**March 10, 2025**

**TO:** Honorable Cody Harris, Chair, House Committee on Natural Resources

**IN RE: HB422** by González, Mary (Relating to limitations on the issuance of bonds by the Texas Water Development Board for the development of certain projects in economically distressed areas.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

It is assumed that any costs associated with the bill could be absorbed using existing resources. It is also assumed that interest and repayment revenue from EDAP loans could increase; however, the increase that could be realized is not anticipated to be significant.

**Local Government Impact**

No significant fiscal implication to units of local governments is anticipated. However, the bill could have a positive fiscal impact on political subdivisions that receive EDAP loans and grants.
