BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 1369.153, Insurance Code, is amended by adding Subsection (e) to read as follows:

(e) A group number on an identification card provided to an enrollee in a health benefit plan to which this subchapter applies may be assigned only to enrollees in a health benefit plan to which this subchapter applies.

SECTION 2. The heading to Section 1369.259, Insurance Code, is amended to read as follows:

[CALCULATION OF] RECOUPMENT; USE OF EXTRAPOLATION PROHIBITED.

SECTION 3. Section 1369.259, Insurance Code, is amended by adding Subsections (a-1), (e), and (f) to read as follows:

(a-1) Subject to Subsections (e) and (f), a health benefit plan issuer or pharmacy benefit manager may not, as the result of an audit, deny or reduce a claim payment made to a pharmacist or pharmacy after adjudication of the claim.

(e) A health benefit plan issuer or pharmacy benefit manager may recoup from a pharmacist or pharmacy the cost of a prescription drug and the dispensing fee for the drug if:

(1) the original claim was submitted fraudulently;

1           (2) the original claim payment was incorrect because  
2 the pharmacist or pharmacy had already been paid for the pharmacist  
3 service; or

4           (3) the pharmacist or pharmacy made a substantive  
5 nonclerical or non-recordkeeping error that led to the patient  
6 receiving the wrong prescription drug or dosage.

7           (f) A health benefit plan issuer or pharmacy benefit manager  
8 may recoup only the dispensing fee from a pharmacist or pharmacy if  
9 the pharmacist or pharmacy made a clerical error that led to an  
10 overpayment.

11           SECTION 4. Subchapter M, Chapter 1369, Insurance Code, is  
12 amended by adding Sections 1369.6021, 1369.6022, 1369.6023,  
13 1369.6024, 1369.6025, 1369.6026, and 1369.6027 to read as follows:

14           Sec. 1369.6021. ONLINE ACCESS TO PHARMACY BENEFIT NETWORK  
15 CONTRACT. A health benefit plan issuer or pharmacy benefit manager  
16 shall make available to any pharmacist or pharmacy in the issuer's  
17 or manager's pharmacy benefit network access to a secure, online  
18 portal through which the pharmacist or pharmacy may access all  
19 pharmacy benefit network contracts between the health benefit plan  
20 issuer or pharmacy benefit manager and the pharmacist or pharmacy,  
21 including any contract addendums.

22           Sec. 1369.6022. PHARMACY BENEFIT NETWORK CONTRACT: ADVERSE  
23 MATERIAL CHANGES. (a) In this section, "adverse material change"  
24 means a modification or addendum to a pharmacy benefit network  
25 contract that would decrease a pharmacist's or pharmacy's payment  
26 or compensation, change the pharmacist's or pharmacy's tier to a  
27 less preferred tier, or change the administrative procedures in a

1 way that may reasonably be expected to increase the pharmacist's or  
2 pharmacy's administrative expenses or decrease the pharmacist's or  
3 pharmacy's payment or compensation. The term does not include:

4 (1) a decrease in payment or compensation resulting  
5 solely from a change in a published governmental fee schedule on  
6 which the payment or compensation is based if the applicability of  
7 the schedule is clearly identified in the contract;

8 (2) a decrease in payment or compensation that was  
9 anticipated under the terms of the contract, if the amount and date  
10 of applicability of the decrease is clearly identified in the  
11 contract;

12 (3) an administrative change that may increase the  
13 pharmacist's or pharmacy's administrative expenses, the specific  
14 applicability of which is clearly identified in the contract;

15 (4) a change that is required by federal or state law;

16 (5) a termination for cause; or

17 (6) a termination without cause at the end of the term  
18 of the contract.

19 (b) A health benefit plan issuer or pharmacy benefit manager  
20 may make an adverse material change to a pharmacy benefit network  
21 contract during the term of the contract only with the mutual  
22 agreement of the parties. A provision in the contract that allows a  
23 health benefit plan issuer or pharmacy benefit manager to  
24 unilaterally make an adverse material change during the term of the  
25 contract is void and unenforceable.

26 (c) An adverse material change to a pharmacy benefit network  
27 contract may not go into effect until the 120th day after the date

1 the pharmacist or pharmacy affirmatively agrees to the adverse  
2 material change in writing.

3 (d) An adverse material change to a pharmacy benefit network  
4 contract proposed by a health benefit plan issuer or pharmacy  
5 benefit manager must include notice that clearly and conspicuously  
6 states that a pharmacist or pharmacy may choose to not agree to the  
7 adverse material change and that the decision to not agree to the  
8 adverse material change does not affect:

9 (1) the terms of the pharmacist's or pharmacy's  
10 existing contract with the health benefit plan issuer or pharmacy  
11 benefit manager; or

12 (2) the pharmacist's or pharmacy's participation in  
13 another pharmacy benefit network.

14 (e) A pharmacist's or pharmacy's decision to not agree to an  
15 adverse material change to a pharmacy benefit network contract does  
16 not affect:

17 (1) the terms of the pharmacist's or pharmacy's  
18 existing contract; or

19 (2) the pharmacist's or pharmacy's participation in  
20 another pharmacy benefit network.

21 (f) A health benefit plan issuer's or pharmacy benefit  
22 manager's failure to include the notice described by Subsection (d)  
23 with the proposed adverse material change makes an otherwise  
24 agreed-to adverse material change void and unenforceable.

25 (g) This section does not apply to:

26 (1) a pharmacy benefit network contract:

27 (A) with an unspecified and indefinite duration;

1                   (B) with no stated or automatic renewal period or  
2 event; and

3                   (C) that may only be terminated by notice from  
4 one party to the other; or

5                   (2) a proposed modification or addendum to a pharmacy  
6 benefit network contract that is required by state or federal law or  
7 rule.

8           Sec. 1369.6023. PHARMACY BENEFIT NETWORK CONTRACT: OTHER  
9 MODIFICATIONS AND ADDENDUMS. (a) A health benefit plan issuer or  
10 pharmacy benefit manager must, not later than the 90th day before  
11 the date a proposed modification or addendum to a pharmacy benefit  
12 network contract, other than an adverse material change as defined  
13 by Section 1369.6022, is to take effect:

14                   (1) post the proposed modification or addendum to the  
15 online portal described by Section 1369.6021; and

16                   (2) provide to the pharmacist or pharmacy notice of  
17 the proposed modification or addendum by e-mail, including:

18                           (A) a link to the online portal;

19                           (B) the National Council for Prescription Drug  
20 Programs number or other identifier approved by the commissioner  
21 for the pharmacist or pharmacy to which the proposed modification  
22 or addendum applies; and

23                           (C) a description of the proposed modification or  
24 addendum in a manner that allows the pharmacist or pharmacy to  
25 compare the proposed modification or addendum to the current  
26 contract.

27                   (b) If a pharmacist or pharmacy does not respond before the

31st day after the date the pharmacist or pharmacy receives notice of a proposed modification or addendum under Subsection (a), the health benefit plan issuer or pharmacy benefit manager may consider the proposed modification or addendum approved by the pharmacist or pharmacy and the modification or addendum takes effect on the date described by Subsection (a).

(c) A pharmacy benefit network contract may not incorporate by reference a document not included in a contract or contract attachment, including a provider manual described by Section 1369.6025. All financial terms, including reimbursement rates and methodology, must be set forth in the contract.

(d) This section does not apply to:

Sec. 1369.6025. PROVIDER MANUAL DISCLOSURE. A health benefit plan issuer or pharmacy benefit manager shall:

1           (1) make a provider manual readily available on the  
2 online portal described by Section 1369.6021; and

3           (2) post a modification or addendum to the provider  
4 manual to the online portal in the same manner as a contract  
5 modification or addendum under Section 1369.6023(a).

6           Sec. 1369.6026. PHARMACY BENEFIT NETWORK CONTRACT FEE  
7 LIMITATIONS. A health benefit plan issuer or pharmacy benefit  
8 manager may not charge a fee, including an application or  
9 participation fee, before providing a pharmacist or pharmacy with  
10 the full proposed pharmacy benefit network contract, including any  
11 financial terms applicable to the contract and corresponding  
12 pharmacy benefit network.

13           Sec. 1369.6027. PHARMACY BENEFIT NETWORK PARTICIPATION  
14 REQUIREMENTS PROHIBITED. A health benefit plan issuer or pharmacy  
15 benefit manager may not:

16           (1) require a pharmacist or pharmacy to participate in  
17 a pharmacy benefit network;

18           (2) condition a pharmacist's or pharmacy's  
19 participation in a pharmacy benefit network on participation in any  
20 other pharmacy benefit network; or

21           (3) penalize a pharmacist or pharmacy for refusing to  
22 participate in a pharmacy benefit network.

23           SECTION 5. Section 1369.605, Insurance Code, is amended to
