

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 89TH LEGISLATIVE REGULAR SESSION**

**April 23, 2025**

**TO:** Honorable John T. Smithee, Chair, House Committee on Criminal Jurisprudence

**FROM:** Jerry McGinty, Director, Legislative Budget Board

**IN RE: HB1720** by Gervin-Hawkins (Relating to the creation of the criminal offense of trespass in a facility housing an animal and to restitution for property damage resulting from that trespass.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

The bill would create a state jail felony offense of trespass in facility housing an animal committed when an actor enters without authority into a cage, enclosure, or other areas where an animal is exhibited or housed at a facility which is operated for public visitation, conservation, education, or science, including zoos.

The bill furthermore specifies that the penalty can be increased to a third degree felony if the actor harasses or causes injury or death to the animal and provides a defense to prosecution if the person entered the area to provide aid to a person or an animal.

It is assumed that any fiscal impact and any impact on state correctional populations or on the demand for state correctional resources would not be significant.

**Local Government Impact**

It is assumed that any fiscal impact to units of local government associated with enforcement, prosecution, supervision, or confinement would not be significant.
