

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 89TH LEGISLATIVE REGULAR SESSION

May 29, 2025

TO: Honorable Dustin Burrows, Speaker of the House, House of Representatives

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB117 by Schoolcraft (Relating to the establishment of the governor's task force on the governance of early childhood education and care.), As Passed 2nd House

Estimated Two-year Net Impact to General Revenue Related Funds for HB117, As Passed 2nd House: a negative impact of (\$2,154,136) through the biennium ending August 31, 2027.

The Texas Education Agency and other entities to which the provisions apply are required to implement a provision of the bill only if the legislature appropriates money specifically for that purpose. If the legislature does not appropriate money specifically for that purpose, the Texas Education Agency and other applicable entities may, but are not required to, implement a provision of the bill using other appropriations available for that purpose.

The bill would make no appropriation but could provide the legal basis for an appropriation of funds to implement the provisions of the bill.

Fiscal Analysis

The bill would establish the governor's task force on the governance of early childhood education and care. The task force would be administratively attached to the Texas Education Agency (TEA).

The task force would conduct a comprehensive review of the existing functions and responsibilities of the Health and Human Services Commission, TEA, and the Texas Workforce Commission related to early childhood education and care. The task force would also require those agencies to complete and submit to the task force periodic progress reports and to refine statewide goals and strategic plans.

The bill would require TEA, from money appropriated or otherwise available, to pay the costs of data system integration, research, and administration for the task force.

The bill would require the task force to develop and submit a report to the legislature, not later than December 1, 2026, that would include budget and policy recommendations to improve early childhood education and care governance in certain ways.

The task force would be abolished September 1, 2027.

Methodology

TEA estimates committee costs would be \$53,040 in fiscal year 2026 and \$26,520 in fiscal year 2027.

The analysis assumes TEA would require 1.0 FTE to implement the provisions of this bill at a cost of \$0.3 million for the biennium.

TEA estimates the cost to produce the periodic agency reports and the report to the Legislature would be \$125,000 in both fiscal years 2026 and 2027.

This analysis assumes costs to other state agencies could be absorbed with existing resources.

Technology

TEA assumes IT costs to implement the provisions of the bill would total \$1.5 million for the biennium.

Local Government Impact

No fiscal implication to units of local government is anticipated.
