A BILL TO BE ENTITLED

AN ACT

relating to a study by the Department of State Health Services regarding the human health risks associated with exposure to hydrogen sulfide.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. (a) In this section, "department" means the Department of State Health Services.

(b) The department shall conduct a study to assess the potential human health risks associated with exposure to hydrogen sulfide.

(c) In conducting the study under this section, the department may consult with other state agencies and relevant entities, as appropriate.

(d) Not later than December 1, 2028, the department shall submit to the legislature a report on the results of the study and any recommendations for legislative or other action.

(e) This Act expires January 1, 2029.

SECTION 2. This Act takes effect September 1, 2027.
