

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 89TH LEGISLATIVE REGULAR SESSION

May 4, 2025

TO: Honorable Gary VanDeaver, Chair, House Committee on Public Health

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: SB912 by Blanco (Relating to the verification of health care practitioner continuing education compliance through the establishment of continuing education tracking systems.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would require each healthcare-related occupational licensing agency to establish a continuing education tracking system for use by and accessible to healthcare practitioners, licensing agency staff, and continuing education providers. The bill would prohibit such a system from requiring any licensing agency expenditure.

This estimate assumes that agencies impacted by the bill's provisions would establish the system with existing resources or procure a vendor who can provide the continuing education tracking system at no cost, with license holders, continuing education providers, or both presumably paying for access.

Local Government Impact

No fiscal implication to units of local government is anticipated.
