**Austin, Texas**

**FISCAL NOTE, 89TH LEGISLATIVE REGULAR SESSION**

**May 7, 2025**

**TO:** Honorable Pete Flores, Chair, Senate Committee on Criminal Justice

**FROM:** Jerry McGinty, Director, Legislative Budget Board

**IN RE: SB2611** by West (relating to the status of certain documents or instruments concerning real or personal property; creating the criminal offenses of real property theft and real property fraud and establishing a statute of limitations for those offenses; harmonizing other statute of limitations provisions; increasing a criminal penalty.), **Committee Report 1st House, Substituted**

**No significant fiscal implication to the State is anticipated.**

The bill would create felony offenses relating to the theft of and fraudulent acquisition of real property and would increase the penalty for the offense of fraudulent filing of a materially false or groundless financial statement up to a third degree felony in certain circumstances.

The bill would provide for restitution to be paid by a defendant convicted of real property theft in certain circumstances.

The Office of Court Administration indicates that the bill's requirements would be addressed with existing resources. It is assumed that any fiscal impact and any impact on state correctional populations or on the demand for state correctional resources would not be significant.

**Local Government Impact**

It is assumed that any fiscal impact to units of local government associated with enforcement, prosecution, supervision, or confinement would not be significant.
