Austin, Texas**

FISCAL NOTE, 89TH LEGISLATIVE REGULAR SESSION

April 20, 2025

TO: Honorable Morgan Meyer, Chair, House Committee on Ways & Means

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB3199 by Craddick (Relating to the requirement that certain ad valorem tax-related notices be delivered to a property owner by certified mail.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would require the tax collector for a taxing unit to deliver certain notices regarding delinquency and penalties for delinquencies by certified mail.

Local Government Impact

To the extent that tax collectors are delivering the relevant notices through a less expensive means than certified mail, there would be increased costs to tax collectors associated with the requirement to use certified mail proposed by the bill.
