As a Texas tax paying mom I am against HB 3 by Buckley, I do not want my money to go to private schools. We need more funding for public schools!

Do NOT pass BB 3! The vouchers take tax payers' money from public schools and give it to private schools that do not serve the public school systems. Private schools do not have to provide AEPs or other accommodations to students with special needs. They do not have to admit every student like public schools do; they can specify what type of students they accept. Private schools do not have to maintain standards like public schools do. Vouchers are worse than comparing apples to oranges; it is stealing from public schools and giving to private schools. DO NOT PASS HB3!
