**Austin, Texas**

**FISCAL NOTE, 89TH LEGISLATIVE REGULAR SESSION**

**May 21, 2025**

**TO:** Honorable Brandon Creighton, Chair, Senate Committee on Education K-16

**FROM:** Jerry McGinty, Director, Legislative Budget Board

**IN RE: HB4848** by Harris Davila (Relating to requiring that competency-based baccalaureate degree programs be offered at certain public institutions of higher education.), **As Engrossed**

The fiscal implications of the bill cannot be determined due to the unknown number of fields of study in high demand for which a competency-based baccalaureate degree program would be required.

The bill would require the system administration of each university system to ensure that one or more institutions of higher education in the system offer competency-based baccalaureate degree programs in each field of study in high demand, as determined by the Higher Education Coordinating Board rule. The bill would prohibit such a competency-based baccalaureate degree program offered from exceeding a total cost to an enrolled student of an amount equal to one-half of the average cost of attendance at an institution of higher education and would establish a process for inflation-based adjustments of that cap.

While the fiscal impact for creating such a degree program would likely be insignificant, it cannot be determined due to the unknown number of fields of study in high demand for which a competency-based baccalaureate degree program would be required.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
