SUPPORT

I have been a volunteer at a small local animal rescue for over 5 years. Every year, our volunteer staff go through difficult periods when a new litter of puppies winds up on our doorstep. Yes, the pups are cute as all get out but there are only so many new homes available for them in our small town. We have had to resort to asking out-of-state shelters and rescues for help in adopting them out. Anything which helps fund spay and neuter operations in Texas would be a true blessing. Please give HB 3832 a favorable report.
