Please vote FOR SB441 by Hinojosa - Civil Liability of AI if no consent for intimate visual material. I believe all citizens have the right to privacy and to not be subjected to production, solicitation, disclosure, or promotion of artificial intimate visual material without consent. Civil liability for the AI of such material without consent will codify violating consumer's rights. Please vote FOR SB441 by Hinojosa - Civil Liability of AI if no consent for intimate visual material.
