

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 89TH LEGISLATIVE REGULAR SESSION

April 14, 2025

TO: Honorable Dade Phelan, Chair, House Committee on Licensing & Administrative Procedures

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB4463 by VanDeaver (Relating to authorized activities of a brewer's or nonresident brewer's license holder.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would allow nonresident brewer's licensees to transport, or cause to be transported, malt beverages into Texas from any of the licensee's locations outside of Texas under the license. The bill would condense the number of licenses required to operate a brewery outside of the state so that licensees would not be required to hold a separate license for each location outside of Texas.

No significant fiscal impact to the Texas Alcoholic Beverage Commission is anticipated.

According to the Comptroller of Public Accounts, the fiscal impact to revenue cannot be determined because the number of nonresident brewers who would condense to a single license is unknown.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
