration of members.

7 (3) Prayer by chaplain, unless the invocation has been
8 given previously on the particular calendar day.

9 (4) Pledge of allegiance to the United States flag.

10 (5) Pledge of allegiance to the Texas flag.

11 (6) Excuses for absence of members and officers.

12 (7) First reading and reference to committee of bills
13 filed with the chief clerk; and motions to introduce bills, when
14 such motions are required.

15 (8) Requests to print bills and other papers; requests
16 of committees for further time to consider papers referred to them;
17 and all other routine motions and business not otherwise provided
18 for, all of which shall be undebatable except that the mover and one
19 opponent of the motion shall be allowed three minutes each.

20 The mover of a routine motion shall be allowed his or her
21 choice of making the opening or the closing speech under this rule.
22 If the house, under a suspension of the rules, extends the time of a
23 member under this rule, such extensions shall be for three minutes.
24 Subsidiary motions that are applicable to routine motions shall be
25 in order, but the makers of such subsidiary motions shall not be
26 entitled to speak thereon in the routine motion period, nor shall
27 the authors of the original routine motions be allowed any

1 additional time because of subsidiary motions.

2 (9) Unfinished business.

3 (10) Third reading calendars of the house in their
4 order of priority in accordance with Section 7 of this rule, unless
5 a different order is determined under other provisions of these
6 rules.

7 (11) Postponed matters to be laid before the house in
8 accordance with Rule 7, Section 15.

9 (12) Second reading calendars of the house in their
10 order of priority in accordance with Section 7 of this rule, unless
11 a different order is determined under other provisions of these
12 rules.

13 (b) When the house reconvenes for the first time on a new
14 calendar day following a recess, the daily order of business shall
15 be:

16 (1) Call to order by the speaker.

17 (2) Registration of members.

18 (3) Prayer by the chaplain.

19 (4) Pledge of allegiance to the United States flag.

20 (5) Pledge of allegiance to the Texas flag.

21 (6) Excuses for absence of members and officers.

22 (7) Pending business.

23 (8) Calendars of the house in their order of priority
24 in accordance with Section 7 of this rule, unless a different order
25 is determined under other provisions of these rules.

26 Sec. 2. SPECIAL ORDERS. (a) Any bill, resolution, or
27 other measure may on any day be made a special order for the same day

1 or for a future day of the session by an affirmative vote of
2 two-thirds of the members present. A motion to set a special order
3 shall be subject to the three-minute pro and con debate rule. When
4 once established as a special order, a bill, resolution, or other
5 measure shall be considered from day to day until disposed of; and
6 until it has been disposed of, no further special orders shall be
7 made.

8 A three-fourths vote of the members present shall be required
9 to suspend the portion of this rule which specifies that only one
10 special order may be made and pending at a time.

11 (b) After the first eight items under the daily order of
12 business for a legislative day have been passed, a special order
13 shall have precedence when the hour for its consideration has
14 arrived, except as provided in Section 9 of this rule.

15 (c) After the 115th day of a regular session, if a joint
16 resolution has appeared on a daily house calendar and is adopted,
17 and a bill that is enabling legislation for the joint resolution is
18 either on or eligible to be placed on a calendar, the author or
19 sponsor of the bill or another member may immediately be recognized
20 for a motion to set the bill that is the enabling legislation as a
21 special order pursuant to this section. For purposes of this
22 subsection, the bill must have been designated as the enabling
23 legislation for the joint resolution in writing filed with the
24 chief clerk not later than the date the committee report for the
25 enabling legislation is printed and distributed.

26 Sec. 3. POSTPONEMENT OF A SPECIAL ORDER. A special order
27 may be postponed to a day certain by a two-thirds vote of those

1 present, and when so postponed, shall be considered as disposed of
2 so far as its place as a special order is concerned.

3 Sec. 4. TABLED MEASURES AS SPECIAL ORDERS. A bill or
4 resolution laid on the table subject to call may be made a special
5 order.

6 Sec. 5. SUBSTITUTION IN MOTION FOR A SPECIAL ORDER. When a
7 motion is pending to set a particular bill or resolution as a
8 special order, it shall not be in order to move as a substitute to
9 set another bill or resolution as a special order. It shall be in
10 order, however, to substitute, by majority vote, a different time
11 for the special order consideration than that given in the original
12 motion.

13 Sec. 6. MEMBER'S SUSPENSION AND SPECIAL ORDER PRIVILEGES.
14 If a member moves to set a bill or joint resolution as a special
15 order, or moves to suspend the rules to take up a bill or joint
16 resolution out of its regular order, and the motion prevails, the
17 member shall not have the right to make either of these motions
18 again until every other member has had an opportunity, via either of
19 these motions, to have some bill or joint resolution considered out
20 of its regular order during that session of the legislature. A
21 member shall not lose the suspension privilege if the motion to
22 suspend or set for special order does not prevail.

23 Sec. 7. SYSTEM OF CALENDARS. (a) Legislative business of
24 the house shall be controlled by a system of calendars, consisting
25 of the following:

26 (1) EMERGENCY CALENDAR, on which shall appear bills
27 considered to be of such pressing and imperative import as to demand

1 immediate action, bills to raise revenue and levy taxes, and the
2 general appropriations bill. A bill submitted as an emergency
3 matter by the governor may also be placed on this calendar.

4 (2) MAJOR STATE CALENDAR, on which shall appear bills
5 of statewide effect, not emergency in nature, which establish or
6 change state policy in a major field of governmental activity and
7 which will have a major impact in application throughout the state
8 without regard to class, area, or other limiting factors.

9 (3) CONSTITUTIONAL AMENDMENTS CALENDAR, on which
10 shall appear joint resolutions proposing amendments to the Texas
11 Constitution, joint resolutions proposing the ratification of
12 amendments to the Constitution of the United States, and joint
13 resolutions applying to Congress for a convention to amend the
14 Constitution of the United States.

15 (4) GENERAL STATE CALENDAR, on which shall appear
16 bills of statewide effect, not emergency in nature, which establish
17 or change state law and which have application to all areas but are
18 limited in legal effect by classification or other factors which
19 minimize the impact to something less than major state policy, and
20 bills, not emergency in nature, which are not on the local, consent,
21 and resolutions calendar.

22 (5) LOCAL, CONSENT, AND RESOLUTIONS CALENDAR, on which
23 shall appear bills, house resolutions, and concurrent resolutions,
24 not emergency in nature, regardless of extent and scope, on which
25 there is such general agreement as to render improbable any
26 opposition to the consideration and passage thereof, and which have
27 been recommended by the appropriate standing committee for

1 placement on the local, consent, and resolutions calendar by the
2 Committee on Local and Consent Calendars.

3 (6) RESOLUTIONS CALENDAR, on which shall appear house
4 resolutions and concurrent resolutions, not emergency in nature and
5 not privileged.

6 (7) CONGRATULATORY AND MEMORIAL RESOLUTIONS CALENDAR,
7 on which shall appear congratulatory and memorial resolutions whose
8 sole intent is to congratulate, memorialize, or otherwise express
9 concern or commendation. The Committee on Resolutions Calendars
10 may provide separate categories for congratulatory and memorial
11 resolutions.

12 (b) A calendars committee shall strictly construe and the
13 speaker shall strictly enforce this system of calendars.

14 Sec. 8. SENATE BILL CALENDARS. (a) Senate bills and
15 resolutions pending in the house shall follow the same procedure
16 with regard to calendars as house bills and resolutions, but
17 separate calendars shall be maintained for senate bills and
18 resolutions, and consideration of them on senate bill days shall
19 have priority in the manner and order specified in this rule.

20 (b) No other business shall be considered on days devoted to
21 the consideration of senate bills when there remain any bills on any
22 of the senate calendars, except with the consent of the senate. When
23 all senate calendars are clear, the house may proceed to
24 consideration of house calendars on senate bill days.

25 Sec. 9. SENATE BILL DAYS. (a) On calendar Wednesday and
26 on calendar Thursday of each week, only senate bills and senate
27 resolutions shall be taken up and considered, until disposed of.

1 Senate bills and senate resolutions shall be considered in the
2 order prescribed in Section 7 of this rule on separate senate
3 calendars prepared by the Committee on Calendars. In case a senate
4 bill or senate resolution is pending at adjournment on calendar
5 Thursday, it shall go over to the succeeding calendar Wednesday as
6 unfinished business.

7 (b) Precedence given in Rule 8 to certain classes of bills
8 during the first 60 calendar days of a regular session shall also
9 apply to senate bills on senate bill days.

10 Sec. 10. CONSIDERATION OF SENATE BILL ON SAME
11 SUBJECT. When any house bill is reached on the calendar or is
12 before the house for consideration, it shall be the duty of the
13 speaker to give the place on the calendar of the house bill to any
14 senate bill containing the same subject that has been referred to
15 and reported from a committee of the house and to lay the senate
16 bill before the house, to be considered in lieu of the house bill.

17 Sec. 11. PERIODS FOR CONSIDERATION OF CONGRATULATORY AND
18 MEMORIAL CALENDARS. As the volume of legislation shall warrant,
19 the chair of the Committee on Resolutions Calendars shall move to
20 designate periods for the consideration of congratulatory and
21 memorial calendars. Each such motion shall require a two-thirds
22 vote for its adoption. In each instance, the Committee on
23 Resolutions Calendars shall prepare and post on the electronic
24 legislative information system a calendar at least 24 hours in
25 advance of the hour set for consideration. No memorial or
26 congratulatory resolution will be heard by the full house without
27 having first been approved, at least 24 hours in advance, by a

1 majority of the membership of the Committee on Resolutions
2 Calendars, in accordance with Rule 4, Section 16. It shall not be
3 necessary for the Committee on Resolutions Calendars to report a
4 memorial or congratulatory resolution from committee in order to
5 place the resolution on a congratulatory and memorial calendar. If
6 the Committee on Resolutions Calendars determines that a resolution
7 is not eligible for placement on the congratulatory and memorial
8 calendar the measure shall be sent to the Committee on Calendars for
9 further action. A congratulatory and memorial calendar will
10 contain the resolution number, the author's name, and a brief
11 description of the intent of the resolution. On the congratulatory
12 and memorial calendar, congratulatory resolutions may be listed
13 separately from memorial resolutions. Once a calendar is posted,
14 no additional resolutions will be added to it, and the requirements
15 of this section shall not be subject to suspension.

16 Sec. 12. PROCEDURE FOR CONSIDERATION OF CONGRATULATORY AND
17 MEMORIAL CALENDARS. During the consideration of a congratulatory
18 and memorial calendar, resolutions shall not be read in full unless
19 they pertain to members or former members of the legislature, or
20 unless the intended recipient of the resolution is present on the
21 house floor or in the gallery. All other such resolutions shall be
22 read only by number, type of resolution, and name of the person or
23 persons designated in the resolutions. Members shall notify the
24 chair, in advance of consideration of the calendar, of any
25 resolutions that will be required to be read in full. In addition,
26 the following procedures shall be observed:

27 (1) The chair shall recognize the reading clerk to

1 read the resolutions within each category on the calendar only by
2 number, type of resolution, author or sponsor, and name of the
3 person or persons designated in the resolutions, except for those
4 resolutions that have been withdrawn or that are required to be read
5 in full. The resolutions read by the clerk shall then be adopted in
6 one motion for each category.

7 (2) Subsequent to the adoption of the resolutions read
8 by the clerk, the chair shall proceed to lay before the house the
9 resolutions on the calendar that are required to be read in full.
10 Each such resolution shall be read and adopted individually.

11 (3) If it develops that any resolution on the
12 congratulatory and memorial calendar does not belong on that
13 calendar, the chair shall withdraw the resolution from further
14 consideration, remove it from the calendar, and refer it to the
15 appropriate calendars committee for placement on the proper
16 calendar.

17 Sec. 13. PERIODS FOR CONSIDERATION OF LOCAL, CONSENT, AND
18 RESOLUTIONS CALENDARS. (a) As the volume of legislation shall
19 warrant, the chair of the Committee on Local and Consent Calendars
20 shall move to designate periods for the consideration of local,
21 consent, and resolutions calendars. Each such motion shall require
22 a two-thirds vote for its adoption. In each instance, the Committee
23 on Local and Consent Calendars shall prepare and post on the
24 electronic legislative information system a calendar at least 48
25 hours in advance of the hour set for consideration. Once a calendar
26 is posted, no additional bills or resolutions will be added to it.
27 This requirement can be suspended only by unanimous consent. No

1 local, consent, and resolutions calendar may be considered by the
2 house if it is determined that the rules of the house were not
3 complied with by the Committee on Local and Consent Calendars in
4 preparing that calendar.

5 (b) The period designated for the consideration of a local,
6 consent, and resolutions calendar under this section or under a
7 special order under Section 2 of this rule may not exceed one
8 calendar day.

9 Sec. 14. PROCEDURE FOR CONSIDERATION OF LOCAL, CONSENT, AND
10 RESOLUTIONS CALENDARS. During the consideration of a local,
11 consent, and resolutions calendar set by the Committee on Local and
12 Consent Calendars the following procedures shall be observed:

13 (1) The chair shall allow the sponsor of each bill or
14 resolution three minutes to explain the measure, and the time shall
15 not be extended except by unanimous consent of the house. This rule
16 shall have precedence over all other rules limiting time for
17 debate.

18 (2) If it develops that any bill or resolution on a
19 local, consent, and resolutions calendar is to be contested on the
20 floor of the house under Subdivision (3) or (4) of this section, the
21 chair shall withdraw the bill or resolution from further
22 consideration and remove it from the calendar.

23 (3) Any bill or resolution on a local, consent, and
24 resolutions calendar shall be considered contested if notice is
25 given by five or more members present in the house under Rule 5,
26 Section 45, that they intend to oppose the bill or resolution,
27 either by a raising of hands or the delivery of written notice to

1 the chair.

2 (4) Any bill or resolution on a local, consent, and
3 resolutions calendar shall be considered contested if debate
4 exceeds 10 minutes, after the chair lays out the bill or resolution
5 following the sponsor's explanation under Subdivision (1) of this
6 section. The chair shall strictly enforce this time limit and
7 automatically withdraw the bill from further consideration if the
8 time limit herein imposed is exceeded.

9 (5) Any bill or resolution on a local, consent, and
10 resolutions calendar that is not reached for floor consideration
11 because of the expiration of the calendar day period for
12 consideration established by Section 13 of this rule shall carry
13 over onto the next local, consent, and resolutions calendar. Bills
14 or resolutions that carry over must appear in the same relative
15 order as on the calendar on which the bills or resolutions initially
16 appeared, and bills or resolutions originally from older calendars
17 must appear before those originally from more recent calendars.

18 (6) A motion to postpone a bill or resolution on a
19 local, consent, and resolutions calendar to a subsequent
20 legislative or calendar day requires an affirmative vote of
21 two-thirds of the members present.

22 Sec. 15. ORDER OF CONSIDERATION OF CALENDARS. Except for
23 local, consent, and resolutions calendars and congratulatory and
24 memorial calendars, consideration of calendars shall be in the
25 order named in Section 7 of this rule, subject to any exceptions
26 ordered by the Committee on Calendars. Bills and resolutions on
27 third reading shall have precedence over bills and resolutions on

1 second reading.

2 Sec. 16. DAILY CALENDARS, SUPPLEMENTAL CALENDARS, AND LISTS
3 OF ITEMS ELIGIBLE FOR CONSIDERATION. (a) Calendars shall be
4 prepared daily when the house is in session. A calendar must be
5 posted on the electronic legislative information system at least 36
6 hours if convened in regular session and 24 hours if convened in
7 special session before the calendar may be considered by the house,
8 except as otherwise provided by these rules for the calendar on
9 which the general appropriations bill is first eligible for
10 consideration on second reading when convened in regular session.
11 A calendar that contains a bill extending an agency, commission, or
12 advisory committee under the Texas Sunset Act must be posted at
13 least 48 hours if convened in regular or special session before the
14 calendar may be considered by the house. Deviations from the
15 calendars as posted shall not be permitted except that the
16 Committee on Calendars shall be authorized to prepare and post, not
17 later than two hours before the house convenes, a supplemental
18 daily house calendar, on which shall appear:

19 (1) bills or resolutions which were passed to third
20 reading on the previous legislative day, except as provided by
21 Section 24(b) of this rule;

22 (2) bills or resolutions which appeared on the Daily
23 House Calendar for a previous calendar day which were not reached
24 for floor consideration;

25 (3) postponed business from a previous calendar day;
26 and

27 (4) notice to take from the table a bill or resolution

1 which was laid on the table subject to call on a previous
2 legislative day.

3 In addition to the items listed above, the bills and
4 resolutions from a daily house calendar that will be eligible for
5 consideration may be incorporated, in their proper order as
6 determined by these rules, into the supplemental daily house
7 calendar.

8 (a-1) If the house is convened in regular session, the
9 calendar on which the general appropriations bill is first eligible
10 for consideration on second reading must be posted on the
11 electronic legislative information system at least 144 hours before
12 the calendar may be considered by the house. The posted calendar
13 must indicate the date and time at which the calendar is scheduled
14 for consideration by the house, which date and time must be in
15 accordance with Rule 8, Section 14.

16 (b) In addition, when the volume of legislation shall
17 warrant, and upon request of the speaker, the chief clerk shall have
18 prepared a list of Items Eligible for Consideration, on which shall
19 appear only:

20 (1) house bills with senate amendments that are
21 eligible for consideration under Rule 13, Section 5, including the
22 number of senate amendments and the total number of pages of senate
23 amendments;

24 (2) senate bills for which the senate has requested
25 appointment of a conference committee; and

26 (3) conference committee reports that are eligible for
27 consideration under Rule 13, Section 10.

1 (c) The list of Items Eligible for Consideration must be
2 posted on the electronic legislative information system at least
3 six hours before the list may be considered by the house.

4 (d) The time at which a calendar or list is posted on the
5 electronic legislative information system shall be time-stamped on
6 the originals of the calendar or list.

7 (e) No house calendar shall be eligible for consideration if
8 it is determined that the rules of the house were not complied with
9 by the Committee on Calendars in preparing that calendar.

10 (f) If the Committee on Calendars has proposed a rule for
11 floor consideration of a bill or resolution that is eligible to be
12 placed on a calendar of the daily house calendar, the rule must be
13 printed and a copy distributed to each member. If the bill or
14 resolution to which the rule will apply has already been placed on a
15 calendar of the daily house calendar, a copy of the rule must also
16 be posted with the calendar on which the bill or resolution appears.
17 The speaker shall lay a proposed rule before the house prior to the
18 consideration of the bill or resolution to which the rule will
19 apply. The rule shall be laid before the house not earlier than six
20 hours after a copy of the rule has been distributed to each member
21 in accordance with this subsection. The rule shall not be subject
22 to amendment, but to be effective, the rule must be approved by the
23 house by an affirmative vote of two-thirds of those members present
24 and voting, except that the rule must be approved by an affirmative
25 vote of a majority of those members present and voting if the rule
26 applies to a tax bill, an appropriations bill, or a redistricting
27 bill. If approved by the house in accordance with this subsection,

1 the rule will be effective for the consideration of the bill or
2 resolution on both second and third readings.

3 Sec. 17. POSITION ON A CALENDAR. (a) Unless removed from
4 the calendar under Subsection (b) of this section, once a bill or
5 resolution is placed on its appropriate calendar under these rules,
6 and has appeared on a house calendar, as posted on the electronic
7 legislative information system, the bill shall retain its relative
8 position on the calendar until reached for floor consideration, and
9 the calendars committee with jurisdiction over the bill or
10 resolution shall have no authority to place other bills on the
11 calendar ahead of that bill, but all additions to the calendar shall
12 appear subsequent to the bill.

13 (b) If a bill or resolution that has been placed on a house
14 calendar, as posted on the electronic legislative information
15 system, is recommitted or withdrawn from further consideration, the
16 bill or resolution relinquishes its position on the calendar, and
17 the bill or resolution shall be removed from the calendar.

18 Sec. 18. REQUIREMENTS FOR PLACEMENT ON A CALENDAR. Except
19 as provided in Section 11 of this rule as it relates to
20 congratulatory and memorial resolutions, no bill or resolution
21 shall be placed on a calendar until:

22 (1) it has been referred to and reported from its
23 appropriate standing committee by favorable committee action; or

24 (2) it is ordered printed on minority report or after a
25 committee has reported its inability to recommend a course of
26 action.

27 Sec. 19. REFERRAL TO CALENDARS COMMITTEES. All bills and

1 resolutions, on being reported from committee, shall be referred
2 immediately to the committee coordinator for printing and then to
3 the appropriate calendars committee for placement on the
4 appropriate calendar.

5 Sec. 20. TIME LIMIT FOR VOTE TO PLACE ON A CALENDAR. Within
6 30 calendar days after a bill or resolution has been referred to the
7 appropriate calendars committee, the committee must vote on whether
8 to place the bill or resolution on one of the calendars of the daily
9 house calendar or the local, consent, and resolutions calendar, as
10 applicable. A vote against placement of the bill or resolution on a
11 calendar does not preclude a calendars committee from later voting
12 in favor of placement of the bill or resolution on a calendar.

13 Sec. 21. MOTION TO PLACE ON A CALENDAR. (a) When a bill or
14 resolution has been in the appropriate calendars committee for 30
15 calendar days, exclusive of the calendar day on which it was
16 referred, awaiting placement on one of the calendars of the daily
17 house calendar or on the local, consent, and resolutions calendar,
18 it shall be in order for a member to move that the bill or resolution
19 be placed on a specific calendar of the daily house calendar or on
20 the local, consent, and resolutions calendar without action by the
21 committee. This motion must be seconded by five members and shall
22 require a majority vote for adoption.

23 (b) A motion to place a bill or resolution on a specific
24 calendar of the daily house calendar or on the local, consent, and
25 resolutions calendar is not a privileged motion and must be made
26 during the routine motion period unless made under a suspension of
27 the rules.

1 Sec. 22. REQUEST FOR PLACEMENT ON LOCAL, CONSENT, AND
2 RESOLUTIONS CALENDAR. No bill or resolution shall be considered
3 for placement on the local, consent, and resolutions calendar by
4 the Committee on Local and Consent Calendars unless a request for
5 that placement has been made to the chair of the standing committee
6 from which the bill or resolution was reported and unless the
7 committee report of the standing committee recommends that the bill
8 or resolution be sent to the Committee on Local and Consent
9 Calendars for placement on the local, consent, and resolutions
10 calendar. The recommendation of the standing committee shall be
11 advisory only, and the Committee on Local and Consent Calendars
12 shall have final authority to determine whether or not a bill or
13 resolution shall be placed on the local, consent, and resolutions
14 calendar. If the Committee on Local and Consent Calendars
15 determines that the bill or resolution is not eligible for
16 placement on the local, consent, and resolutions calendar, the
17 measure shall be sent to the Committee on Calendars for further
18 action.

19 Sec. 23. QUALIFICATIONS FOR PLACEMENT ON THE LOCAL,
20 CONSENT, AND RESOLUTIONS CALENDAR. (a) No bill defined as a local
21 bill by Rule 8, Section 10(c), shall be placed on the local,
22 consent, and resolutions calendar unless:

23 (1) evidence of publication of notice in compliance
24 with the Texas Constitution and these rules is filed with the
25 Committee on Local and Consent Calendars; and

26 (2) it has been recommended unanimously by the present
27 and voting members of the committee from which it was reported that

1 the bill be sent to the Committee on Local and Consent Calendars for
2 placement on the local, consent, and resolutions calendar.

3 (b) No other bill or resolution shall be placed on the
4 local, consent, and resolutions calendar unless it has been
5 recommended unanimously by the present and voting members of the
6 committee from which it was reported that the bill be sent to the
7 Committee on Local and Consent Calendars for placement on the
8 local, consent, and resolutions calendar.

9 (c) No bill or resolution shall be placed on the local,
10 consent, and resolutions calendar that:

11 (1) directly or indirectly prevents from being
12 available for purposes of funding state government generally any
13 money that under existing law would otherwise be available for that
14 purpose, including a bill that transfers or diverts money in the
15 state treasury from the general revenue fund to another fund; or

16 (2) authorizes or requires the expenditure or
17 diversion of state funds for any purpose, as determined by a fiscal
18 note attached to the bill.

19 Sec. 24. REPLACEMENT OF CONTESTED BILLS AND
20 RESOLUTIONS. (a) A bill on second reading or a resolution once
21 removed from the local, consent, and resolutions calendar by being
22 contested on the floor of the house under Section 14(3) or (4) of
23 this rule shall be returned to the Committee on Local and Consent
24 Calendars for further action. The Committee on Local and Consent
25 Calendars, if it feels such action is warranted, may again place the
26 bill or resolution on the local, consent, and resolutions calendar,
27 provided, however, that if the bill or resolution is not placed on

1 the next local, consent, and resolutions calendar set by the
2 Committee on Local and Consent Calendars, the bill or resolution
3 shall immediately be referred to the Committee on Calendars for
4 further action. If a bill on second reading or a resolution is then
5 removed from the calendar a second time by being contested on the
6 floor of the house under Section 14(3) or (4) of this rule, the bill
7 or resolution shall not again be placed on the local, consent, and
8 resolutions calendar by the Committee on Local and Consent
9 Calendars during that session of the legislature but shall be
10 returned to the Committee on Calendars for further action.

11 (b) A bill on third reading removed from the local, consent,
12 and resolutions calendar under Section 14(3) or (4) of this rule
13 shall appear on the supplemental daily house calendar for the next
14 legislative day for which a supplemental daily house calendar has
15 not already been distributed, pursuant to Section 16(a)(1) of this
16 rule.

17 (c) This section does not apply to a bill or resolution on
18 the local, consent, and resolutions calendar that is withdrawn from
19 the calendar at the request of the author or sponsor without being
20 contested under Section 14(3) or (4) of this rule. A bill or
21 resolution withdrawn under this subsection shall be returned to the
22 Committee on Local and Consent Calendars for further action. The
23 Committee on Local and Consent Calendars, if it feels such action is
24 warranted, may again place the bill or resolution on the local,
25 consent, and resolutions calendar or refer the bill or resolution
26 to the Committee on Calendars for further action.

27 Sec. 25. DISCRETION IN PLACEMENT ON CALENDARS. Subject to

1 the limitations contained in this rule, the Committee on Calendars
2 shall have full authority to make placements on calendars in
3 whatever order is necessary and desirable under the circumstances
4 then existing, except that bills on third reading shall have
5 precedence over bills on second reading. It is the intent of the
6 calendar system to give the Committee on Calendars wide discretion
7 to insure adequate consideration by the house of important
8 legislation.

RULE 7. MOTIONS

CHAPTER A. GENERAL MOTIONS

Sec. 1. MOTIONS DECIDED WITHOUT DEBATE. The following motions, in addition to any elsewhere provided herein, shall be decided without debate, except as otherwise provided in these rules:

- (1) to adjourn;
- (2) to lay on the table;
- (3) to lay on the table subject to call;
- (4) to suspend the rule as to the time for introduction of bills;
- (5) to order a call of the house, and all motions incidental thereto;
- (6) an appeal by a member called to order;
- (7) on questions relating to priority of business;
- (8) to amend the caption of a bill or resolution;
- (9) to extend the time of a member speaking under the previous question or to allow a member who has the right to speak after the previous question is ordered to yield the time, or a part of it, to another;
- (10) to reconsider and table.

Sec. 2. MOTIONS SUBJECT TO DEBATE. The speaker shall permit the mover and one opponent of the motion three minutes each during which to debate the following motions without debating the merits of the bill, resolution, or other matter, and the mover of the motion may elect to either open the debate or close the debate, but the mover's time may not be divided:

- 1 (1) to suspend the regular order of business and take
2 up some measure out of its regular order;
- 3 (2) to instruct a committee to report a certain bill or
4 resolution;
- 5 (3) to rerefer a bill or resolution from one committee
6 to another;
- 7 (4) to place a bill or resolution on a specific
8 calendar without action by the appropriate calendars committee;
- 9 (5) to take up a bill or resolution laid on the table
10 subject to call;
- 11 (6) to set a special order;
- 12 (7) to suspend the rules;
- 13 (8) to suspend the constitutional rule requiring bills
14 to be read on three several days;
- 15 (9) to pass a resolution suspending the joint rules;
- 16 (10) to order the previous question;
- 17 (11) to order the limiting of amendments to a bill or
18 resolution;
- 19 (12) to print documents, reports, or other material in
20 the journal;
- 21 (13) to take any other action required or permitted
22 during the routine motion period by Rule 6, Section 1;
- 23 (14) to divide the question.

24 Sec. 3. MOTIONS ALLOWED DURING DEBATE. When a question is
25 under debate, the following motions, and none other, shall be in
26 order, and such motions shall have precedence in the following
27 order:

- 1 (1) to adjourn;
- 2 (2) to take recess;
- 3 (3) to lay on the table;
- 4 (4) to lay on the table subject to call;
- 5 (5) for the previous question;
- 6 (6) to postpone to a day certain;
- 7 (7) to commit, recommit, refer, or rerefer;
- 8 (8) to amend by striking out the enacting or resolving
- 9 clause, which, if carried, shall have the effect of defeating the
- 10 bill or resolution;
- 11 (9) to amend;
- 12 (10) to postpone indefinitely.

13 Sec. 4. STATEMENT OR READING OF A MOTION. When a motion has
14 been made, the speaker shall state it, or if it is in writing, order
15 it read by the clerk; and it shall then be in possession of the
16 house.

17 Sec. 5. ENTRY OF MOTIONS IN JOURNAL. Every motion made to
18 the house and entertained by the speaker shall be reduced to writing
19 on the demand of any member, and shall be entered on the journal
20 with the name of the member making it.

21 Sec. 6. WITHDRAWAL OF A MOTION. A motion may be withdrawn
22 by the mover at any time before a decision on the motion, even
23 though an amendment may have been offered and is pending. It cannot
24 be withdrawn, however, if the motion has been amended. After the
25 previous question has been ordered, a motion can be withdrawn only
26 by unanimous consent.

27 Sec. 7. MOTIONS TO ADJOURN OR RECESS. A motion to adjourn

1 or recess shall always be in order, except:

2 (1) when the house is voting on another motion;

3 (2) when the previous question has been ordered and
4 before the final vote on the main question, unless a roll call shows
5 the absence of a quorum;

6 (3) when a member entitled to the floor has not yielded
7 for that purpose; or

8 (4) when no business has been transacted since a
9 motion to adjourn or recess has been defeated.

10 Sec. 8. CONSIDERATION OF SEVERAL MOTIONS TO ADJOURN OR
11 RECESS. When several motions to recess or adjourn are made at the
12 same period, the motion to adjourn carrying the shortest time shall
13 be put first, then the next shortest time, and in that order until a
14 motion to adjourn has been adopted or until all have been voted on
15 and lost; and then the same procedure shall be followed for motions
16 to recess.

17 Sec. 9. WITHDRAWAL OR ADDITION OF A MOTION TO ADJOURN OR
18 RECESS. A motion to adjourn or recess may not be withdrawn when it
19 is one of a series upon which voting has commenced, nor may an
20 additional motion to adjourn or recess be made when voting has
21 commenced on a series of such motions.

22 Sec. 10. RECONSIDERATION OF VOTE TO ADJOURN OR RECESS. The
23 vote by which a motion to adjourn or recess is carried or lost shall
24 not be subject to a motion to reconsider.

25 Sec. 11. ADJOURNING WITH LESS THAN A QUORUM. A smaller
26 number of members than a quorum may adjourn from day to day, and may
27 compel the attendance of absent members.

1 Sec. 12. MOTION TO TABLE. A motion to lay on the table, if
2 carried, shall have the effect of killing the bill, resolution,
3 amendment, or other immediate proposition to which it was applied.
4 Such a motion shall not be debatable, but the mover of the
5 proposition to be tabled, or the member reporting it from
6 committee, shall be allowed to close the debate after the motion to
7 table is made and before it is put to a vote. When a motion to table
8 is made to a debatable main motion, the main motion mover shall be
9 allowed 20 minutes to close the debate, whereas the movers of other
10 debatable motions sought to be tabled shall be allowed only 10
11 minutes to close. The vote by which a motion to table is carried or
12 lost cannot be reconsidered. After the previous question has been
13 ordered, a motion to table is not in order. The provisions of this
14 section do not apply to motions to "lay on the table subject to
15 call"; however, a motion to lay on the table subject to call cannot
16 be made after the previous question has been ordered.

17 Sec. 13. MATTERS TABLED SUBJECT TO CALL. When a bill,
18 resolution, or other matter is pending before the house, it may be
19 laid on the table subject to call, and one legislative day's notice,
20 as provided on the Supplemental House Calendar, must be given
21 before the proposition can be taken from the table, unless it is on
22 the same legislative day, in which case it can be taken from the
23 table at any time except when there is another matter pending before
24 the house. A bill, resolution, or other matter can be taken from
25 the table only by a majority vote of the house. When a special order
26 is pending, a motion to take a proposition from the table cannot be
27 made unless the proposition is a privileged matter.

1 Sec. 14. MOTION TO POSTPONE. (a) A motion to postpone to a
2 day certain may be amended and is debatable within narrow limits,
3 but the merits of the proposition sought to be postponed cannot be
4 debated. A motion to postpone indefinitely opens to debate the
5 entire proposition to which it applies.

6 (b) A motion to postpone a bill or resolution on a local,
7 consent, and resolutions calendar to a subsequent legislative or
8 calendar day requires an affirmative vote of two-thirds of the
9 members present.

10 Sec. 15. POSTPONED MATTERS. A bill or proposition
11 postponed to a day certain shall be laid before the house at the
12 time on the calendar day to which it was postponed, provided it is
13 otherwise eligible under the rules and no other business is then
14 pending. If business is pending, the postponed matter shall be
15 deferred until the pending business is disposed of without
16 prejudice otherwise to its right of priority. When a privileged
17 matter is postponed to a particular time, and that time arrives, the
18 matter, still retaining its privileged nature, shall be taken up
19 even though another matter is pending.

20 Sec. 16. ORDER OF CONSIDERATION OF POSTPONED MATTERS. If
21 two or more bills, resolutions, or other propositions are postponed
22 to the same time, and are otherwise eligible for consideration at
23 that time, they shall be considered in the chronological order of
24 their setting.

25 Sec. 17. MOTION TO REFER. When motions are made to refer a
26 subject to a select or standing committee, the question on the
27 subject's referral to a standing committee shall be put first.

1 Sec. 18. MOTION TO RECOMMIT. A motion to recommit a bill,
2 after being defeated at the routine motion period, may again be made
3 when the bill itself is under consideration; however, a motion to
4 recommit a bill shall not be in order at the routine motion period
5 if the bill is then before the house as either pending business or
6 unfinished business.

7 A motion to recommit a bill or resolution can be made and
8 voted on even though the author, sponsor, or principal proponent is
9 not present.

10 Sec. 19. TERMS OF DEBATE ON MOTIONS TO REFER, REREFER,
11 COMMIT, OR RECOMMIT. A motion to refer, rerefer, commit, or
12 recommit is debatable within narrow limits, but the merits of the
13 proposition may not be brought into the debate. A motion to refer,
14 rerefer, commit, or recommit with instructions is fully debatable.

15 Sec. 20. RECOMMITTING TO COMMITTEE FOR A SECOND TIME.
16 Except as provided in Rule 4, Section 30, when a bill has been
17 recommitted once at any reading and has been reported adversely by
18 the committee to which it was referred, it shall be in order to
19 again recommit the bill only if a minority report has been filed in
20 the time required by the rules of the house. A two-thirds vote of
21 those present shall be required to recommit a second time.

22 CHAPTER B. MOTION FOR THE PREVIOUS QUESTION

23 Sec. 21. MOTION FOR THE PREVIOUS QUESTION. There shall be a
24 motion for the previous question, which shall be admitted only when
25 seconded by 25 members. It shall be put by the chair in this manner:
26 "The motion has been seconded. Three minutes pro and con debate
27 will be allowed on the motion for ordering the previous question."

1 As soon as the debate has ended, the chair shall continue: "As many
2 as are in favor of ordering the previous question on (here state on
3 which question or questions) will say 'Aye,'" and then, "As many as
4 are opposed say 'Nay.'" As in all other propositions, a motion for
5 the previous question may be taken by a record vote if demanded by
6 any member. If ordered by a majority of the members voting, a
7 quorum being present, it shall have the effect of cutting off all
8 debate, except as provided in Section 23 of this rule, and bringing
9 the house to a direct vote on the immediate question or questions on
10 which it has been asked and ordered.

11 Sec. 22. DEBATE ON MOTION FOR PREVIOUS QUESTION. On the
12 motion for the previous question, there shall be no debate except as
13 provided in Sections 2 and 21 of this rule. All incidental
14 questions of order made pending decision on such motion shall be
15 decided, whether on appeal or otherwise, without debate.

16 Sec. 23. LIMITATION OF DEBATE AFTER PREVIOUS QUESTION
17 ORDERED. After the previous question has been ordered, there shall
18 be no debate upon the questions on which it has been ordered, or
19 upon the incidental questions, except that the mover of the
20 proposition or any of the pending amendments or any other motions,
21 or the member making the report from the committee, or, in the case
22 of the absence of either of them, any other member designated by
23 such absentee, shall have the right to close the debate on the
24 particular proposition or amendment. Then a vote shall be taken
25 immediately on the amendments or other motions, if any, and then on
26 the main question.

27 Sec. 24. SPEAKING AND VOTING AFTER THE PREVIOUS QUESTION

1 ORDERED. All members having the right to speak after the previous
2 question has been ordered shall speak before the question is put on
3 the first proposition covered by the previous question. All votes
4 shall then be taken in the correct order, and no vote or votes shall
5 be deferred to allow any member to close on any one of the
6 propositions separately after the voting has commenced.

7 Sec. 25. SPEAKING ON AN AMENDMENT AS SUBSTITUTED. When an
8 amendment has been substituted and the previous question is then
9 moved on the adoption of the amendment as substituted, the author of
10 the amendment as substituted shall have the right to close the
11 debate on that amendment in lieu of the author of the original
12 amendment.

13 Sec. 26. SPEAKING ON A MOTION TO POSTPONE OR AMEND. When
14 the previous question is ordered on a motion to postpone
15 indefinitely or to amend by striking out the enacting clause of a
16 bill, the member moving to postpone or amend shall have the right to
17 close the debate on that motion or amendment, after which the mover
18 of the proposition or bill proposed to be so postponed or amended,
19 or the member reporting it from the committee, or, in the absence of
20 either of them, any other member designated by the absentee, shall
21 be allowed to close the debate on the original proposition.

22 Sec. 27. APPLICATION OF THE PREVIOUS QUESTION. The
23 previous question may be asked and ordered on any debatable single
24 motion or series of motions, or any amendment or amendments
25 pending, or it may be made to embrace all authorized debatable
26 motions or amendments pending and include the bill, resolution, or
27 proposition that is on second or third reading. The previous

1 question cannot be ordered, however, on the main proposition
2 without including other pending motions of lower rank as given in
3 Section 3 of this rule.

4 Sec. 28. LIMIT OF APPLICATION. The previous question shall
5 not extend beyond the final vote on a motion or sequence of motions
6 to which the previous question has been ordered.

7 Sec. 29. AMENDMENTS NOT YET LAID BEFORE THE HOUSE.
8 Amendments on the speaker's desk for consideration which have not
9 actually been laid before the house and read cannot be included
10 under a motion for the previous question.

11 Sec. 30. MOVING THE PREVIOUS QUESTION AFTER A MOTION TO
12 TABLE. If a motion to table is made directly to a main motion, the
13 motion for the previous question is not in order. In a case where an
14 amendment to a main motion is pending, and a motion to table the
15 amendment is made, it is in order to move the previous question on
16 the main motion, the pending amendment, and the motion to table the
17 amendment.

18 Sec. 31. NO SUBSTITUTE FOR MOTION FOR THE PREVIOUS
19 QUESTION. There is no acceptable substitute for a motion for the
20 previous question, nor can other motions be applied to it.

21 Sec. 32. MOTION FOR THE PREVIOUS QUESTION NOT SUBJECT TO
22 TABLING. The motion for the previous question is not subject to a
23 motion to table.

24 Sec. 33. MOTION TO ADJOURN AFTER MOTION FOR PREVIOUS
25 QUESTION ACCEPTED. The motion to adjourn is not in order after a
26 motion for the previous question is accepted by the chair, or after
27 the seconding of such motion and before a vote is taken.

1 Sec. 34. MOTIONS IN ORDER AFTER PREVIOUS QUESTION ORDERED.
2 After the previous question has been ordered, no motion shall be in
3 order until the question or questions on which it was ordered have
4 been voted on, without debate, except:

5 (1) a motion for a call of the house, and motions
6 incidental thereto;

7 (2) a motion to extend the time of a member closing on
8 a proposition;

9 (3) a motion to permit a member who has the right to
10 speak to yield the time or a part thereof to another member;

11 (4) a request for and a verification of a vote;

12 (5) a motion to reconsider the vote by which the
13 previous question was ordered. A motion to reconsider may be made
14 only once and that must be before any vote under the previous
15 question has been taken;

16 (6) a motion to table a motion to reconsider the vote
17 by which the previous question has been ordered;

18 (7) a double motion to reconsider and table the vote by
19 which the previous question was ordered.

20 Sec. 35. MOTION TO ADJOURN OR RECESS AFTER PREVIOUS
21 QUESTION ORDERED. No motion for an adjournment or a recess shall be
22 in order after the previous question is ordered until the final vote
23 under the previous question has been taken, unless the roll call
24 shows the absence of a quorum.

25 Sec. 36. ADJOURNING WITHOUT A QUORUM. When the house
26 adjourns without a quorum under the previous question, the previous
27 question shall remain in force and effect when the bill,

1 resolution, or other proposition is again laid before the house.

2 CHAPTER C. RECONSIDERATION

3 Sec. 37. MOTION TO RECONSIDER A VOTE. (a) When a question
4 has been decided by the house and the yeas and nays have been called
5 for and recorded, any member voting with the prevailing side may, on
6 the same legislative day, or on the next legislative day, move a
7 reconsideration; however, if a reconsideration is moved on the next
8 legislative day, it must be done before the order of the day, as
9 designated in the 10th item of Rule 6, Section 1(a), is taken up.
10 If the house refuses to reconsider, or on reconsideration, affirms
11 its decision, no further action to reconsider shall be in order.

12 (b) Where the yeas and nays have not been called for and
13 recorded, any member, regardless of whether he or she voted on the
14 prevailing side or not, may make the motion to reconsider; however,
15 even when the yeas and nays have not been recorded, the following
16 shall not be eligible to make a motion to reconsider:

- 17 (1) a member who was absent;
18 (2) a member who was paired and, therefore, did not
19 vote; and
20 (3) a member who was recorded in the journal as having
21 voted on the losing side.

22 (c) Except as otherwise provided by this subsection, a
23 motion to reconsider the vote by which a bill, joint resolution, or
24 concurrent resolution was defeated is not in order unless a member
25 has previously provided at least one hour's notice of intent to make
26 the motion by addressing the house when the house is in session and
27 stating that a member intends to make a motion to reconsider the

1 vote by which the bill or resolution was defeated. It is not
2 necessary for the member providing the notice to be eligible to make
3 or to be the member who subsequently makes the motion to reconsider.
4 If notice of intent to make a motion to reconsider is given within
5 the period that the motion to reconsider may be made under
6 Subsection (a) of this section and that period expires during the
7 one-hour period required by this subsection, then the period within
8 which the motion may be made under Subsection (a) is extended by the
9 amount of time, not to exceed one hour during which the house is in
10 session, necessary to satisfy the one-hour notice required by this
11 subsection. This subsection does not apply to a motion to
12 reconsider and table or to a motion to reconsider and spread on the
13 journal, if no business has been transacted after the defeat of the
14 measure.

15 Sec. 38. DEBATE ON MOTION TO RECONSIDER. A motion to
16 reconsider shall be debatable only when the question to be
17 reconsidered is debatable. Even though the previous question was
18 in force before the vote on a debatable question was taken, debate
19 is permissible on the reconsideration of such debatable question.

20 Sec. 39. MAJORITY VOTE REQUIRED. Every motion to
21 reconsider shall be decided by a majority vote, even though the vote
22 on the original question requires a two-thirds vote for affirmative
23 action. If the motion to reconsider prevails, the question then
24 immediately recurs on the question reconsidered.

25 Sec. 40. WITHDRAWAL OF MOTION TO RECONSIDER. A motion to
26 reconsider cannot be withdrawn unless permission is given by a
27 majority vote of the house, and the motion may be called up by any

1 member.

2 Sec. 41. TABLING MOTION TO RECONSIDER. A motion to
3 reconsider shall be subject to a motion to table, which, if carried,
4 shall be a final disposition of the motion to reconsider.

5 Sec. 42. DOUBLE MOTION TO RECONSIDER AND TABLE. The double
6 motion to reconsider and table shall be in order. It shall be
7 undebatable. When carried, the motion to reconsider shall be
8 tabled. When it fails, the question shall then be on the motion to
9 reconsider, and the motion to reconsider shall, without further
10 action, be spread on the journal, but it may be called up by any
11 member, in accordance with the provisions of Section 43 of this
12 rule.

13 Sec. 43. DELAYED DISPOSITION OF MOTION TO RECONSIDER. (a)
14 If a motion to reconsider is not disposed of when made, it shall be
15 entered in the journal, and cannot, after that legislative day, be
16 called up and disposed of unless one legislative day's notice has
17 been given.

18 (b) Unless called up and disposed of prior to 72 hours
19 before final adjournment of the session, all motions to reconsider
20 shall be regarded as determined and lost.

21 (c) All motions to reconsider made during the last 72 hours
22 of the session shall be disposed of when made; otherwise, the motion
23 shall be considered as lost.

24 Sec. 44. MOTION TO RECONSIDER AND SPREAD ON JOURNAL. (a) A
25 member voting on the prevailing side may make a motion to reconsider
26 and spread on the journal, which does not require a vote, and on the
27 motion being made, it shall be entered on the journal. Any member,

1 regardless of whether he or she voted on the prevailing side or not,
2 who desires immediate action on a motion to reconsider which has
3 been spread on the journal, can call it up as soon as it is made, and
4 demand a vote on it, or can call it up and move to table it.

5 (b) If the motion to table the motion to reconsider is
6 defeated, the motion to reconsider remains spread on the journal
7 for future action; however, any member, regardless of whether he or
8 she voted on the prevailing side or not, can call the motion from
9 the journal for action by the house, and, once disposed of, no other
10 motion to reconsider can be made.

11 Sec. 45. MOTION TO REQUIRE COMMITTEE TO REPORT. (a) During
12 the first 76 calendar days of a regular session, when any bill,
13 resolution, or other paper has been in committee for 6 calendar
14 days, exclusive of the calendar day on which it was referred, it
15 shall be in order for a member to move that the committee be
16 required to report the same within 7 calendar days. This motion
17 shall require a two-thirds vote for passage.

18 (b) After the first 76 calendar days of a regular session,
19 when any bill, resolution, or other paper has been in committee for
20 6 calendar days, exclusive of the calendar day on which it was
21 referred, it shall be in order for a member to move that the
22 committee be required to report the same within 7 calendar days.
23 This motion shall require a majority vote for passage.

24 (c) A motion to instruct a committee to report is not a
25 privileged motion and must be made during the routine motion period
26 unless made under a suspension of the rules.

27 (d) The house shall have no authority to instruct a

1 subcommittee directly; however, instructions recognized under the
2 rules may be given to a committee and shall be binding on all
3 subcommittees.

4 Sec. 46. MOTION TO REREFER TO ANOTHER COMMITTEE. (a)
5 During the first 76 calendar days of a regular session, when any
6 bill, resolution, or other paper has been in committee for 7
7 calendar days after the committee was instructed by the house to
8 report that measure by a motion made under Section 45 of this rule,
9 it shall be in order for a member to move to rerefer the bill,
10 resolution, or other paper to a different committee. This motion
11 shall require a two-thirds vote for passage.

12 (b) After the first 76 calendar days of a regular session,
13 when any bill, resolution, or other paper has been in committee for
14 7 calendar days after the committee has been instructed to report
15 that measure by a motion made under Section 45 of this rule, it
16 shall be in order for a member to move to rerefer the bill,
17 resolution, or other paper to a different committee. This motion
18 shall require a majority vote for passage.

19 (c) A motion to rerefer a bill, resolution, or other paper
20 from one committee to another committee is not a privileged motion
21 and must be made during the routine motion period unless made under
22 a suspension of the rules.

RULE 8. BILLS

1
2 Sec. 1. CONTENTS OF BILLS. (a) Proposed laws or changes in
3 laws must be incorporated in bills, which shall consist of:

4 (1) a title or caption, beginning with the words "A
5 Bill to be Entitled An Act" and a brief statement that gives the
6 legislature and the public reasonable notice of the subject of the
7 proposed measure;

8 (2) an enacting clause, "Be It Enacted by the
9 Legislature of the State of Texas"; and

10 (3) the bill proper.

11 (b) A house bill that would impose, authorize, increase, or
12 change the rate or amount of a tax, assessment, surcharge, or fee
13 must include a short statement at the end of its title or caption
14 indicating the general effect of the bill on the tax, assessment,
15 surcharge, or fee, such as "imposing a tax (or assessment),"
16 "authorizing a surcharge (or fee)," or "increasing the rate (or
17 amount) of a tax."

18 (c) A house bill that would create a criminal offense,
19 increase the punishment for an existing criminal offense or
20 category of offenses, or change the eligibility of a person for
21 community supervision, parole, or mandatory supervision must
22 include a short statement at the end of its title or caption
23 indicating the general effect of the bill on the offense,
24 punishment, or eligibility, such as "creating a criminal offense,"
25 "increasing a criminal penalty," or "changing the eligibility for
26 community supervision (or parole or mandatory supervision)."

27 (d) A house bill that would create a requirement that an

1 individual or entity obtain a license, certificate, registration,
2 permit, or other authorization before engaging in a particular
3 occupation or profession or that would expand an existing
4 requirement to additional individuals or entities must include a
5 short statement at the end of its title or caption indicating the
6 general effect of the bill on the occupation or profession, such as
7 "requiring an occupational license" or "expanding the
8 applicability of an occupational license (or permit or
9 certificate)."

10 Sec. 2. PUBLISHING ACTS IN THEIR ENTIRETY. No law shall be
11 revived or amended by reference to its title. The act revived, or
12 the section or sections amended, shall be reenacted and published
13 at length. This rule does not apply to revisions adopted under
14 Article III, Section 43, of the Texas Constitution.

15 Sec. 3. LIMITING A BILL TO A SINGLE SUBJECT. Each bill
16 (except a general appropriations bill, which may embrace the
17 various subjects and accounts for which money is appropriated or a
18 revision adopted under Article III, Section 43, of the Texas
19 Constitution) shall contain only one subject.

20 Sec. 4. CHANGING GENERAL LAW THROUGH AN APPROPRIATIONS
21 BILL. A general law may not be changed by the provisions in an
22 appropriations bill.

23 Sec. 5. COAUTHORSHIP, JOINT AUTHORSHIP, SPONSORSHIP,
24 COSPONSORSHIP, AND JOINT SPONSORSHIP. (a) A house bill or
25 resolution may have only one primary author. The signature of the
26 primary author shall be the only signature that appears on the
27 measure filed with the chief clerk. The signatures of all coauthors

1 or joint authors shall appear on the appropriate forms in the chief
2 clerk's office.

3 (b) Any member may become the coauthor of a bill or
4 resolution by securing permission from the author. If permission
5 is secured from the author prior to the time the measure is filed
6 with the chief clerk, the primary author and the coauthor shall sign
7 the appropriate form, which shall be included with the measure when
8 it is filed with the chief clerk. If a member wishes to become the
9 coauthor of a measure after it has been filed, no action shall be
10 required by the house, but it shall be the duty of the member
11 seeking to be a coauthor to obtain written authorization on the
12 appropriate form from the author. This authorization shall be
13 filed with the chief clerk before the coauthor signs the form for
14 the bill or resolution. The chief clerk shall report daily to the
15 journal clerk the names of members filed as coauthors of bills or
16 resolutions. If a coauthor of a bill or resolution desires to
17 withdraw from such status, the member shall notify the chief clerk,
18 who in turn shall notify the journal clerk.

19 (c) The primary author of a measure may designate up to four
20 joint authors by providing written authorization on the appropriate
21 form to the chief clerk. If a member designated as a joint author
22 has not already signed on the measure as a coauthor, that member
23 must also sign the form before the records will reflect the joint
24 author status of that member. The names of all joint authors shall
25 be shown immediately following the primary author's name on all
26 official printings of the measure, on all house calendars, in the
27 house journal, and in the electronic legislative information

1 system.

2 (d) The determination of the house sponsor of a senate
3 measure is made at the time the measure is reported from committee.
4 In the case of multiple requests for house sponsorship, the house
5 sponsor of a senate measure shall be determined by the chair of the
6 committee, in consultation with the senate author of the measure.
7 The chair of the committee must designate a primary sponsor and may
8 designate up to four joint sponsors or an unlimited number of
9 cosponsors. The names of all joint sponsors shall be shown
10 immediately following the primary sponsor's name on all official
11 printings of the measure, on all house calendars, in the house
12 journal, and in the electronic legislative information system.

13 Sec. 6. FILING, FIRST READING, AND REFERRAL TO COMMITTEE.
14 Each bill shall be filed with the chief clerk when introduced and
15 shall be numbered in its regular order. Each bill shall be read
16 first time by caption and referred by the speaker to the appropriate
17 committee with jurisdiction.

18 Sec. 7. PREFILING. Beginning the first Monday after the
19 general election preceding the next regular legislative session, or
20 within 30 days prior to any special session, it shall be in order to
21 file with the chief clerk bills and resolutions for introduction in
22 that session. On receipt of the bills or resolutions, the chief
23 clerk shall number them and make them a matter of public record,
24 available for distribution. Once a bill or resolution has been so
25 filed, it may not be recalled. This shall apply only to
26 members-elect of the succeeding legislative session.

27 Sec. 8. DEADLINE FOR INTRODUCTION. (a) Bills and joint

1 resolutions introduced during the first 60 calendar days of the
2 regular session may be considered by the committees and in the house
3 and disposed of at any time during the session, in accordance with
4 the rules of the house. After the first 60 calendar days of a
5 regular session, any bill or joint resolution, except local bills,
6 emergency appropriations, and all emergency matters submitted by
7 the governor in special messages to the legislature, shall require
8 an affirmative vote of four-fifths of those members present and
9 voting to be introduced.

10 (b) In addition to a bill defined as a "local bill" under
11 Section 10(c) of this rule, a bill is considered local for purposes
12 of this section if it relates to a specified district created under
13 Article XVI, Section 59, of the Texas Constitution (water
14 districts, etc.), a specified hospital district, or another
15 specified special purpose district, even if neither these rules nor
16 the Texas Constitution require publication of notice for that bill.

17 Sec. 9. FILING. (a) A bill must be filed with the chief
18 clerk in the manner and in an electronic or other format specified
19 by the chief clerk at the time that the bill is introduced.

20 (b) A bill relating to conservation and reclamation
21 districts and governed by the provisions of Article XVI, Section
22 59, of the Texas Constitution must be filed with copies of the
23 notice to introduce the bill attached if the bill is intended to:

24 (1) create a particular conservation and reclamation
25 district; or

26 (2) amend the act of a particular conservation and
27 reclamation district to:

- 1 (A) add additional land to the district;
- 2 (B) alter the taxing authority of the district;
- 3 (C) alter the authority of the district with
4 respect to issuing bonds; or
- 5 (D) alter the qualifications or terms of office
6 of the members of the governing body of the district.

7 Sec. 10. LOCAL BILLS. (a) The house may not consider a
8 local bill unless notice of intention to apply for the passage of
9 the bill was published as provided by law and evidence of the
10 publication is attached to the bill. If not attached to the bill on
11 filing with the chief clerk or receipt of the bill from the senate,
12 copies of the evidence of timely publication shall be filed with the
13 chief clerk and must be distributed to the members of the committee
14 not later than the first time the bill is laid out in a committee
15 meeting. The evidence shall be attached to the bill on first
16 printing and shall remain with the measure throughout the entire
17 legislative process, including submission to the governor.

18 (b) Neither the house nor a committee of the house may
19 consider a bill whose application is limited to one or more
20 political subdivisions by means of population brackets or other
21 artificial devices in lieu of identifying the political subdivision
22 or subdivisions by name. However, this subsection does not prevent
23 consideration of a bill that classifies political subdivisions
24 according to a minimum or maximum population or other criterion
25 that bears a reasonable relation to the purpose of the proposed
26 legislation or a bill that updates laws based on population
27 classifications to conform to a federal decennial census.

1 (c) Except as provided by Subsection (d) of this section,
2 "local bill" for purposes of this section means:

3 (1) a bill for which publication of notice is required
4 under Article XVI, Section 59, of the Texas Constitution (water
5 districts, etc.);

6 (2) a bill for which publication of notice is required
7 under Article IX, Section 9, of the Texas Constitution (hospital
8 districts);

9 (3) a bill relating to hunting, fishing, or
10 conservation of wildlife resources of a specified locality;

11 (4) a bill creating or affecting a county court or
12 statutory court or courts of one or more specified counties or
13 municipalities;

14 (5) a bill creating or affecting the juvenile board or
15 boards of a specified county or counties; or

16 (6) a bill creating or affecting a road utility
17 district under the authority of Article III, Section 52, of the
18 Texas Constitution.

19 (d) A bill is not considered to be a local bill under
20 Subsection (c)(3), (4), or (5) if it affects a sufficient number of
21 localities, counties, or municipalities so as to be of general
22 application or of statewide importance.

23 Sec. 11. CONSIDERATION IN COMMITTEE. (a) No bill shall be
24 considered unless it first has been referred to a committee and
25 reported from it.

26 (b) After a bill has been recommitted, it shall be
27 considered by the committee as a new subject.

1 Sec. 12. ORDER OF CONSIDERATION. All bills and resolutions
2 before the house shall be taken up and acted on in the order in which
3 they appear on their respective calendars, and each calendar shall
4 have the priority accorded to it by the provisions of Rule 6,
5 Sections 7 and 8.

6 Sec. 13. DEADLINES FOR CONSIDERATION. (a) No house bill
7 that is local as defined by Section 10(c) of this rule and that
8 appears on a local, consent, and resolutions calendar shall be
9 considered for any purpose after the 130th day of a regular session,
10 except to:

- 11 (1) act on senate amendments;
- 12 (2) adopt a conference committee report;
- 13 (3) reconsider the bill to make corrections; or
- 14 (4) pass the bill notwithstanding the objections of
15 the governor.

16 (b) No other house bill or joint resolution shall be
17 considered on its second reading after the 122nd day of a regular
18 session if it appears on a daily or supplemental daily house
19 calendar, or for any purpose after the 123rd day of a regular
20 session, except to:

- 21 (1) act on senate amendments;
- 22 (2) adopt a conference committee report;
- 23 (3) reconsider the bill or resolution to make
24 corrections; or
- 25 (4) pass the bill notwithstanding the objections of
26 the governor.

27 (c) No senate bill or joint resolution shall be considered

1 on its second reading after the 134th day of a regular session if it
2 appears on a daily or supplemental daily house calendar, or for any
3 purpose after the 135th day of a regular session, except to:

4 (1) adopt a conference committee report;

5 (2) reconsider the bill or resolution to remove house
6 amendments;

7 (3) reconsider the bill or resolution to make
8 corrections; or

9 (4) pass the bill notwithstanding the objections of
10 the governor.

11 (d) The speaker shall not lay any bill or joint resolution
12 before the house or permit a vote to be taken on its passage on the
13 136th and 137th days of a regular session, except to:

14 (1) act on senate amendments;

15 (2) adopt a conference committee report;

16 (3) reconsider the bill or resolution to remove house
17 amendments;

18 (4) reconsider the bill or resolution to make
19 corrections; or

20 (5) pass the bill notwithstanding the objections of
21 the governor.

22 (e) The speaker shall not lay any bill or joint resolution
23 before the house or permit a vote to be taken on its passage on the
24 138th and 139th days of a regular session, except to:

25 (1) adopt a conference committee report;

26 (2) reconsider the bill or resolution to remove house
27 amendments;

1 (3) discharge house conferees and concur in senate
2 amendments;

3 (4) reconsider the bill or resolution to make
4 corrections; or

5 (5) pass the bill notwithstanding the objections of
6 the governor.

7 (f) No vote shall be taken upon the passage of any bill or
8 resolution within 24 hours of the final adjournment of a regular
9 session unless it be to reconsider the bill or resolution to make
10 corrections, or to adopt a corrective resolution.

11 (g) The clock of record for the house, as determined under
12 Rule 2, Section 2, shall be used to determine compliance with
13 deadlines and other time requirements of the Texas Constitution and
14 these rules. A motion to suspend this rule must be decided by a
15 record vote.

16 Sec. 14. DELIVERY PRIOR TO CONSIDERATION. (a) Each bill or
17 resolution, except the general appropriations bill, shall be
18 delivered to each member by making a copy of the bill or resolution
19 available in an electronic format for viewing by the member and,
20 when the electronic format copy of the appropriate printing becomes
21 available, by sending notice of that fact to a Capitol e-mail
22 address designated by the member, at least 36 hours if convened in
23 regular session and 24 hours if convened in special session before
24 the bill can be considered by the house on second reading. If a
25 member informs the chief clerk in writing that the member desires to
26 receive paper copies of bills and resolutions under this section in
27 addition to delivery in an electronic format, the chief clerk shall

1 place a paper copy of the bill or resolution in the newspaper box of
2 the member as soon as practicable after the electronic copies of the
3 bill or resolution are made available for viewing.

4 (a-1) A printed copy of the general appropriations bill
5 shall be placed in the newspaper mailbox of each member at least 168
6 hours during a regular session and at least 72 hours during a
7 special session before the bill can be considered by the house on
8 second reading.

9 (b) By majority vote, the house may order both the original
10 bill or resolution and the complete committee substitute to be
11 printed. It shall not be necessary for the house to order complete
12 committee substitutes printed in lieu of original bills.

13 (c) A two-thirds vote of the house is necessary to order
14 that bills, other than local bills, be not printed. It shall not be
15 necessary for the house to order that local bills be not printed.

16 Sec. 15. REQUIREMENT FOR THREE READINGS. A bill shall not
17 have the force of law until it has been read on three several
18 legislative days in each house and free discussion allowed, unless
19 this provision is suspended by a vote of four-fifths of the members
20 present and voting, a quorum being present. The yeas and nays shall
21 be taken on the question of suspension and entered in the journal.

22 Sec. 16. CONSIDERATION SECTION BY SECTION. (a) During the
23 consideration of any bill or resolution, the house may, by a
24 majority vote, order the bill or resolution to be considered
25 section by section, or department by department, until each section
26 or department has been given separate consideration. If such a
27 procedure is ordered, only amendments to the section or department

1 under consideration at that time shall be in order. However, after
2 each section or department has been considered separately, the
3 entire bill or resolution shall be open for amendment, subject to
4 the provisions of Rule 11, Section 8(b). Once the consideration of
5 a bill section by section or department by department has been
6 ordered, it shall not be in order to move the previous question on
7 the entire bill, to recommit it, to lay it on the table, or to
8 postpone it, until each section or department has been given
9 separate consideration or until the vote by which section by
10 section consideration was ordered is reconsidered.

11 (b) A motion to consider a bill section by section is
12 debatable within narrow limits; that is, the pros and cons of the
13 proposed consideration can be debated but not the merits of the
14 bill.

15 Sec. 17. PASSAGE TO ENGROSSMENT OR THIRD READING. After a
16 bill or complete committee substitute for a bill has been taken up
17 and read, amendments shall be in order. If no amendment is made, or
18 if those proposed are disposed of, then the final question on its
19 second reading shall be, in the case of a house bill, whether it
20 shall be passed to engrossment, or, in the case of a senate bill,
21 whether it shall pass to its third reading. All bills ordered
22 passed to engrossment or passed to a third reading shall remain on
23 the calendar on which placed, but with future priority over bills
24 that have not passed second reading.

25 Sec. 18. CERTIFICATION OF FINAL PASSAGE. The chief clerk
26 shall certify the final passage of each bill, noting on the bill the
27 date of its passage, and the vote by which it passed, if by a yea and

1 nay vote.

2 Sec. 19. EFFECTIVE DATE. Every law passed by the
3 legislature, except the General Appropriations Act, shall take
4 effect or go into force on the 91st day after the adjournment of the
5 session at which it was enacted, unless the legislature provides
6 for an earlier effective date by a vote of two-thirds of all the
7 members elected to each house. The vote shall be taken by yeas and
8 nays and entered in the journals.

9 Sec. 20. BILLS CONTAINING SAME SUBSTANCE AS DEFEATED BILL.
10 After a bill or resolution has been considered and defeated by
11 either house of the legislature, no bill or resolution containing
12 the same substance shall be passed into law during the same session.

13 Sec. 21. CONSIDERATION OF BILLS INVOLVING STATE FUNDS. (a)
14 In order to assure the continuation of financial support of
15 existing state services through the passage of the general
16 appropriations bill, it shall not be in order during the first 118
17 days of the regular session for the speaker to lay before the house,
18 prior to the consideration, passage, and certification by the
19 comptroller of the general appropriations bill, any bill that
20 directly or indirectly prevents from being available for purposes
21 of funding state government generally any money that under existing
22 law would otherwise be available for that purpose, including a bill
23 that transfers or diverts money in the state treasury from the
24 general revenue fund to another fund.

25 (b) In order to assure compliance with the limitation on
26 appropriations of state tax revenue not dedicated by the
27 constitution as provided by Article VIII, Section 22, of the Texas

1 Constitution, it is not in order for the speaker to lay before the
2 house, prior to the time that the general appropriations bill has
3 been finally passed and sent to the comptroller, any bill that
4 appropriates funds from the state treasury that are not dedicated
5 by the constitution.

6 (c) When bills subject to the provisions of Subsection (a)
7 of this section become eligible for consideration, they shall be
8 considered for passage under the rules of the house and the joint
9 rules as any other bill but shall not be signed by the speaker as
10 required by the Constitution of Texas and the rules of the house
11 until the general appropriations bill has been signed by the
12 presiding officers of both houses of the legislature and
13 transmitted to the comptroller of public accounts for certification
14 as required by Article III, Section 49a, of the Constitution of
15 Texas.

16 (d) All bills subject to the provisions of Subsection (a) of
17 this section that have finally passed both houses shall be enrolled
18 as required by the rules and transmitted to the speaker. The
19 speaker shall note on each bill the date and hour of final
20 legislative action and shall withhold his or her signature and any
21 further action on all such bills until the general appropriations
22 bill has been signed by the presiding officers of both houses and
23 transmitted to the comptroller of public accounts for
24 certification. Immediately thereafter, the speaker shall sign in
25 the presence of the house all bills on which further action was
26 being withheld because the bills were subject to the provisions of
27 this section. After being signed by the speaker, the bills shall

1 then be transmitted to the comptroller of public accounts for
2 certification or to the governor, as the case may be, in the order
3 in which final legislative action was taken. "Final legislative
4 action," as that term is used in this subsection, shall mean the
5 last act of either house meeting in general session necessary to
6 place the bill in its final form preparatory to enrollment.

7 (e) Subsections (a)-(d) of this section shall not apply to
8 any bills providing for:

- 9 (1) the payment of expenses of the legislature;
- 10 (2) the payment of judgments against the state;
- 11 (3) any emergency matter when requested by the
12 governor in a formal message to the legislature; or
- 13 (4) the reduction of taxes.

14 (e-1) Subsection (a) of this section does not apply to a
15 bill that prevents the deposit into the general revenue fund of
16 money received from the federal government or earnings on that
17 money if the bill does not prevent that money from being available
18 for the purpose of funding state government generally to the same
19 extent as under existing law.

20 (f) Unless within the authority of a resolution or
21 resolutions adopted pursuant to Article VIII, Section 22(b), of the
22 Texas Constitution, it is not in order for the house to consider for
23 final passage on third reading, on motion to concur in senate
24 amendments, or on motion to adopt a conference committee report, a
25 bill appropriating funds from the state treasury in an amount that,
26 when added to amounts previously appropriated by bills finally
27 passed and sent or due to be sent to the comptroller, would exceed

1 the limit on appropriations established under Chapter 316,
2 Government Code.

3 (g) The general appropriations bill shall be reported to the
4 house by the Committee on Appropriations not later than the 90th
5 calendar day of the regular session. Should the Committee on
6 Appropriations fail to report by the deadline, Subsections (a)-(d)
7 of this section shall be suspended for the balance of that regular
8 session.

1 RULE 9. JOINT RESOLUTIONS

2 Sec. 1. AMENDMENTS TO THE TEXAS CONSTITUTION. (a) A
3 proposed amendment to the Texas Constitution shall take the form of
4 a joint resolution, which shall be subject to the rules that govern
5 the proceedings on bills, except as provided by this section.

6 (b) A joint resolution is not subject to the provisions of
7 Rule 8, Section 3, or Rule 11, Section 3.

8 (c) A joint resolution shall be adopted on any reading after
9 the first if it receives a two-thirds vote of the elected membership
10 of the house. If such a joint resolution receives only a majority
11 vote on second reading, it shall be passed to engrossment, and
12 subsequent proceedings shall be the same as those governing the
13 final passage of bills which have been passed to engrossment. If
14 such a joint resolution does not receive a two-thirds vote of the
15 elected membership of the house on third reading and final passage,
16 it shall fail of adoption.

17 Sec. 2. RATIFYING OR PROPOSING AMENDMENTS TO THE
18 CONSTITUTION OF THE UNITED STATES. Ratification by Texas of a
19 proposed amendment to or application to Congress for a convention
20 to amend the Constitution of the United States shall take the form
21 of a joint resolution, which shall be subject to the rules that
22 govern the proceedings on bills, except that it shall be adopted on
23 second reading if it receives a majority vote of the members present
24 and voting, a quorum being present. If such a joint resolution
25 fails to receive a majority vote, it shall fail of adoption and
26 shall not be considered again unless revived by a motion to
27 reconsider as otherwise provided in the rules.

1 Sec. 3. PLACEMENT OF JOINT RESOLUTIONS ON A CALENDAR. Joint
2 resolutions on committee report shall be referred to the Committee
3 on Calendars for placement on an appropriate calendar. The
4 Committee on Calendars shall maintain a separate calendar for house
5 joint resolutions and a separate calendar for senate joint
6 resolutions. Senate joint resolutions shall be considered on
7 calendar Wednesdays and calendar Thursdays along with senate bills.

1 RULE 10. HOUSE RESOLUTIONS AND CONCURRENT RESOLUTIONS

2 Sec. 1. FILING. Resolutions shall be introduced by filing a
3 resolution with the chief clerk in the manner and in an electronic
4 or other format specified by the chief clerk, who shall number and
5 record house resolutions in one series and concurrent resolutions
6 in a separate series.

7 Sec. 2. REFERRAL TO COMMITTEE. (a) After numbering and
8 recording, all resolutions shall be sent to the speaker for
9 referral to the proper committee.

10 (b) Resolutions proposing the expenditure of money out of
11 the contingent expense fund of the legislature shall be referred to
12 the Committee on House Administration.

13 (c) All other resolutions shall be referred to the
14 appropriate committee with jurisdiction.

15 Sec. 3. REFERRAL TO CALENDARS COMMITTEES. All resolutions
16 on committee report, other than privileged resolutions, shall be
17 referred immediately to the appropriate calendars committee for
18 placement on the appropriate calendar.

19 Sec. 4. ORDER OF CONSIDERATION. Unless privileged,
20 resolutions shall be considered by the house only at the time
21 assigned for their consideration on the calendar, in accordance
22 with the provisions of Rule 6, Section 7.

23 Sec. 4A. RECORD VOTE REQUIRED BY TEXAS CONSTITUTION. A vote
24 on final passage of a resolution other than a resolution of a purely
25 ceremonial or honorary nature must be by record vote with the vote
26 of each member entered in the journal as required by Section 12(b),
27 Article III, Texas Constitution.

1 Sec. 5. SIGNING BY GOVERNOR. Concurrent resolutions shall
2 take the same course as house resolutions, except that they shall be
3 sent to the governor for signing when finally passed by both houses.

4 Sec. 6. MASCOT RESOLUTIONS. (a) All candidates for the
5 office of mascot shall be named in and elected by a single house
6 resolution.

7 (b) Only children of house members who are under the age of
8 12 years shall be eligible for election to the honorary office of
9 mascot. A child once named a mascot shall not be eligible for the
10 honor a second time.

11 (c) No separate classification or special title shall be
12 given to any mascot, but all shall receive the same title of
13 honorary mascot of the house of representatives.

14 (d) The speaker shall issue a certificate showing the
15 election of each mascot and deliver it to the parent member of the
16 child.

17 Pictures of mascots shall appear on the panel picture of the
18 house.

19 Sec. 7. CONSIDERATION OF RESOLUTIONS DURING CALLED
20 SESSIONS. The subject matter of house resolutions and concurrent
21 resolutions does not have to be submitted by the governor in a
22 called session before they can be considered.

23 Sec. 8. RESOLUTIONS AUTHORIZING TECHNICAL CORRECTIONS.
24 Resolutions authorizing the enrolling clerk of the house or senate
25 to make technical corrections to a measure that has been finally
26 acted upon by both houses of the legislature shall be privileged in
27 nature and need not be referred to committee. Such resolutions

1 shall be eligible for consideration by the house upon introduction
2 in the house or receipt from the senate.

3 Sec. 9. AUTHOR'S SIGNATURE ON CONGRATULATORY OR MEMORIAL
4 RESOLUTION. The enrolled printing of a house congratulatory or
5 memorial resolution shall include a place for the signature of the
6 primary author of the resolution. The chief clerk shall provide the
7 primary author with the opportunity to sign the resolution after
8 the resolution is enrolled. The absence of the primary author's
9 signature does not affect the validity of the resolution as adopted
10 by the house.

RULE 11. AMENDMENTS

1
2 Sec. 1. ACCEPTABLE MOTIONS TO AMEND. When a bill,
3 resolution, motion, or proposition is under consideration, a motion
4 to amend and a motion to amend that amendment shall be in order. It
5 shall also be in order to offer a further amendment by way of a
6 substitute. Such a substitute may not be amended. If the
7 substitute is adopted, the question shall then be on the amendment
8 as substituted, and under this condition an amendment is not in
9 order.

10 Sec. 2. MOTIONS ON A DIFFERENT SUBJECT OFFERED AS
11 AMENDMENTS. No motion or proposition on a subject different from
12 the subject under consideration shall be admitted as an amendment
13 or as a substitute for the motion or proposition under debate.
14 "Proposition" as used in this section shall include a bill,
15 resolution, joint resolution, or any other motion which is
16 amendable.

17 Amendments pertaining to the organization, powers,
18 regulation, and management of the agency, commission, or advisory
19 committee under consideration are germane to bills extending state
20 agencies, commissions, or advisory committees under the provisions
21 of the Texas Sunset Act (Chapter 325, Government Code).

22 An amendment to a committee substitute laid before the house
23 in lieu of an original bill is germane if each subject of the
24 amendment is a subject that is included in the committee substitute
25 or was included in the original bill.

26 Sec. 3. AMENDING A BILL TO CHANGE ITS ORIGINAL PURPOSE. No
27 bill shall be amended in its passage through either house so as to

1 change its original purpose.

2 Sec. 4. AMENDMENTS TO BILLS AND RESOLUTIONS ON LOCAL,
3 CONSENT, AND RESOLUTIONS CALENDARS. Amendments to a bill or
4 resolution shall not be in order during its consideration on a
5 local, consent, and resolutions calendar set by the Committee on
6 Local and Consent Calendars, unless the amendments have first been
7 submitted to and approved by the Committee on Local and Consent
8 Calendars, which shall be noted thereon by the chair of the
9 Committee on Local and Consent Calendars prior to the offering of
10 the amendments.

11 Sec. 5. AMENDMENTS ON THIRD READING. When a bill has been
12 taken up on its third reading, amendments shall be in order, but
13 shall require a two-thirds vote of the members present for their
14 adoption. A bill on third reading may be recommitted to a committee
15 and later reported to the house with amendments, in which case the
16 bill shall again take the course of a bill at its second reading.

17 Sec. 6. FILING AN AMENDMENT. (a) The chief clerk shall
18 ensure that for an amendment other than a committee amendment,
19 copies of each amendment are filed with the speaker as follows:

20 (1) six copies of each amendment; and

21 (2) four additional copies of each amendment that
22 exceeds one page in length.

23 (b) The chief clerk may require the member offering the
24 amendment to provide the number of copies required under Subsection
25 (a) of this section. The chief clerk shall ensure that, as soon as
26 practicable after being filed by the offering member, each
27 amendment is made available on the floor amendment system, or the

1 system's successor in function, through which members of the house
2 may view an electronic image of submitted amendments. When the
3 amendment is read, two copies shall go to the chief clerk, one copy
4 to the journal clerk, one copy to the reading clerk, and one copy to
5 the speaker.

6 (c) The chief clerk shall retain one copy of each amendment
7 filed with the speaker under this section whether or not the
8 amendment was laid out by the speaker for consideration.

9 (d) If an amendment is required to be prefiled with the
10 chief clerk pursuant to a rule for floor consideration proposed by
11 the Committee on Calendars and adopted under Rule 6, Section 16(f),
12 the amendment must be provided to the chief clerk, in a manner
13 determined by the chief clerk under the direction of the Committee
14 on House Administration, and available in the chief clerk's office
15 in accordance with the Calendar Committee rule for floor
16 consideration.

17 (e) The speaker shall not recognize a member to offer an
18 original amendment that exceeds one page in length and that is in
19 the form of a complete substitute for the bill or resolution laid
20 before the house, or in the opinion of the speaker is a substantial
21 substitute, unless the amendment has been provided to the chief
22 clerk, in a manner determined by the chief clerk under the direction
23 of the Committee on House Administration, and was available in the
24 chief clerk's office at least 12 hours prior to the time the
25 calendar on which the bill or resolution to be amended is eligible
26 for consideration.

27 (f) An amendment may be typed, hand-printed, or

1 handwritten, but must be legible in order to be offered.

2 (g) The speaker shall not recognize a member to offer an
3 original amendment to a bill on second reading if the bill extends
4 an agency, commission, or advisory committee under the Texas Sunset
5 Act unless the amendment has been provided to the chief clerk, in a
6 manner determined by the chief clerk under the direction of the
7 Committee on House Administration, and was available in the chief
8 clerk's office at least 24 hours prior to the time the calendar on
9 which the bill appears for second reading is first eligible for
10 consideration.

11 (h) If the house is convened in regular session, the speaker
12 shall not recognize a member to offer an original amendment to the
13 general appropriations bill on second reading unless the amendment
14 has been provided to the chief clerk, in a manner determined by the
15 chief clerk under the direction of the Committee on House
16 Administration, and was available in the chief clerk's office at
17 least 72 hours prior to the time the calendar on which the general
18 appropriations bill appears for second reading is first eligible
19 for consideration.

20 (i) The Committee on House Administration shall ensure
21 that:

22 (1) the floor amendment system through which members
23 of the house may view an electronic image of current or past
24 amendments, or the system's successor in function, is available to
25 the public on the Internet;

26 (2) members of the public using the system available
27 on the Internet may view the same information that members may view

1 at the same time that members may view the information; and

2 (3) members of the public using the system available
3 on the Internet may view any amendment required to be provided to
4 the chief clerk under Subsections (e), (g), and (h) of this section
5 at least 10 hours prior to the time the calendar on which the bill or
6 resolution to be amended is eligible for consideration.

7 (j) To the extent practicable, an amendment must include the
8 page and line numbers of the text of the bill, resolution, or
9 amendment being amended. Failure to comply with the requirements of
10 this subsection is not subject to a point of order.

11 Sec. 7. ORDER OF OFFERING MOTIONS TO AMEND. Classes of
12 motions to amend shall be offered in the following order:

13 (1) motions to amend by striking out the enacting
14 clause of a bill (or the resolving clause of a resolution), which
15 amendment cannot be amended or substituted;

16 (2) motions to amend an original bill, resolution,
17 motion, or proposition (other than substitute bills as provided for
18 in Subdivision (3) below), which shall have precedence as follows:

19 (A) original amendment;

20 (B) amendment to the amendment;

21 (C) substitute for the amendment to the
22 amendment.

23 Recognition for the offering of original amendments shall be
24 as follows: first, the main author; second, the member or members
25 offering the committee amendment; and third, members offering other
26 amendments from the floor;

27 (3) motions to amend an original bill by striking out

1 all after the enacting clause (substitute bills), which substitute
2 bills shall be subject to amendment as follows:

- 3 (A) amendment to the substitute bill;
- 4 (B) substitute for the amendment to the
5 substitute bill.

6 Recognition for offering such substitute bills shall be as
7 follows: first, the main author of the original bill, if the
8 member has not sought to perfect the bill by amendments as provided
9 for in Subdivision (2) above; second, the member or members
10 offering the committee amendment; and, third, members offering
11 amendments from the floor.

12 It shall be in order under the procedure described in this
13 subdivision to have as many as four complete measures pending
14 before the house at one time; that is, an original bill, an
15 amendment striking out all after the enacting clause of the bill and
16 inserting a new bill body, an amendment to the amendment striking
17 out all after the enacting clause of the bill and inserting a new
18 bill body, and a substitute for this amendment to the amendment to
19 the original bill which is also a new bill body. These "substitute
20 bills" shall be voted on in the reverse order of their offering;

21 (4) motions to amend the caption of a bill or joint
22 resolution, which may also be offered in accordance with Section
23 9(a) of this rule.

24 Sec. 8. STRIKE OUTS AND INSERTIONS. (a) A motion to strike
25 out and to insert new matter in lieu of that to be stricken out shall
26 be regarded as a substitute and shall be indivisible.

27 (b) Matter inserted or stricken out of an original bill by

1 way of amendment may not be taken out or reinserted at a later time
2 on the same reading except under the following conditions:

3 (1) reconsideration of the inserting or deleting
4 amendment;

5 (2) adoption of a "substitute bill" amendment;

6 (3) adoption of an amendment for a whole paragraph,
7 section or subdivision of a bill which so materially changes the
8 original text that the portion inserted or deleted is in fact of
9 minor importance.

10 Sec. 9. AMENDING CAPTIONS. (a) An amendment to the caption
11 of a bill or resolution shall not be in order until all other
12 proposed amendments have been acted on and the house is ready to
13 vote on the passage of the measure, and it shall then be decided
14 without debate.

15 (b) If the previous question has been ordered on a bill or
16 joint resolution at any reading, an amendment to the caption of that
17 bill or joint resolution may be offered and voted on immediately
18 preceding the final vote on the bill or joint resolution.

19 Sec. 10. MOTION TO LIMIT AMENDMENTS. (a) A motion to limit
20 amendments shall be admitted only when seconded by 25 members. The
21 motion may take either of two forms:

22 (1) to limit amendments to those pending before the
23 house; or

24 (2) to limit amendments to those pending on the
25 speaker's desk.

26 (b) The motion shall be put by the chair in this manner: "The
27 motion has been seconded. Three minutes pro and con debate will be

1 allowed on the motion to limit amendments." As soon as the debate
2 has ended, the chair shall continue: "As many as are in favor of
3 limiting amendments on (here state on which question or questions)
4 will say 'Aye,'" and then "As many as are opposed say 'Nay.'" As in
5 all other propositions, a motion to limit amendments shall be
6 decided by a record vote if demanded by any member. If ordered by a
7 majority of the members voting, a quorum being present, the motion
8 shall have the effect of confining further debate and consideration
9 to those amendments included within the motion, and thereafter the
10 chair will accept no more amendments to the proposition to which the
11 motion is applied.

12 (c) The motion to limit amendments, if adopted, shall not in
13 any way cut off or limit debate or other parliamentary maneuvers on
14 the pending proposition or propositions or amendment or amendments
15 included within the motion. The sole function of the motion is to
16 prevent the chair from accepting further amendments to the
17 proposition to which the motion is applied.

18 (d) Except as otherwise provided, the motion to limit
19 amendments shall have no effect on the parliamentary situation to
20 which the motion is applied, and the matter to which the motion is
21 applied shall continue to be considered by the house in all other
22 respects as though the motion had not been made.

23 (e) The amendments that are included within the motion to
24 limit amendments shall each be subject to amendment, if otherwise
25 permitted under the rules.

26 Sec. 11. MOTION TO TABLE A MOTION TO LIMIT AMENDMENTS. The
27 motion to limit amendments is not subject to a motion to table.

1 Sec. 12. ORDER OF VOTING ON AMENDMENTS. When an amendment
2 is offered, followed by an amendment to that amendment, and then a
3 substitute for the amendment to the amendment, these questions
4 shall be voted on in the reverse order of their offering.

5 Sec. 13. CERTIFICATION OF ADOPTION OF AMENDMENTS. When an
6 amendment is adopted, such action shall be certified by the chief
7 clerk on the amendment, and the official copy of the amendment shall
8 then be securely attached to the bill or resolution which it amends.

RULE 12. PRINTING

Sec. 1. PRINTINGS OF BILLS AND JOINT RESOLUTIONS. (a)

Except as otherwise provided in this rule, all bills and joint resolutions shall be printed and a copy provided to each member at each of the following stages in the parliamentary progress of the bill or joint resolution:

(1) at the time of the committee report on the bill or joint resolution, which shall be known as "First Printing" and which shall consist of:

(A) a complete text of the bill or joint resolution as reported from committee;

(B) a complete copy of the bill analysis, a complete copy of the summary of committee action, and a complete copy of the witness list;

(C) the text of the committee report;

(D) the record vote by which the measure was reported from committee, including the vote of individual members;

(E) a copy of the latest fiscal note; and

(F) a copy of each impact statement received by the committee;

(2) at the time the bill or joint resolution, if amended, finally passes the senate, senate amendments and house engrossment text will be printed, which shall be known as "Second Printing"; and

(3) at the time the conference committee, if any, makes its report on the bill or joint resolution, which shall be known as "Third Printing."

1 (b) In any section of the first printing of a bill or joint
2 resolution that proposes to amend an existing statute or
3 constitutional provision, language sought to be deleted must be
4 bracketed and stricken through, and language sought to be added
5 must be underlined. This requirement does not apply to:

- 6 (1) an appropriations bill;
- 7 (2) a local bill;
- 8 (3) a game bill;
- 9 (4) a recodification bill;
- 10 (5) a redistricting bill;
- 11 (6) a section of a bill or joint resolution not
12 purporting to amend an existing statute or constitutional
13 provision;
- 14 (7) a section of a bill or joint resolution that
15 revises the entire text of an existing statute or constitutional
16 provision, to the extent that it would confuse rather than clarify
17 to show deletions and additions; and
- 18 (8) a section of a bill or joint resolution providing
19 for severability, nonseverability, emergency, or repeal of an
20 existing statute or constitutional provision.

21 (c) The speaker may overrule a point of order raised as to a
22 violation of Subsection (b) of this section if the violation is
23 typographical or minor and does not tend to deceive or mislead.

24 (d) The requirement to provide a copy of a printing to each
25 member may be accomplished by making a copy of the printing
26 available in an electronic format for viewing by the member and,
27 when the electronic format copy of the appropriate printing becomes

1 available, sending notice of that fact to a Capitol e-mail address
2 designated by the member. If a member informs the chief clerk that
3 the member also desires to receive a paper copy of printings at
4 first, second, or third printing, the chief clerk shall place paper
5 copies of those printings designated by the member in the newspaper
6 box of the member as soon as practicable after the electronic copies
7 of the printings are made available for viewing.

8 (e) The provisions of Subsection (d) of this section
9 authorizing delivery of a printing by electronic means also apply
10 to any fiscal note, impact statement, analysis, or other item
11 required by these rules to be delivered or made available to each
12 member as an attachment to or in connection with the applicable
13 printing.

14 Sec. 2. LOCAL BILLS. Local bills shall not be reprinted
15 after the first printing except when ordered printed by a majority
16 vote of the house.

17 Sec. 3. CONCURRENT RESOLUTIONS. A concurrent resolution
18 shall be printed only if the resolution:

- 19 (1) grants permission to sue the state;
- 20 (2) memorializes Congress to take or to refrain from
21 taking certain action;
- 22 (3) sets legislative policy or declares legislative
23 intent;
- 24 (4) makes corrective changes in any bill, joint
25 resolution, or conference committee report;
- 26 (5) establishes or interprets policy for a state
27 agency, department, or political subdivision;

1 (6) establishes, modifies, or changes internal
2 procedures or administration of the legislature or any component
3 part thereof;

4 (7) proposes an amendment to the Joint Rules of the
5 Senate and the House of Representatives; or

6 (8) is ordered printed by a majority vote of the house.

7 Sec. 4. HOUSE RESOLUTIONS. A house resolution shall be
8 printed only if the resolution:

9 (1) proposes an amendment to the rules of the house;

10 (2) establishes, modifies, or changes the internal
11 procedures and administration of the house;

12 (3) establishes legislative policy or interprets
13 legislative intent; or

14 (4) is ordered printed by a majority of the house.

15 Sec. 5. ACCEPTABLE STANDARDS OF COMPLIANCE WITH PRINTING
16 REQUIREMENTS. Except for matter to be printed in the journal, all
17 requirements contained in the rules with respect to the printing of
18 bills, resolutions, reports, and other matters shall be considered
19 complied with if the material is adequately and properly reproduced
20 by any acceptable means of reproduction.

1 RULE 13. INTERACTIONS WITH THE GOVERNOR AND SENATE

2 CHAPTER A. MESSAGES

3 Sec. 1. MESSAGES FROM THE GOVERNOR. Messages and
4 communications from the governor shall be received when announced,
5 and shall be read on the calendar day received.

6 Sec. 2. MESSAGES FROM THE SENATE. (a) All messages from
7 the senate shall be received when announced. Senate bills
8 announced as passed shall be read for the first time and referred to
9 the appropriate committee as soon as practicable.

10 (b) Messages from the senate announcing amendments to house
11 bills and resolutions, nonconcurrence in house amendments to senate
12 bills and resolutions, requests for conference committees, reports
13 of conference committees, and all other matters of disagreement,
14 amendments, and requests between the two houses, shall go to the
15 speaker's desk in their regular order, but may be called up for
16 action by the house at any time as a privileged matter, yielding
17 only to a motion to adjourn.

18 CHAPTER B. SENATE AMENDMENTS

19 Sec. 3. HOUSE ACTION ON SENATE AMENDMENTS. When a bill,
20 resolution, or other matter is returned to the house with senate
21 amendments, the house may:

22 (1) agree to the amendments; or

23 (2) disagree to all of the amendments and ask for a
24 conference committee; or

25 (3) agree to one or more of the amendments and disagree
26 as to the remainder and request a conference committee to consider
27 those in disagreement; or

1 (4) agree to one or more and disagree as to the
2 remainder; or

3 (5) disagree to all amendments.

4 Sec. 4. ADOPTION OF SENATE AMENDMENTS FOR BILLS WITH
5 IMMEDIATE EFFECT. If a bill is to go into immediate effect, senate
6 amendments thereto must be adopted by a vote of two-thirds of the
7 elected membership of the house.

8 Sec. 5. PRINTING SENATE AMENDMENTS. (a) Senate amendments
9 to house bills and resolutions must be printed and copies provided
10 to the members at least 24 hours before any action can be taken
11 thereon by the house during a regular or special session.

12 (b) When a house bill or joint resolution, other than the
13 general appropriations bill, with senate amendments is returned to
14 the house, the chief clerk shall request the Legislative Budget
15 Board to prepare a fiscal note outlining the fiscal implications
16 and probable cost of the measure as impacted by the senate
17 amendments. A copy of the fiscal note shall be distributed with the
18 senate amendments on their printing before any action can be taken
19 on the senate amendments by the house.

20 (c) When a house bill or joint resolution, other than the
21 general appropriations bill, with senate amendments is returned to
22 the house, the chief clerk shall request the Texas Legislative
23 Council to prepare an analysis that describes the substantive
24 changes made to the house version of the bill by the senate
25 amendments. A copy of the council's analysis of senate amendments
26 shall be provided to the members electronically or as a printed copy
27 at least 12 hours before action is taken on the senate amendments by

1 the house. The Texas Legislative Council shall make all reasonable
2 efforts to timely provide the analysis in as accurate a form as time
3 allows. However, an unavoidable inability to provide the analysis
4 or an inadvertent error in the analysis is not subject to a point of
5 order.

6 (d) When a house bill or joint resolution for which a tax
7 equity note was required under Rule 4, Section 34(b)(5), is
8 returned to the house with senate amendments, the chief clerk shall
9 request the Legislative Budget Board to prepare a tax equity note
10 estimating the general effects of the senate amendments on the
11 distribution of tax and fee burdens among individuals and
12 businesses. A copy of the updated tax equity note shall be made
13 available to each member, in some format, before any vote on the
14 floor can be taken on the senate amendments by the house.

15 CHAPTER C. CONFERENCE COMMITTEES

16 Sec. 6. MEMBERSHIP AND OPERATION. (a) In all conferences
17 between the senate and the house by committee, the number of
18 committee members from each house shall be five. All votes on
19 matters of difference shall be taken by each committee separately.
20 A majority of each committee shall be required to determine the
21 matter in dispute. Reports by conference committees must be signed
22 by a majority of each committee of the conference.

23 (b) A copy of the report signed by a majority of each
24 committee of the conference must be furnished to each member of the
25 committee in person or if unable to deliver in person by placing a
26 copy in the member's newspaper mailbox at least one hour before the
27 report is furnished to each member of the house under Section 10(a)

1 of this rule. The paper copies of the report submitted to the chief
2 clerk under Section 10(b) of this rule must contain a certificate
3 that the requirement of this subsection has been satisfied, and
4 that certificate must be attached to the copy of the report
5 furnished to each member under Section 10(d) of this rule. Failure
6 to comply with this subsection is not subject to a point of order.

7 Sec. 7. MEETINGS. (a) House conferees when meeting with
8 senate conferees to adjust differences shall meet in public and
9 shall give a reasonable amount of notice of the meeting in the place
10 designated for giving notice of meetings of house standing
11 committees. Any such meeting shall be open to the news media. Any
12 conference committee report adopted in private shall not be
13 considered by the house.

14 (b) At a meeting of the conferees to adjust differences on
15 the general appropriations bill, the chair of the house conferees
16 may request the assistance of any house member who serves on the
17 appropriations committee.

18 Sec. 8. INSTRUCTIONS. Instructions to a conference
19 committee shall be made after the conference is ordered and before
20 the conferees are appointed by the speaker, and not thereafter.

21 Sec. 9. LIMITATIONS ON JURISDICTION. (a) Conference
22 committees shall limit their discussions and their actions solely
23 to the matters in disagreement between the two houses. A conference
24 committee shall have no authority with respect to any bill or
25 resolution:

26 (1) to change, alter, or amend text which is not in
27 disagreement;

1 (2) to omit text which is not in disagreement;

2 (3) to add text on any matter which is not in
3 disagreement;

4 (4) to add text on any matter which is not included in
5 either the house or senate version of the bill or resolution.

6 This rule shall be strictly construed by the presiding
7 officer in each house to achieve these purposes.

8 (b) Conference committees on appropriations bills, like
9 other conference committees, shall limit their discussions and
10 their actions solely to the matters in disagreement between the two
11 houses. In addition to the limitations contained elsewhere in the
12 rules, a conference committee on appropriations bills shall be
13 strictly limited in its authority as follows:

14 (1) If an item of appropriation appears in both house
15 and senate versions of the bill, the item must be included in the
16 conference committee report.

17 (2) If an item of appropriation appears in both house
18 and senate versions of the bill, and in identical amounts, no change
19 can be made in the item or the amount.

20 (3) If an item of appropriation appears in both house
21 and senate versions of the bill but in different amounts, no change
22 can be made in the item, but the amount shall be at the discretion of
23 the conference committee, provided that the amount shall not exceed
24 the larger version and shall not be less than the smaller version.

25 (4) If an item of appropriation appears in one version
26 of the bill and not in the other, the item can be included or omitted
27 at the discretion of the conference committee. If the item is

1 included, the amount shall not exceed the sum specified in the
2 version containing the item.

3 (5) If an item of appropriation appears in neither the
4 house nor the senate version of the bill, the item must not be
5 included in the conference committee report. However, the
6 conference committee report may include appropriations for
7 purposes or programs authorized by bills that have been passed and
8 sent to the governor and may include contingent appropriations for
9 purposes or programs authorized by bills that have been passed by at
10 least one house.

11 This rule shall be strictly construed by the presiding
12 officer in each house to achieve these purposes.

13 (c) Conference committees on tax bills, like other
14 conference committees, shall limit their discussions and their
15 actions solely to the matters in disagreement between the two
16 houses. In addition to the limitations contained elsewhere in the
17 rules, a conference committee on a tax bill shall be strictly
18 limited in its authority as follows:

19 (1) If a tax item appears in both house and senate
20 versions of the bill, the item must be included in the conference
21 committee report.

22 (2) If a tax item appears in both house and senate
23 versions of the bill, and in identical form and with identical
24 rates, no change can be made in the item or the rate provided.

25 (3) If a tax item appears in both house and senate
26 versions of the bill but at differing rates, no change can be made
27 in the item, but the rate shall be at the discretion of the

1 conference committee, provided that the rate shall not exceed the
2 higher version and shall not be less than the lower version.

3 (4) If a tax item appears in one version of the bill
4 and not in the other, the item can be included or omitted at the
5 discretion of the conference committee. If the item is included,
6 the rate shall not exceed the rate specified in the version
7 containing the item.

8 (5) If a tax item appears in neither the house nor the
9 senate version of the bill, the item must not be included in the
10 conference committee report.

11 This rule shall be strictly construed by the presiding
12 officer in each house to achieve these purposes.

13 (d) Conference committees on reapportionment bills, to the
14 extent possible, shall limit their discussions and their actions to
15 the matters in disagreement between the two houses. Since the
16 adjustment of one district in a reapportionment bill will
17 inevitably affect other districts, the strict rule of construction
18 imposed on other conference committees must be relaxed somewhat
19 when reapportionment bills are involved. Accordingly, the
20 following authority and limitations shall apply only to conference
21 committees on reapportionment bills:

22 (1) If the matters in disagreement affect only certain
23 districts, and other districts are identical in both house and
24 senate versions of the bill, the conference committee shall make
25 adjustments only in those districts whose rearrangement is
26 essential to the effective resolving of the matters in
27 disagreement. All other districts shall remain unchanged.

1 (2) If the matters in disagreement permeate the entire
2 bill and affect most, if not all, of the districts, the conference
3 committee shall have wide discretion in rearranging the districts
4 to the extent necessary to resolve all differences between the two
5 houses.

6 (3) Insofar as the actual structure of the districts
7 is concerned, and only to that extent, the provisions of Subsection
8 (a) of this section shall not apply to conference committees on
9 reapportionment bills.

10 (e) Conference committees on recodification bills, like
11 other conference committees, shall limit their discussions and
12 their actions solely to the matters in disagreement between the two
13 houses. The comprehensive and complicated nature of recodification
14 bills makes necessary the relaxing of the strict rule of
15 construction imposed on other conference committees only to the
16 following extent:

17 (1) If it develops in conference committee that
18 material has been inadvertently included in both house and senate
19 versions which properly has no place in the recodification, that
20 material may be omitted from the conference committee report, if by
21 that omission the existing statute is not repealed, altered, or
22 amended.

23 (2) If it develops in conference committee that
24 material has been inadvertently omitted from both the house and
25 senate versions which properly should be included if the
26 recodification is to achieve its purpose of being all-inclusive of
27 the statutes being recodified, that material may be added to the

1 conference committee report, if by the addition the existing
2 statute is merely restated without substantive change in existing
3 law.

4 (f) Limitations imposed on certain conference committees by
5 the provisions of this section may be suspended in part by
6 permission of the house to allow consideration of and action on a
7 specific matter or matters which otherwise would be prohibited.
8 Permission shall be granted only by resolution passed by majority
9 vote of the house. All such resolutions shall be privileged in
10 nature and need not be referred to a committee. The introduction of
11 such a resolution shall be announced from the house floor and the
12 resolution shall be eligible for consideration by the house:

13 (1) three hours after a copy of the resolution has been
14 distributed to each member; or

15 (2) for a resolution suspending limitations on a
16 conference committee considering the general appropriations bill,
17 48 hours in a regular session and 24 hours in a special session
18 after a copy of the resolution has been distributed to each member.

19 (g) The time at which the copies of such a resolution are
20 distributed to the members shall be time-stamped on the originals
21 of the resolution. The resolution shall specify in detail:

22 (1) the exact language of the matter or matters
23 proposed to be considered;

24 (2) the specific limitation or limitations to be
25 suspended;

26 (3) the specific action contemplated by the conference
27 committee;

1 (4) except for a resolution suspending the limitations
2 on the conferees for the general appropriations bill, the reasons
3 that suspension of the limitations is being requested; and

4 (5) a fiscal note distributed with the resolution
5 outlining the fiscal implications and probable cost of the items to
6 be included in the conference committee report that would otherwise
7 be prohibited but for the passage of the resolution.

8 (h) In the application of Subsection (g) of this section to
9 appropriations bills, the resolution:

10 (1) need not include changes in amounts resulting from
11 a proposed salary plan or changes in format that do not affect the
12 amount of an appropriation or the method of finance of an
13 appropriation, but shall include a general statement describing the
14 salary plan or format change;

15 (2) need not include differences in language which do
16 not affect the substance of the bill;

17 (3) if suspending a limitation imposed by Subsection
18 (b)(2), (3), (4), or (5) of this section, must specify the amount by
19 which the appropriation in the conference committee report is less
20 than or greater than the amount permitted for that item of
21 appropriation under Subsection (b) of this section; and

22 (4) shall be available in its entirety on the
23 electronic legislative information system that is accessible by the
24 general public.

25 (i) Permission granted by a resolution under Subsection (f)
26 of this section shall suspend the limitations only for the matter or
27 matters clearly specified in the resolution, and the action of the

1 conference committee shall be in conformity with the resolution.

2 Sec. 10. PRINTING AND DISTRIBUTION OF REPORTS. (a) A
3 conference committee report on the general appropriations bill must
4 be printed and a copy furnished to each member as provided by Rule
5 12, Section 1, at least 48 hours before action can be taken on the
6 report by the house during a regular session or at least 24 hours
7 before action can be taken by the house during a special session.
8 All other conference committee reports must be printed and a copy
9 furnished to each member as provided by Rule 12, Section 1, at least
10 24 hours before action can be taken on the report by the house
11 during a regular or special session.

12 (b) Three original copies of a conference committee report
13 shall be submitted to the chief clerk for printing. Each original
14 conference committee report shall contain the following:

15 (1) the signatures of the house conferees and senate
16 conferees who voted to adopt the conference committee report;

17 (2) the text of the bill or resolution as adopted by
18 the conference committee; and

19 (3) an analysis of the conference committee report as
20 required by Section 11 of this rule.

21 (c) Before action can be taken by the house on a conference
22 committee report on a bill or joint resolution, other than the
23 general appropriations bill, a fiscal note outlining the fiscal
24 implications and probable cost of the conference committee report
25 shall be submitted to the chief clerk, and a copy of the fiscal note
26 shall be distributed with the conference committee report on its
27 printing.

1 (d) Before a vote on the floor can be taken by the house on a
2 conference committee report on a bill or joint resolution for which
3 a tax equity note was required under Rule 4, Section 34(b)(5), a tax
4 equity note estimating the general effects of the conference
5 committee report on the distribution of tax and fee burdens among
6 individuals and businesses shall be submitted to the chief clerk,
7 and a copy of the tax equity note shall be made available to each
8 member.

9 Sec. 11. ANALYSIS OF REPORTS. (a) All reports of conference
10 committees shall include an analysis showing wherein the report
11 differs from the house and senate versions of the bill, resolution,
12 or other matter in disagreement. The analysis of appropriations
13 bills shall show in dollar amounts the differences between the
14 conference committee report and the house and senate versions. No
15 conference committee report shall be considered by the house unless
16 such an analysis has been prepared and distributed to each member.

17 (b) The analysis shall to the extent practical indicate any
18 instance wherein the conference committee in its report appears to
19 have exceeded the limitations imposed on its jurisdiction by
20 Section 9 of this rule. An analysis and the conference committee
21 report in which the analysis is included are not subject to a point
22 of order due to a failure to comply with this subsection or due to a
23 mistake made in complying with this subsection.

24 Sec. 12. CONSIDERATION OF REPORTS. A conference committee
25 report is not subject to amendment, but must be accepted or rejected
26 in its entirety. While a conference committee report is pending, a
27 motion to deal with individual amendments in disagreement is not in

1 order.

2 Sec. 13. WHEN REPORTS NOT ACCEPTABLE. When a conference
3 committee report is not acceptable to the house for any reason, it
4 may be recommitted to the same committee with the request for
5 further consideration, and the house may or may not give any
6 specific instructions on the report to the conference committee; or
7 the house may request the appointment by the senate of a new
8 conference committee and then proceed to empower the speaker to
9 name new conferees for the house.

1 RULE 14. GENERAL PROVISIONS

2 Sec. 1. WHEN RULES ARE SILENT. If the rules are silent or
3 inexplicit on any question of order or parliamentary practice, the
4 Rules of the House of Representatives of the United States
5 Congress, and its practice as reflected in published precedents,
6 and Mason's Manual of Legislative Procedure shall be considered as
7 authority.

8 Sec. 2. AMENDMENTS TO THE RULES. (a) Amendments to the
9 rules of the house shall be proposed by house resolutions which
10 shall be referred at once, without debate, to the Committee on House
11 Administration for study and recommendation.

12 (b) A resolution proposing an amendment to the rules shall
13 not be considered by the house until a printed copy of the
14 resolution has been provided to each member of the house at least 48
15 hours before consideration.

16 (c) Amendments to the rules shall require a majority vote of
17 the house for adoption.

18 Sec. 3. MOTION TO SUSPEND THE RULES. A motion to suspend
19 the rules shall be in order at any time, except when motions to
20 adjourn or recess are pending, even when the house is operating
21 under the previous question. A motion to "suspend all rules" shall
22 be sufficient to suspend every rule under which the house is
23 operating for a particular purpose except the provisions of the
24 constitution and the joint rules of the two houses. If the rules
25 have been suspended on a main motion for a given purpose, no other
26 motion to suspend the rules on a main motion shall be in order until
27 the original purpose has been accomplished.

1 Sec. 4. NOTICE OF PENDING MOTION TO SUSPEND THE RULES. It
2 shall not be in order to move to suspend the rules or the regular
3 order of business to take up a measure out of its regular order, and
4 the speaker shall not recognize anyone for either purpose, unless
5 the speaker has announced to the house in session that the speaker
6 would recognize a member for that purpose at least one hour before
7 the member is so recognized to make the motion. In making the
8 announcement to the house, the speaker shall advise the house of the
9 member's name and the bill number, and this information, together
10 with the time that the announcement was made, shall be entered in
11 the journal. This rule may be suspended only by unanimous consent.

12 Sec. 5. VOTE REQUIREMENTS FOR SUSPENSION. A standing rule
13 of the house may be suspended by an affirmative vote of two-thirds
14 of the members present. However, if a rule contains a specific
15 provision showing the vote by which that rule may be suspended, that
16 vote shall be required for the suspension of the rule. The specific
17 provision may not be suspended under the provisions of this
18 section.

19 Sec. 6. DISPOSAL OF MEASURES TAKEN UP UNDER SUSPENSION. Any
20 measure taken up under suspension and not disposed of on the same
21 day shall go over as pending or unfinished business to the next day
22 that the house is in session, and shall be considered thereafter
23 from day to day (except the days used for the consideration of
24 senate bills) until disposed of.

1 RULE 15. APPROPRIATE WORKPLACE CONDUCT

2 Sec. 1. STATEMENT OF POLICY. (a) The house finds that:

3 (1) a safe and professional environment in which each
4 individual is treated with respect is essential for conducting the
5 legislative business of Texas;

6 (2) harassment based on an individual's
7 characteristics and activity protected by law is inconsistent with
8 the necessary safe and professional environment; and

9 (3) there is a need for policies designed to prevent
10 harassment and to appropriately address it if it occurs.

11 (b) The house declares that all forms of harassment
12 prohibited by law (including harassment by the making of a
13 complaint of harassment or discrimination or by participating in
14 the investigation of a complaint) are against the policy of the
15 house.

16 (c) Members, officers, and employees of the house are
17 expected to promote public confidence in the integrity of the house
18 by:

19 (1) conducting themselves in a manner that is free of
20 harassment in each setting related to the service of the member,
21 officer, or employee; and

22 (2) reporting any harassment in the workplace of which
23 they have direct, personal knowledge.

24 (d) This rule is the policy on which the house relies for
25 guidance in promoting appropriate workplace conduct. This rule is
26 not intended to, and does not, create an independent cause of
27 action, substantive or procedural, enforceable at law or in equity,

1 by any party against:

2 (1) the house or its officers, employees, or agents;

3 (2) the State of Texas or its departments, agencies,
4 entities, officers, employees, or agents; or

5 (3) any other person.

1 RULE 16. SPECIAL RULE

2 CHAPTER A. GENERAL PROVISIONS

3 Sec. 1. PURPOSE; SCOPE; APPLICATION. (a) This rule is
4 adopted to ensure that the house is able to carry out its
5 legislative responsibilities under the Texas Constitution in the
6 event of disruptions caused by actual or imminent threat of an
7 emergency, including an epidemic or a pandemic.

8 (b) A section of this rule governs the procedure of the
9 house and its committees only when the section is activated as
10 provided by this rule.

11 (c) During the time a section of this rule is activated, the
12 provisions of that section prevail over a provision of Rules 1
13 through 15 to the extent of any conflict between the provisions.

14 (d) This chapter is not subject to deactivation under
15 Section 4 of this rule.

16 Sec. 2. ACTIVATION AND REACTIVATION. (a) A section of this
17 rule may be activated only as provided by this section. A section
18 of this rule that has been deactivated under this chapter may be
19 reactivated only as provided by this section.

20 (b) Activation or reactivation of a section of this rule may
21 occur only if:

22 (1) a disaster has been declared and is currently in
23 effect in this state as the result of a declaration by:

24 (A) the president of the United States under the
25 Robert T. Stafford Disaster Relief and Emergency Assistance Act (42
26 U.S.C. Section 5121 et seq.), as amended, or other law;

27 (B) the governor under Chapter 418, Government

1 Code, or other law, including the Texas Constitution; or

2 (C) the governing body of a political subdivision
3 under Chapter 418, Government Code, or other law, including the
4 Texas Constitution; or

5 (2) a determination of a public health disaster has
6 been made and is currently in effect under Chapter 81, Health and
7 Safety Code, or other law by:

8 (A) the commissioner of state health services; or

9 (B) a local health authority.

10 (c) If the house is convened in regular or special session
11 and at least one condition listed in Subsection (b) of this section
12 has been met, the house may activate or reactivate one or more
13 sections of this rule by resolution. A resolution proposed under
14 this subsection is subject to the provisions of Rule 14, Section 2,
15 and must:

16 (1) identify the section or sections proposed to be
17 activated or reactivated; and

18 (2) cite the authorities relied on to determine that
19 at least one condition listed in Subsection (b) of this section has
20 been met.

21 (d) If the house is not convened in a regular or special
22 session and at least one condition listed in Subsection (b) of this
23 section has been met, the Committee on House Administration may
24 activate or reactivate one or more sections of this rule only by a
25 vote of a majority of the membership of the committee in a meeting
26 of the committee conducted in accordance with the rules. The notice
27 of the committee meeting must identify the section or sections of

1 this rule that are proposed to be activated or reactivated and cite
2 the authorities relied on to determine that at least one condition
3 listed in Subsection (b) of this section has been met. The minutes
4 of the committee meeting must identify the section or sections of
5 this rule that were activated or reactivated by the committee and
6 cite the authorities relied on to determine that at least one
7 condition listed in Subsection (b) of this section has been met.

8 Sec. 3. DEACTIVATION. (a) If the house is convened in a
9 regular or special session, a section of this rule may be
10 deactivated only by resolution. A resolution proposed under this
11 subsection is subject to the provisions of Rule 14, Section 2, and
12 must identify the section or sections of this rule to be
13 deactivated.

14 (b) If the house is not convened in a regular or special
15 session, the Committee on House Administration may deactivate one
16 or more sections of this rule. A section of this rule may be
17 deactivated only by a vote of a majority of the membership of the
18 committee in a meeting of the committee conducted in accordance
19 with the rules. The notice of the committee meeting must identify
20 the section or sections of this rule that are proposed to be
21 deactivated. The minutes of the committee meeting must identify
22 the section or sections of this rule that were deactivated by the
23 committee.

24 CHAPTER B. DUTIES AND RIGHTS OF THE SPEAKER

25 Sec. 4. A new Rule 1, Section 10A, relating to the
26 designation of a temporary chair, shall read as follows:

27 Rule 1, Sec. 10A. DESIGNATION OF ALTERNATE

1 TEMPORARY CHAIR. (a) If the speaker and permanent
2 speaker pro tempore are both unavailable for any
3 reason, the chair of the Committee on State Affairs is
4 authorized to convene the house and preside over its
5 deliberations.

6 (b) At any time, the speaker may provide a
7 written order to the chief clerk, with a copy to the
8 journal clerk, naming those members, in priority
9 order, authorized to call the house to order and
10 preside if the speaker, permanent speaker pro tempore,
11 and chair of the Committee on State Affairs are all
12 absent or unable to preside. If the speaker, permanent
13 speaker pro tempore, and chair of the Committee on
14 State Affairs are all unavailable for any reason, and
15 it becomes necessary for the house to convene pursuant
16 to an adjournment, recess, or other provision of the
17 constitution or other law, the chief clerk shall
18 contact the members, in the order listed on the
19 speaker's written order, until the chief clerk locates
20 a member who is available to convene and preside over
21 the deliberations of the house.

22 Sec. 5. Rule 1, Section 11, relating to emergency
23 adjournment, shall read as follows:

24 Rule 1, Sec. 11. EMERGENCY ADJOURNMENT. In the
25 event of an emergency of such compelling nature that
26 the speaker must adjourn the house without fixing a
27 date and hour of reconvening, the speaker shall have

1 authority, subject to the provisions of Section 17,
2 Article III, Texas Constitution, to determine the date
3 and hour of reconvening and to notify the members of
4 the house by any means the speaker considers adequate.
5 Should the speaker be disabled or otherwise unable to
6 exercise these emergency powers, the permanent speaker
7 pro tempore, if one has been named, shall have
8 authority to act. If there is no permanent speaker pro
9 tempore, or if that officer is unable to act, authority
10 shall be exercised by one of the following members, in
11 the order listed below, who shall preside until the
12 house can proceed to the selection of a temporary
13 presiding officer to function until the speaker or the
14 speaker pro tempore is again able to exercise the
15 duties and responsibilities of the office:

16 (1) the chair of the Committee on State
17 Affairs; or

18 (2) the first available member on the
19 speaker's written order filed with the chief clerk
20 under Section 10A of this rule.

21 Sec. 6. Rule 1, Section 12, relating to postponement of
22 reconvening, shall read as follows:

23 Rule 1, Sec. 12. POSTPONEMENT OF RECONVENING.
24 When the house is not in session, if the speaker
25 determines that it would be a hazard to the safety of
26 the members, officers, employees, and others attending
27 the legislature to reconvene at the time determined by

1 the house at its last sitting, the speaker may clear
2 the area of the capitol under the control of the house
3 and, subject to the provisions of Section 17, Article
4 III, Texas Constitution, postpone the reconvening of
5 the house for a period of not more than three calendar
6 days, not including Sundays. On making that
7 determination, the speaker shall order the
8 sergeant-at-arms to post an assistant at each first
9 floor entrance to the capitol and other places and
10 advise all persons entering of the determination and
11 the time set for the house to reconvene. The speaker
