A BILL TO BE ENTITLED

AN ACT

relating to the consideration of certain local government actions before the renewal of an authorization to use a standard permit for a concrete plant.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 382.05195, Health and Safety Code, is amended by adding Subsection (l) to read as follows:

(l) This subsection applies only to the renewal of an authorization to use a standard permit issued under this section for the operation of a permanent concrete plant that performs wet batching, dry batching, or central mixing. In determining whether and under which conditions to renew an authorization described by this subsection, the commission shall, while classifying the applicant's compliance history under Section 5.754, Water Code, consider any civil suit instituted and any other enforcement actions taken by a local government against the applicant under Chapter 7, Water Code.

SECTION 2. Section 382.05195(l), Health and Safety Code, as added by this Act, applies only to an application for a renewal of an authorization to use a standard permit that is submitted to the Texas Commission on Environmental Quality on or after the effective date of this Act.

SECTION 3. This Act takes effect September 1, 2027.
