

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 89TH LEGISLATIVE REGULAR SESSION

April 25, 2025

TO: Honorable Sam Harless, Chair, House Committee on Corrections

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: SB552 by Huffman (Relating to changing the eligibility of certain persons to receive community supervision, including deferred adjudication community supervision.), **As Engrossed**

Excluding individuals from eligibility for community supervision and deferred adjudication community supervision may result in additional demands upon state and local correctional resources, some potentially significant, due to a possible increase in the number of individuals confined at both state and local levels. The fiscal implications of the bill cannot be determined due to the lack of data necessary to identify the number of individuals who would be ineligible for community supervision.

The bill would exclude eligibility for both community supervision and deferred adjudication community supervision for illegal aliens as defined in the bill.

The Office of Court Administration indicates that the fiscal impact of the bill cannot be determined, and that the number of affected individuals may be significant.

Local Government Impact

While the number of individuals who would be disqualified for community supervision is unknown, the bill's provisions may result in additional demands on local correctional resources, some potentially significant depending on the unit of local government, due to increased lengths of confinement.
