FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB4253 by Gerdes (relating to confirmation of a voter's residence by a voter registrar.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

It is assumed that any costs associated with the bill could be absorbed using existing resources.

Local Government Impact

There would be costs to counties, some potentially significant depending on the county, related to confirming voters who would be affected by the bill, mailing confirmation notices, and processing returned confirmations.
