Austin, Texas

FISCAL NOTE, 89TH LEGISLATIVE REGULAR SESSION

April 4, 2025

TO: Honorable Gary VanDeaver, Chair, House Committee on Public Health

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB3246 by LaHood (Relating to a resilience training program for first responders and active duty military personnel.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would require the Health and Human Services Commission (HHSC), the Department of Public Safety (DPS), and the Texas Military Department (TMD) to jointly develop and implement a cognitive health resilience training program to assist first responders and active duty military personnel in effectively transitioning from service in this state to daily life. It is assumed that HHSC, DPS, and TMD could absorb any costs associated with the bill using existing resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
